

Cost Benefit Analysis

Ref:- Proposal No:- FP/WB/RAIL/4663/2012,
RO/Ministry File Number 8-12/2014-FC

Cost benefit ratio for the main proposal of forest land diversion already submitted and In Principal approval for diversion of forest land 86.626 Ha has been accorded. This proposal being an ancillary part of the main proposal, so that separate cost benefit analysis is irrelevant.
