

Justification for location the Project in forest land and details of alternatives examined :

M/s Reliance Jio Infocomm Ltd (A company promoted by Reliance Industries Ltd), formerly Infotel Broadband Services Ltd. Have got license to operate 4th Generation Broadband Wireless Access Services (4G) and implement Fiber to home Networks across 23 states.

With a view to ensure connectivity, company is laying Optical Fiber Cable along the road side as per the agreed policy of Government of India and as per GO No. 1485/ चौ -9-2012-161ज /12 dated 15.10.2012 issued by the Chief Secretary, Government of UP .

Since , the Fiber is to be connected end to end between the stretch District: Chamoli.....along with road at Hill Side on NH/SH/MDR Nandprayag - Kandipur - Lanthra - Kurud - Ghat - Bhenthi / Narayanbagar - Parkhat - Ranse (Chopta)....., Total Length: 72.8 Kms and Total area 0.416 Ha. In Forest Division: Badrinath....., District: Chamoli.....-UK and the same stretch falls under Forest , Hence the permission to lay Optical Fiber Cable is being required . It is the minimum requirement of Forest land and There is no alternative for this Forest land.

We have done the survey and find that there is no alternate route available to lay the fiber and to connect the same with the other end. Hence, it is requested that permission may kindly be granted.
