#### GOVERNMENT OF ARUNACHAL PRADESH DEPARTMENT OF ENVIRONMENT, FORESTS & CLIMALE CHANGE

ITANAGAR.

Itanagar dated 17/1 April'2024

No. FOR.3-234/Cons/2021/ 2338-43 To

The Deputy Director General of Forests (Central), Sub Office, Guwahati (under Regional Office, Shillong) 4<sup>th</sup> Floor, Housefed Building, Rukminigaon Guwahati- 781022.

Sub:- Proposal for diversion of 11.22 ha of forest land for construction of foot track from Huri to Tappa (0.00 km to 20.44 km) by BRTF in Kurung Kumey District of Arunachal Pradesh.

Ref:- Your letter F.No. 3-AN C/113/2022/GHY/4308-09 dtd. 31.07.2023.

Madam,

With reference to letter cited above, this is to submit compliance report as below of the conditions stipulated therein for favour of your information and necessary action:

### B. Conditions which need to be complied prior to handing over of forest land by the State Forest Department.

|   | Folest Department                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | The amount of Net Present Value of the                                                                                                                                                                                          |
|---|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | The User Agency shall transfer, the Net Present<br>Value (NPV) of the forest land being diverted under<br>this proposal, as per the orders of the Hon'ble<br>Supreme Court of India dated 28/03/2008,<br>24/04/2008 and 09/05/2008 in Writ petition (Civil)<br>No.202/1995 and as per the guidelines issued by the<br>Ministry vide letters No.5-3/2007-FC dated<br>05.02.2009 and File No.5-3/2011-FC (Vol-I) dated<br>21.03.2022. The requisite funds shall be transferred<br>through online portal into CAMPA account of the<br>State concerned. | forest land diverted under this proposal<br>for Rs.1,19,99,453/- has been deposited<br>to National Authority (CAMPA) as per e-<br>challan dated 04.10.2023 and deposited<br>on 11.10.2023 at Annexure-I as per<br>revised rate. |
| 2 | The User Agency shall transfer the cost of raising<br>and maintaining the compensatory afforestation at<br>the current wage rate in consultation with State<br>Forest Department in the account of CAMPA of the<br>concerned State through online portal. The scheme<br>may include appropriate for anticipated cost                                                                                                                                                                                                                                | The cost of compensatory afforestation<br>for Rs.26,20,200/- has been deposited to<br>National Authority (CAMPA) as per e-<br>challan dated 04.10.2023 and deposited<br>on 11.10.2023 at Annexure-I.                            |
| 3 | increase for works scheduled for subsequent years.<br>All the funds received from the user agency (CA<br>and dwarf plantation cost, NPV, etc) under the<br>project shall be transferred/deposited to<br>Compensatory Afforestation Fund of Arunachal<br>Pradesh State managed by the Ad-hoc CAMPA<br>only through e-portal ( <u>https://parivesh.nic.in/</u> ).<br>Amount deposited through other mode will not be                                                                                                                                  | deposited to National Authority<br>(CAMPA) as per e-challan dated<br>04.10.2023 and deposited on 11.10.2023<br>at Annexure-I.                                                                                                   |
| 4 | accepted as compliance of the Stage-I clearance.<br>The KML files of the area to be diverted, the CA<br>areas, the proposed SMC work, and the WLMF<br>area shall be uploaded on the e-Green watch porta                                                                                                                                                                                                                                                                                                                                             | and the CA areas are uproduced on the c                                                                                                                                                                                         |

