

The map shows the Bandirevu R.F. (Reserve Forest) area. The Chindur River is a prominent feature, flowing through the region. The Gollapudi area is marked, and the surrounding landscape is described as 'Dense mixed jungle mainly teak'. The map includes a grid system with labels like '101', '102', and '103'. A network of roads is shown, including a main road and several smaller paths. The map also indicates the location of 'Gollapudi' and 'Gollapudi Vagu'. The overall area is labeled 'BANDIREVU R.F.' and 'Dense mixed jungle mainly teak'.
