JUSTIFICATION CERTIFICATE

The said location comes under Kudremukh wild life Karkala Andaru range, duly considering the mud road available at Mundani Kabbinala village of kudremukh National forest Area of Karkala Taluk. The main aim of energy department, Ministry of India is to provide basic need of electricity to all un-electricity house holds. Thus District Commissioner of Udupi district ordered to provide electric supply to this Mundani area which is comes under naxal belt. To achive development at naxal area the local panchayath and elected bodies pressurise to electrifying the Mundani village. The total number of house holds beneficiary are 5. The line is passing through Muttlantadkka to Mundani for a distance 700 mtr of Andaru Survey No.103/1 in forest area. No need of tree cutting. This work is carried out under Hamlet scheme. Moreover we have also considred issues related to movement of men and material along with existing mud road. The same have been depicted in the land use map enclosed.
