Subj. : Justification for use of 3.79 hectare forest land

Dear Sir,

The project envisages the use of 3.79 hectare forest land construction of pump-house, pipeline and overhead transmission line and appurtenant works in Renukoot, Dist. Sonbhadra.

The requirement of forest land as proposed by the user agency is unavoidable due to non availability of any alternate land and is barest minimum required for the project.

Thanking you,

Yours faithfully,
for **Grasim Industries Limited**
