- I. That the legal status of the forest land will remain unchanged.
- II. That the efforts should be made to fell minimum number of trees and in any case not more than 59 trees shall be felled. Any felling shall only be done under the strict supervision of State Forest Department after issuance of felling permission from concerned DFO and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.
- III. The layout plan of the proposal shall not be changed without the prior approval of the Central Government.
- IV. The forest land shall not be used for any purpose other than that specified in the project proposal.
- V. The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department, or person without approval of the Ministry of Environment, Forest and Climate Change.
- VI. No labour camp shall be established on the forest land.
- VII. Sufficient firewood, preferably by the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel.
- VIII. The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer.
- IX. No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
- X. The User Agency shall pay additional amount of NPV as and when increased by the orders of Hon'ble Supreme Court.
- XI. The User agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.
- XII. No muck will be dumped in the forest land in compliance of the undertaking given by User Agency for utilizing muck on road itself.
- XIII. The user agency shall raise strip plantation on both sides and central verge of the road at the project cost as per IRC specifications with maintenance of seven to ten years.

- XIV. Speed regulating signage will be erected along the road at regular intervals in the Protected Areas/ Forest Areas.
- XV. Any other condition that the Ministry of Environment, Forest and Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests and wildlife.
- XVI. The Ministry of Environment, Forest and Climate Change may revoke/suspend the clearance, if implementation of any of the above conditions is not satisfactory. The State government will ensure compliance of these conditions through Forest Department.

Sir,

In reference to your office letter No. DCK/LA/21/FNO.264/120 Dated 15-06-2021, regarding the subject cited above, a report in this regard was called from FRC of Panchayats Hidyai, Matto-A & B, Pochhal-A2.

Accordingly a meeting under the Chairmanship of Chairperson Sh. Rajinder Kumar, Ashok Kumar, Kriphan Sharma, Tariq Gori respectively was convened on 31-08-2021.

As per the report submitted by the FRA committee of Panchayats Hidyai, Matto-A & B, Pochhal-A2 no Forest right of any villagers is being infringed due to the realignment of the said road.

Hence the detailed factual report along with the report of Gram Sabha/FRC Committee is submitted for your kind perusal and further necessary action at your end please.

Yours Faithfully
