

ROAD MAP

SHRI BAJRANG POWER AND ISPAT LIMITED

This project is interlinked project. The Iron Ore produced from Chhotedongar Iron ore Mining lease area would be utilised by the Applicant Company in his integrated Steel Plants located at Tandwa village, Tilda Tehsil, Raipur and located at Borjhara, Urla Industrial area, Raipur, Chhattisgarh. The ore would be transported from Mine to plants initially by trucks via route: Mines to Chhotedongar - Bhanupratappur - Dalli Rajhara - Durg - Raipur to plants as shown in the google map. But where ever possible Railway transportation will be done, at present the applicant company may likely to dispatch Ore from the best suitable Railway siding available nearby.

Distance from ML Area to Borjhara Plant- 297.0 KM.

and ML area to Tilda Plant - 321.0 KM.
