

To,
The Divisional Forest Officer,
Kurseong Forest Division,
Dow Hill, Kurseong,
West Bengal

Ref. Application No.NFS/PKG-F/2016&2019/FORST/KURSEONG/01

Justification for locating the Project in forest land

Sir,

The Proposed path for establishing OFC connectivity on steel tubular poles between Sakna Army Campus & Kurseong Airforce Campus and Kurseong Airforce Campus & Jalapahar Army Campus are along the Rohini Road between Rohini Toll Plaza & Kurseong Airforce and along the Hill Cart Road between Kurseong Airforce - 8th Mile

Pole installation for OFC alignment is along the forest land adjacent to the motarable road and the forest land will be required for pole installation at every 30-40 meters depending upon feasibility of pole installation.

Since there is no other non-forest land available for pole installation along the road, Forest land adjacent to the road will be required for pole installation.
