

Proposal for diversion of 0.0256 ha of forest land for shifting/raising of existing 220 KV HT line at Km. 69+630 RHS which is interfering the development of 4-Laning of Phagwara – Rupnagar section of NH-344A from Km. 0.000 to Km. 80.820 in the state of Punjab on Hybrid Annuity Mode.

File No. FP/PB/TRANS/41530/2019

JUSTIFICATION

The National Highways Authority of India (NHAI) is responsible for development of national highway network in the state of Punjab & has endeavored to upgrade and strengthen the highway net work in the state to meet traffic requirement and projections thereof.

Keeping in view traffic requirement and aspect of providing congestion free highway, the National Highways Authority of India (NHAI) intends to develop Four Laning of Phagwara – Rupnagar section of NH-344A from Km. 0+000 to Km. 80.820 in the state of Punjab.

There is forest land on RHS of the highway alignment and irrigation canal. Furthermore, only the bare minimum forest land area has been proposed for diversion forshifting/raising of 220 KV HT line which is obstructing the development of National highway project (4-Laning of Phagwara-Rupnagar section of NH-344A) at Km. 69+630in the state of Punjab.
