The proposed road is a village road connecting 05 numbers of hamlets namely Bagla, Nadyala, Parran, Kotli, Androoth with motorable link. The road shall benefit population of about 4000 souls directly and 3000 souls indirectly, who have to track on foot to reach to the roadside at present and all the commodities required are transported manually using ponies. The road shall pass through hilly terrain. 0.772 Km of road passes through Forest Area under compartment no:99/N, Block Androoth, Range Nowshera of forest Divison Nowshera..
