

M.P. Audyogik Kendra Vikas Nigam (Bhopal)

(AN ISO 9001:2008 CERTIFIED COMPANY)

(A Government of M.P. Undertaking - Subsidiary of M.P. TRIFAC Ltd.)

Justification for locating the Project in forest land and details of alternative examined

For the expansion of Industrial Area, Mandideep, Collector, Raisen, handed over the possession of 73.180 Hect. of Government land in village Satlapur, Tehsil-Goharganj, Distt.-Raisen, to industries Department on 13-12-1983. The land is under the Possession of industries department.

At the time of taking possession of the land it was without trees and vegetation, the entire land was barren land. It was not known that it is the forest land & also the forest department had never raised any objection till 2001.

Entire forest area which is to be denotified has been already allotted to the industrial unit & most of them are running & providing the employment and generate the revenue in the state.

Due to the objection raised by the forest department in 2001 the established industrial units could not diversify & expand their units which affects the industrial development

The said land was allotted to the industrial unit on behalf of the State Govt. now due to objection raised by the forest department will hamper the integrity and credibility of the State Govt. so it is necessary to denotify the said area.
