Date 18-09-2017

JUSTIFICATION

The KK Works is a registered Firm undertaken for supply of construction materials for construction works of the government departments as well as private sectors for the last many years in the state of Manipur. Supply of earth materials for construction of Railways, NIT, MU, PHED, CAU, Oil Depots, Expansion of Highways, IFCD (flood prone river banks) is on the way for timely completion of projects.

Some sort of complicacies arises from time to time to compliance with the Forest (Conservation) Act, 1980 as there is no designated quarry authorize by the government. To remove such complicacies, the competent authority is being approached for approval of a quarry site at the vicinity of the ongoing projects.

The proposed quarry site is located at Lipokpi Leikai, 22A-Tangjeng village which is not a reserved or protected forest area where people of the flooding inhabitants of this locality may settle in due course of time.
