No. ONGC/ JRT/HSE/Justification/KSAB

Dated: 10.09.2018

From: A K RASTOGI, DGM (P), Head HSE, Jorhat Asset, Assam  
To : Nodal Officer, Aranya Bhawan, Panjabari. Guwahati, Assam.  
Subject: Justification for KSAB.

A new wells KSDB and KSDC are to drilled. Both the location were released by ONGC as development locations. Both wells KSDB and KSDC falls in Dayang Reserve Forest of Golaghat District. This location falls under Kasomarigaon PML of a total 20 sq.km. with grant of Petroleum Mining Lease from Government of Assam vide officer order No. PEM/114/2015/23 Dt. 14<sup>TH</sup> Feb. 2017.

Well nos. KSDB and KSDC is planned to be drilled from existing site of drill site KSAB. The present site is under ONGC Jorhat Asset and presently is being used for production of oil and gas from the existing well KSAB since 13.05.2009. The existing site has got forest clearance. The well would be drilled from existing premises of KSAB and **NO EXTRA LAND IS REQUIRED**.

The purpose of drilling new 2 wells is to develop Kasomarigaon Field and improve Oil and Gas production from the field. Well nos. KSDB and KSDC would be utilized as gas injectors and this would improve oil production from other wells of same field. As Oil and Gas fields falls below the Dayang Reserve Forest area, wells are to be drilled from this location.

Submitted for your information please.