|    | with all requisite details before issuing working<br>permission towards linear projects or submitting<br>compliance report for seeking stage II approval, as<br>the case may be.                                                                                                                                      |                                                                                                                                                                                                                             |
| 5  | The compliance report shall be uploaded on e-<br>portal(https//parivesh.nic.in/).                                                                                                                                                                                                                                     | - Noted                                                                                                                                                                                                                     |
| 6  | The boundary of the diverted forest land shall be<br>suitably demarcated on ground at the project cost,<br>as per the directions of the concerned Divisional<br>Forest Officer.                                                                                                                                       | undertaking for this condition. and to be<br>done after final approval by the UA, at                                                                                                                                        |
| 7  | The charges for felling, logging and transportation<br>of project affected trees should be collected from<br>the user agency at the rates approved by the State<br>Govt and deposited with the DFO concerned for<br>utilization immediately following the diversion of<br>forest land.                                | Annexure-II<br>An amount of Rs.1,13,187/- towards cost<br>of felling, logging and transportation of<br>project affected trees of the land<br>proposed for diversion has been<br>deposited directly to the Divisional Forest |
| 8  | The expenditure like boundary walls, stone pillars,<br>demarcation charges, cost of damage of trees the<br>funds on these accounts should, be deposited with<br>the DFO concerned.                                                                                                                                    | LITTIOOR VIIIII DED                                                                                                                                                                                                         |
| 9  | The User Agency shall restrict the felling of trees to<br>minimum number in the diverted forest land and the<br>trees shall be felled under the strict supervision of<br>the State Forest Department and the cost of felling<br>of trees shall be deposited by the User Agency with<br>the State Forest Department.   | The User Agency has submitted<br>undertaking for this condition at<br>Annexure-IV.                                                                                                                                          |
| 10 | The user agency shall explore the possibility of<br>successful translocation of maximum number of<br>trees identified to be felled and shall ensure that any<br>tree felling shall be done only when it is<br>unavoidable and that too under strict supervision of<br>the State Forest Department.                    | The User Agency has submitted<br>undertaking for this condition at<br>Annexure-V                                                                                                                                            |
| 11 | The complete compliance of the FRA, 2006 shall be<br>ensured by way of prescribed certificate from the<br>concerned District collector.                                                                                                                                                                               | The compliance of FRA'2006, may not be required as per MoEF&CC's letter F.No. 11-156/2008 EC dated 27.04.2014                                                                                                               |
| 2  | Violation of any of these conditions will amount to violation of forest(Conservation) Act, 1980 and action would be taken as prescribed in Para 1.21 of Chapter 1 of the handbook of comprehensive guideline of Forest( Conservation) Act, 1980 as issued by this Ministry's letter No. 5-2/2017-Fc dated 28.03.2019. | F.No.11-156/2008-FC dated 27.04.2011<br>The User Agency has submitted<br>undertaking for this condition at<br>Annexure-VI                                                                                                   |

B: Conditions which need to be strictly complied on field after handing over of forest land to the User Agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Statge-II approval:

|   | 1 | Legal  | status | of | the | forest | land | shall | remain | The  | User      | A            | 1        |             |

| 12 | No labour camp shall be established on the<br>forestland and the User Agency shall provide fuels<br>preferably alternate fuels to the labourers and<br>the staff working at the site so as to avoid any<br>damage and pressure on the nearby forest areas;                                                        | The User Agency has submitted<br>undertaking for this condition at Annexure-<br>XVI   |
| 13 | The forest land proposed to be diverted shall<br>under no circumstances be transferred to any other<br>agencies, department or person without prior<br>approval of Govt. of India.                                                                                                                                | The User Agency has submitted<br>undertaking for this condition at Annexure-<br>XVII  |
| 14 | No damage to the flora and fauna of the adjoining area shall be caused.                                                                                                                                                                                                                                           | The User Agency has submitted<br>undertaking for this condition at Annexure-<br>XVIII |
| 15 | The lay out of the proposal shall not be changed<br>without the prior approval of the Central<br>Government.                                                                                                                                                                                                      | The User Agency has submitted<br>undertaking for this condition at Annexure-<br>XIX.  |
| 16 | The concerned Divisional Forest Officer, will<br>monitor and take necessary mitigative measures to<br>ensure that there is no adverse impact on the<br>forests in the surrounding area.                                                                                                                           | Noted                                                                                 |
| 17 | The user agency shall comply all the provisions of<br>the all Acts, Rules, Regulations, Guidelines,<br>Hon'ble Court Order (s) and NGT Order (s)<br>pertaining to this project, if any, for the time being<br>in force, as applicable to the project.                                                             | The User Agency has submitted<br>undertaking for this condition at Annexure-<br>XX    |
| 18 | No additional or new path will be constructed<br>inside the forest area for transportation of<br>construction materials for execution of the project<br>work.                                                                                                                                                     | The User Agency has submitted<br>undertaking for this condition at Annexure-<br>XXI   |
| 19 | The period of diversion under this approval shall<br>be co-terminus with the period of lease to be<br>granted in favour of the user agency or the project<br>life, whichever is less.                                                                                                                             | Noted.                                                                                |
| 20 | The forest land shall not be used for any purpose<br>other than that specified in the project proposal                                                                                                                                                                                                            | The User Agency has submitted undertaking for this condition at Annexure-XXII.        |
| 21 | As per Ministry's letter No. 11-30/96-FC(Pt) dtd.<br>14.9.2001, if the compliance of stipulated<br>conditions is awaited from the State Govt. for<br>more than 5(five) years, the in-principal approval<br>would be summarily revoked considering that the<br>user agency is no longer interested in the project. | Noted                                                                                 |
| 22 | Any other conditions that the Integrated Regional<br>Office, Guwahati, Ministry of Environment,<br>Forest & Climate Change may stipulate from time<br>to time in the interest of conservation, protection<br>and development of Forests & Wildlife.                                                               | Noted                                                                                 |

It is, therefore, requested to kindly issue necessary formal approval for diversion of 11.22 ha forestland for construction of above road under Section-2 of the Forest (Conservation) Act, 1980 at an early date.

