

Justification Letter

This is to justify that Improvements to the road from Hengavalli –Irgi to SH link is taken up under PMGSY-II from this department funded by Government of India. It is very useful road for rural connectivity it connects MDR to SH Road . And it is useful for Agriculture products transporting to the market places I knew that road passes through the forest area in selected stretches . This road benefits directly and indirectly 3505 population out of this 115 SC population and 101 ST population is benefited .

Development of PMGSY-II envisages consolidation of the existing Rural Road Network to improve its overall efficiency as a provider of transportation services for people , goods and services . It aims to cover upgradation of existing selected rural roads based on their economic potential and their role in facilitating the growth of rural market centres and rural hubs . Development of growth centres and rural hubs are critical to the overall strategy of facilitating poverty alleviation through creation of rural infrastructure . Growth centres /rural hubs would provide markets, banking and other service facilities enabling creation of self-employment and livelihood opportunities on an ongoing basis.
