Sub: Approved Mining Plan for Proposed Six Development Locations (KHDI, KHEC, KHED, KHEE, KHEF, KHEG) from new Cluster in Khoraghat field

Oil and Natural Gas Corporation Limited, Jorhat Asset is planning to drill Six development locations in Khoraghat area of Golaghat District. The said land falls under Khoraghat Extension-1 ML and total granted ML area is 88.97 square Kilometers. These Six proposed locations are planned to be drilled from the fresh land of Khoraghat field.

Each of the six location (KHDI, KHEC, KHED, KHEE, KHEF & KHEG) is expected to contribute Oil and Gas on an average rate of 10 tons per day and 2,000m³/day. The envisaged Mining Plan for the six locations is as below:

YEAR	Oil (tons/annum)	Gas (1000m ³ /annum)
2023-24	3650	730
2024-25	3285	657
2025-26	10257	2051
2026-27	9231	1846
2027-28	15608	3122
2028-29	14047	2809
2029-30	16292	3258
2030-31	14663	2933
2031-32	13197	2639
2032-33	11877	2375
2033-34	10689	2138
Total, tons/MMm³	122796	24.5
