JUSTIFICATION FOR LOCATION OF THE PROJECT IN FOREST AREA

Tender of Work is being implemented through the Department of Minor Irrigation & GWD, Government of Karnataka. The project envisions provision of safe. This is being done by providing Piped water supply to Singtryankeri Tank.

The Minor Irrigation & GWD, Sub - division of Gadag District under SCP scheme has planned to Construct the New lift Irrigation Scheme to Singtryanakeri Tank in Mundargi Taluk, Gadag District. To Provoid water supply for Singtryankeri Tank. The pipeline has to put for water supply around 4km path, Nearly 1050m line falls within the Statutorily notified forest area and hence the forest clearance is being applied for.

These Locations have been chosen owing to the natural gradient of the places and hence only minimum area required have been proposed. There is no alternative non forest land available for that location.

Assistant Executive Engineer
Minor Irrigation & GWD Division,
Gadag
