

JUSTIFICATION FOR LOCATION THE PROJECT IN FOREST LAND **AND DETAILS OF ALTERNATIVES EXAMINED**

This is to certify that M/s INFOTEL BROADBAND SERVICES LIMITED with registered office at C-157, PHASE-VII, INDUSTRIAL AREA, MOHALI-160055,PUNJAB is registered as Infrastructure Provider Category I (IP-1) to establish and maintain the assets such as Dark Fibers, Right of Way, Duct Space and Tower for the purpose to grant on lease/rent/sale basis to the licensees of Telecom Services licensed under Section 4 of Indian Telegraph Act,1885 on mutually agreed terms and conditions. Vide Licence agreement no. 370/2011 dated 23.06.2011. Copy of the same is enclosed for your ready reference.

We propose to lay underground telecom cables by the HDD method in which we will make the pit of 1*1 square meters after every 150 Mtr.

Since, the fiber is to be connected end to end between the stretch districts Sangrur 1. Laying of OFC from Sangrur to Sunam road lhs MDR Road, Km. 0.500 to 11/300 = 10800 mtr (LHS)
2.Patiala-Mansa road , SH-12 A, km 24/484 to 26/114 = 1700 mtr 3.Patiala mansa road km 27/030 to km 45/500 = 18470 mtr (LHS) Total Length = 30970 mtr and the same stretch falls under forest, hance the permission to lay optical fiber cable (Dark Fiber Cable) is being required.

We have done the survey and find that there is no alternate route available to lay the fiber and to connect the same with the other end. Hence, it is requested that permission may kindly be granted

For Reliance Jio Infocomm Ltd.
