Subject: Justification for ELAA.

A new wells ELDA is to be drilled. The location were released by ONGC as development locations. The well ELDA location falls in Dayang Reserve Forest of Golaghat District. This location falls under East Lakhbari PML of a total 8.5 sq.km. Petroleum and Mining Lease for East Lakhbari PML is issued by Government of Assam vide order No. PEM.101/2015/24 Dt. 28th April 2017. Well nos. ELDA is planned to be drilled from existing site of drill site ELAA. The present site is under ONGC Jorhat Asset and presently is being used for production of oil and gas from the existing well since Dt. 16.01.2003. The existing site has got forest clearance. The well would be drilled from existing premises of ELAA and **NO EXTRA LAND IS REQUIRED**.

The purpose of drilling new well is to develop East Lakhbari Field and improve Oil and Gas production from the field. Well nos. ELDA would be Oil and Gas Producers and this would improve oil production from East Lakhbari field. As Oil and Gas fields falls below the Dayang Reserve Forest area, well is to be drilled from this location. Expected oil production from ELDA is 25 TPD.
