Figure 1
Figure 1: Longitudinal Profile of the River at Station 24

Distance (m)	Elevation (m)
0	0
10	1
20	2
30	3
40	4
50	5
60	6
70	7
80	8
90	9
100	10

Figure 1 shows the longitudinal profile of the river at Station 24. The x-axis represents the distance in meters (0 to 100), and the y-axis represents the elevation in meters (0 to 10). The profile is a step-like function, indicating a series of small, regular changes in elevation along the river's length.
