ANNEXURE –

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

For the purpose of making Pollution Control Water Tank the required area falls under the applied Diversion of Forest Land which is situated near by the Premises of Mahakali Ispat Pvt Ltd. Hence this site being specific, no alternative is available for the purpose. This Jungle patch of Forest Land is essentially required for a better Land used for making Water Tank. The same is depicted on SOI Toposheet No. F45M13.

Based on the above circumstances the proposed area over 0.91 Ha which is surrounded by the Plant Area is bare necessity for construction of Pollution Control Water Tank.

For Mahakali Ispat Pvt. Ltd.
