Shiva was taken up during the year 2013-14, as desired by the then Hon'ble Minister for Roads and Buildings & Mechanical Engineering Department Jammu and Kashmir. The road has been proposed for length of 10.75 km upto village Kanhal and then it will connect to Baghwah Tehsil Head Quarter becomes a circular road and cover the left-over population of that area. The above said road work was executed by way of earth work up to Km-2<sup>nd</sup> and got stopped due to non-availability of funds. The area is hilly and it is difficult for the villagers/inhabitants to reach their destination by foot especially in Medical emergency cases, and road connectivity is essential and basic facility now-a-days.

As per public demand and number of representation of local inhabitants to Administration made time to time, above said abandoned road project got sanctioned under Languishing during the year 2019-20 and the work put to tender. The work has been allotted to the Contractor Sh Rajesh Kumar Pvt. Ltd. for km Length of 9.0 km (i.e) upto Village Kanhal vide allotment no : - CEJ/G/9786-88      Dated : - 14-10-2019 to the tune of Rs 586.07 Lacs .The alignment of road has been fixed to cover the left over population/inhabitants from Nashla to Kanhal link road which is about one KM 's uphill side of Beer Bagh to Kanhal via Shiva road. It is also pertinent to mention here that there is no scope of alternate road to avoid the present alignment as per public demand.
