No: CE/C/MTP/Notes/2022

Date: 17.05.2022

### TO WHOMSOEVER IT MAY CONCERN

Kalyan-Kasara (67.62 Km) is electrified double line section of Mumbai Division. This corridor is known as the North-East Main Lines and is a part of CSTM-HWH Group 'A' route. All the three streams of traffic viz. Suburban, Mail / Express and freight trains use the same pair of lines between Kalyan & Kasara. Accordingly, the Government of India has decided to augment the carrying capacity by developing third line for the Kalyan-Kasara Corridor. **Central Railway (CR), Mumbai Division** is the implementing agency for the proposed 3<sup>rd</sup> railway line between Kalyan and Kasara stations through M/s RITES Ltd., Vashi as a Principal consultant.

A portion of the proposed alignment passes through forest area and therefore involves diversion of this forest land under Forest Conservation Act, 1980 for non-forestry purpose. In compliance to the provisions of the above Act, an application seeking diversion in "Part-I of Form - A" is initiated as prescribed under procedure. Further, we hereby nominate Shri Dattatraya Damodar Lolge, Deputy Chief Engineer (C), Ghatkopar, as a Nodal Officer for pursuing Forest Clearance for the above mentioned Corridor and authorize him to sign all the relevant documents as may be required to fulfill the pre-requisites of the Forest Clearance Proposal. The details of the Officer is given below:
