As a part of modernisation of Police force, Kerala Police Department sanctioned a new Police Station building with all modern facilities at Pampa area. The Police Station is presently functioning in space provided by Travancore Devasum Board. This Space is not sufficient for the Police personnel and the pilgrims who seek service during the Sabarimala festival Seasons.

At Pampa and Sabarimala area no land other than Forest land is available for the construction of proposed new Police Station building. Hence a minimum land of 20 cents (in GPS N09° 24' 359" E 077° 04' 176" situated in Perunad village , Ranni Taluk) in the forest land at Pampa is requested
