

iii) Total cost of the project

Falegaon M.I. Project	
Tq- washim	Dist-Washim
1) Head Work	457.182 Lakh
2) Main Canal	- Lakh
3) Centage	26.365 Lakh
Total Rs	483.547 Lakh

iv) Justification for locating the project in the forest area

Due to scarcity of water in this area, there was a continuous demand from people, local cultivator & public representatives from Washim Taluka thereafter survey was carried out and proposed "FALEGAON(STORAGE) M.I.Tank" came forward. There is no other alternative for the purpose have been explored and all possible efforts were carried out to avoid forestland. It is concluded that 7.65 Ha. of minimum forest land is required for the project.

v) Cost benefit analysis(to be

Not Applicable

vi) Employment likely to be generated

Employment Potential

A) During construction of project

i) Total cost of project 483.55 Lakh

ii) Labour component 60% 154.74

iii) Average earning of

Rs 50 /Head /day 3.09 Lakh

B) After completion of project Labour

potential that will be for 60 years

Mandays/Ha/year/for 443 Ha.CCA

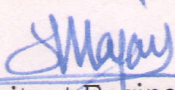

$443 \times 50 \times 60 = 13.29$ lakh Mandays

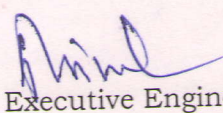

Total Mandays

i) During construction 3.09 Lakh

ii) After construction 13.29 Lakh

Total Mandays 16.38 Lakh
