

CHECK LIST SERIAL NUMBER-10

"JUSTIFICATION FOR LOCATING THE PROPOSED ROAD/PROJECT IN FOREST AREA."

2.355 hectare of forest land is required for the Construction of link road from Gulriya Dhang to Nero Kotri km. 0/0 to 4/935 .The total length of the road is 4/935 which passes through the forest land and private land. This road is being constructed to provide motor link to the villages Gulriya Dhang, Nero and Kotri. The road will cater to the needs of population of 596 souls and will give a boos to the local economy. 2.355 hectare of forest land is required to be diverted for the construction of the road and 4 No dumping sites. Alternatives alignments which have technically feasibility were explored. Since the village Nero kotri situated on the other side of road area and surrounded by the forest land, hence there is no escape from using the forest land, if the primary objectives of linking the village to the motor road is to be achieved. Out of the two numbers alignments one which involves less forest land as well as trees has been finalized for the construction of road.
