

Justification for locating the project in forest area

Gujarat Energy Transmission Corporation Ltd (GETCO) has planned to erection of 66KV D/C Rabarika – Umralli (M/s Powerica Ltd) line Tal. Jetpur Dist. Rajkot on D/C Panther tower with ACSR Panther Conductor

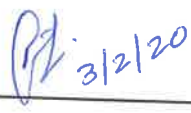

The said line is proposed to provide electrical power to newly proposed (M/s Powerica Ltd) Wind Power Generation Unit for evacuation of 50MW wind power generation at village Umralli ,Dist. Rajkot on D/C Panther tower with ACSR Panther Conductor

There is no alternative route for erection of 66KV D/C Rabarika – Umralli (M/s Powerica Ltd) line Tal. Jetpur Dist. Rajkot on D/C Panther tower with ACSR Panther Conductor except to crossing of SH-01 Gondal - Jamkandorna Road as shown in route. The said route is finalized by utilizing maximum of government west land as far as possible to avoid any objection by farmers.

Erection of 66KV D/C Rabarika – Umralli (M/s Powerica Ltd) line ultimately benefited to public nearby village Umralli Dist. Rajkot and surrounding area. Electricity play vital role in development of that area.

Dated: 03.02.2020

Place : Rajkot
