With Reference to the subjected work, it is submitted that we are going to improve Nasrullaganj Rehti Budhni Road NH 146 B, due to increase in traffic volume. The widening scheme involves total 47.830 km of design length in Sehore district.

With due respect this is to bring to your notice that in Forest Clearance online proposal (FP/MP/ROAD/36454/2018) of Nasrullaganj Rehti Budhni Road, minimum requirement of forest land to be diverted was shown as 19.5Ha.inSehore District. Thanking You
