

DEPARTMENT OF SPORTS AND YOUTH AFFAIRS
GOVERNMENT OF SIKKIM, GANGTOK

JUSTIFICATION

The land is required for construction of playground of J.N Road, Karponang (Kyongnosla). Since, there is no existing public ground in and around the area, the public have demanded for construction of the ground. The proposed ground shall serve the basic facilities of Sports and the overall development of the people of that area.

It shall also create sufficient opportunities for youth to improve and maintain a sound mental and physical health by engaging them in sprightly games & activities.

It shall hunt sportive talents and flairs of youths, so that they may find opportunities to represent themselves as professional players in regional, national and international levels in the field of sports.

It shall make endeavours to protect the growing youth from addiction and committing social crimes by involving them in sports activities along with competitive game events.

Alongside, the proposed public ground shall provide the right platform for conducting public meetings, cultural Programs etc., thus benefiting the public in their holistic development.

15th Mile, J.N Road, Karponang (Kyongnosla) is a small village located near popular Tourist Destination, Tsongmo Lake, East Sikkim, at an altitude of 10,400 ft. Having no private or other government lands nearby for the construction of the ground, the only feasible solution is by acquiring 0.69 ha of Forest land.