Enclosed:- As above

Yours faithfully,

(S.S.Kandpal) Addl. PCCF (Cons) & Nodal Officer (FCA)

Itanagar, dated, 144 Aug'2023

No. FOR.3-234/Cons/2021/4656-60

To The Officer Commanding, 119 RCC (GREF), C/o 99 APO, Pin-930119.

Proposal for diversion of 11.22 ha forest land for construction of foot track from Huri toTappa (0.00 km to 20.44 km) by Border Road Organization in Kurung Kumey District of Arunachal Pradesh. Sub:-

Please find enclosed herewith a copy of letter F. No. 3-AN C/113/2022/GHY/4308-09 dtd. Sir. 31.07.2023, vide which, Govt. of India, Ministry of Environment, Forest & Climate Change, Regional Office, Shillong Sub Office, Guwahati has conveyed in-principle approval for diversion of 11.22 ha forest land for construction of foot track from Huri to Tappa (0.00 km to 20.44 km) by Border Road Organization in Kurung Kumey District of Arunachal Pradesh. You are requested to arrange to transfer the following amounts at an early date to enable this office to submit compliance report for obtaining final approval.

Rs.26,20,200/-

 Compensatory Afforestation over 11.22 ha. as per detailed estimate enclosed

## 2. Cost of NPV over 11.22 ha

## Rs.1,19,99,453/-

Further, you are requested to ensure compliance of all the conditions individually & separately and submit necessary undertakings in respect of relevant items wherever required to this office immediately along with compliance report. It may be noted that non-compliance of conditions individually is one of the most common cause of delay after remittance of amount/money towards compensatory levies.

The amounts mentioned at SI. No. 1 to 2 above totalling Rs.1,46,19,653/- (Rupees one crore forty six lakh nineteen thousand six hundred and fifty three) only is to be deposited by generating challan through online mode on web portal (https://parivesh.nic.in) to the Union Bank of India, Lodhi Complex Branch, Block 11, CGO Complex, Phase-1, New Delhi-110003 (RTGS/IFSC Code No. UBIN0903710) for credit in Account No. Arunachal Pradesh 520101263743426. Beneficiary Name: CAF, Arunachal Pradesh CAMPA. Further, the Certified copy of the receipt etc. of remittance may be sent to this office for further action.

Besides above, an undertaking to the effect that extraction cost of the project affected trees as calculated by the Department of Environment, Forest & Climate Change on the basis of actual number of trees to be felled will be paid by the User Agency may be submitted alongwith the compliance report of stipulated conditions of AIP. The extraction cost of trees actually to be felled is to be worked out by the DFO concerned and to be submitted to this office for approval and after obtaining approval, payment to be made by the User Agency.

Also, it is requested not to break the forest land till final approval of the proposal is granted under the Forest (Conservation) Act, 1980.

Sub: Proposal for diversion of 11.22 ha forest land for construction of foot track from Huri to Tappa (0.00 km to 20.44 km) by Border Road Organization in Kurung Kumey District of Arunachal Pradesh.

Sir,

This has got reference to the State Government's letter No. FOR.3-234/CONS/2021/2179-83 dated 08.06.2022 and No. FOR.3-234/CONS/2021/3735-39 dated 30.06.2022 on the subject seeking prior approval for the Central Government under Section 2 of the FCA, 1980.

2. After careful examination of the proposal of the State Govt and on the basis of the recommendations of Regional Empowered Committee on 21.03.2023 and State Govt letter No. FOR.3-234/CONS/2021/3735-39 dated 30.06.2022 and meeting with Sate Govt on 28.07.2023, "In Principle Approval/Stage- I" clearance of the Central Government is hereby granted for diversion of 11.22 ha forest land for construction of foot track from Huri to Tappa (0.00 km to 20.44 km) by Border Road Organization in Kurung Kumey District of Arunachal Pradesh, subject to the following conditions:

A. Conditions which need to be complied prior to handing over of forest land by the State Forest Department.

- (1) The user agency shall transfer, the Net Present Value (NPV) in the revised rate of the forest land being diverted under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28/03/2008, 24/04/2008 and 09/05/2008 in Writ petition (Civil) No. 202/1995 and as per the guidelines" issued by the Ministry vide letters No 5-3/2007-FC dated 05.02.2009 and File
- No.5-3/2011-FC(Vol-I) dated 21.03.2022. The requisite funds shall be transferred through online portal into CAMPA account of the State concerned;.
- (2) The user agency shall transfer the cost of raising and maintaining the compensatory-afforestation at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through

online portal. The scheme may include appropriate for anticipated cost increase for works scheduled for subsequent years;

- (3) All the funds received from the user agency (CA and dwarf plantation cost, NPV, etc) under the project shall be transferred/ deposited to Compensatory Afforestation Fund of Arunachal Pradesh State managed by the Ad-hoc CAMPA only through e-portal (https://parivesh.nic.in/). Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance.
- (4) The KML files of the area to be diverted, the CA areas, the proposed SMC work, and the WLMP area shall be uploaded on the e-Green watch portal with all requisite details before issuing working permission towards linear projects or submitting compliance report for seeking Stage II approval, as the case may be.
- (5) The compliance report shall be uploaded on e-portal (https://parivesh.nic.in/).
- (6) The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer;
- (7) The charges for felling, logging and transportation of project affected trees should be collected from the User Agency at the rates approved by the State Govt and deposited with the DFO concerned for utilization immediately following the diversion of forest land.
- (8) The expenditure like boundary walls, stone pillars, demarcation charges, cost of damage of trees the funds on these accounts should, be deposited with the DFO concerned.
- (9) The User Agency shall restrict the felling of trees to minimum\_number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.
- (10) The user agency shall explore the possibility of successful translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;
- (11) The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
- (12) Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of Forest (Conservation). Act, 1980 as issued by this Ministry's letter No. 5-2/2017-Fc dated 28.03.2019.
- B: Conditions which need to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage-II approval:

(1) Legal status of the forest land shall remain unchanged.

- (r) coBar pracas es cue tor esc isua sugu i cutatu aucunigede.
- (2) The Compensatory afforestation shall be taken up by the Forest Department over degraded the degraded forest land of 11.22 ha at Kamle Reserved Forest under Hapoli Forest Division within three years from the date of Stage -II Clearance and maintained thereafter by the State Forest Department at the cost of the User Agency. As far as possible, a mixture of local indigenous species shall be planted

W games

- At the time of population of the first Present Value (NPV) at the then prevailing rate, the linest Agency disall fuestion an undertaking to pay the additional amount of NPV. If as determined, as per the final decision of the Hon'ble Supreme Court of India.
- (4) The Eker Agency shall series the barronment Gearance as per the provisions of Rovinsminist (Provident, Ist. 1996, Proguest,
- (5) The their Aquancy shall take all possible precautions & care all the time not to impace adversely the surrounding forests and forest land by their wellows/accivities
- (6) The mean again by will undersaire comprehensive soll and water conservation
- (7) The overloaden shall are be sumped outside the width of the road. The muck generated in the earth cutting will be disposed off at the designated dumping sites and in no case the muck/ setule will be allowed to roll down the hill slopes.
- (8) Wherever possible and technically leasible, the user agency shall undertake afforestation measures along the ruad within the area diverted under this approval, he consultation with the State Forest Department at the project cost.
- (9) The muck dumping area shall be stabilized and plantation of suitable species shall be cardled out over stabilized dumps on the cost of the user agency under the supervision of brate Forest Department.
- (10) The designing of outverts/ bridges, if any, over the natural streams/rivers/canals should be done in such a manner that it does not hamper the natural course of the water, does not give rise to water logging and also does not hamper the movement of the wild animals.
- (11) All the site-specific engineering structures like retaining walls, breast wall and drainage shall be constructed so avoid any soil erosion and to provide slope stability of the concerned hills
- (12) No labour camp shall be established on the forest land and the User Agency shall provide fuels preferably alternate fuels to the labourers and the Staff working at the site so as to avoid any damage and pressure on the nearby forest areas;
- (13) The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or person without prior approval of Govts of India.
- (14) No damage to the flora and fauna of the adjoining area shall be caused;

.

- (15) The lay out of the proposal shall not be changed without the prior approval of the Central Government.
- (16) The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forests in the surrounding area.
- (17) The user agency shall comply all the provisions of the all Acts, Rules, Regulation Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.
- (18) No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
- (19) The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.

(20) The forest land shall not be used for any purpose other than that specified in the"

in the stand all and all and a contract the film.

project proposal.

- (21) As per Ministry's letter No 11-30/96-FC(Pt) dt 14.9.2001, if the compliance of stipulated conditions is awaited from the State Govt for more than 5(five) years, the in-principle approval would be summarily revoked considering that the user agency is no longer interested in the project.
- (22) Any other conditions that the Integrated Sub-office Guwahati, Ministry of Environment, Forest & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife.
- 3. After the receipt of the compliance report from the State Government on fulfillment of the conditions mentioned above, final/stage-II approval of the Central Government, in accordance with Section 2 of the Forest (Conservation) Act, 1980, will be considered. Till the receipt of the Final / Stage-II approval of the Central Government for diversion of the said forest land from this Ministry, transfer of the said forest land to the User Agency shall not be affected by the State Government.
