Sub: Approved Mining Plan for Proposed Six Development Locations (KHDH, KHDX, KHDY, KHDZ, KHEA, KHEB) from new Cluster in Khoraghat field

Oil and Natural Gas Corporation Limited, Jorhat Asset is planning to drill Six development locations in Khoraghat area of Golaghat District. The said land falls under Khoraghat Extension-1 ML and total granted ML area is 88.97 square Kilometers. These Six proposed locations are planned to be drilled from the new cluster of Khoraghat field.

Each of the six locations (KHDH, KHDX, KHDY, KHDZ, KHEA & KHEB) is expected to contribute oil and gas on an average rate of 10 tons per day and 2,000m³/day. The envisaged Mining Plan for the locations is as below:

YEAR	Oil (tons/annum)	Gas (1000m ³ /annum)
2023-24	3650	730
2024-25	6935	1387
2025-26	9892	1978
2026-27	8902	1780
2027-28	15312	3062
2028-29	13781	2756
2029-30	16053	3211
2030-31	14448	2890
2031-32	13003	2601
2032-33	11703	2341
2033-34	10532	2106
Total, tons/MMm³	124210	24.8
