

Name of Work:- Construction of Tranh-Charoli Small Hydro Electric Project-2 MW.

Check List No.-10

Justification for Locating the Project in Forest Area

It is certified that 2.8573 Ha. of forest land is proposed to be diverted for the C/O Tranh-Charoli Small Hydro Electric Project-2 MW . The patch of forest land selected for the said project is most feasible and barest minimum. Further no non-forest and private land is available for the C/O Tranh-Charoli Small Hydro Electric Project-2 MW.

During the finalization of the land two alternatives were examined but same are not technically feasible for the said project and hence rejected.

Detail of Alternative Examined:-

Alternative-I:- Alternative-I, rejected due to the reason that large no. of trees are coming in the alignment.

Alternative-II:- Alternative-II, rejected due to the reason that the area is not as per the requirement of the project.

Alternative-III:- Selected, as the patch of land is suitable and most feasible as per the requirement of the project.
