Sub: Approved Mining Plan for Proposed Six Development Locations (DPDU, DPDV, DPDW, DPDX, DPDY, DPDZ) from new Cluster in Dayalpur field

Oil and Natural Gas Corporation Limited, Jorhat Asset is planning to drill Six development locations in Dayalpur area of Golaghat District. The said land falls under Kasomarigaon Add. PML and total granted ML area is 56 square Kilometers. These Six proposed locations are planned to be drilled from the new cluster of Dayalpur field.

Each of the six locations; DPDU, DPDV, DPDW, DPDX, DPDY & DPDZ is expected to contribute oil and gas on an average rate of 10 tons per day and 2,000m3/day respectively. The envisaged Mining Plan for the six locations is as below:

YEAR	Oil (tons/annum)	Gas (1000m3/annum)
2023-24	10950	2190
2024-25	9855	1971
2025-26	12520	2504
2026-27	11268	2254
2027-28	10141	2028
2028-29	9127	1825
2029-30	11864	2373
2030-31	14328	2866
2031-32	12895	2579
2032-33	11605	2321
2033-34	10445	2089
Total, tons/MMm3	124996	25.00
