**CERTIFICATION**

**TO WHOMSOEVER IT MAY CONCERN (FORM-1)**

In compliance of the Ministry of Environment and Forest Climate Change (MoEFCC), Government of India's letter No: 11-9/98-FC(pt.) Dated 3<sup>rd</sup> August 2009 wherein the MoEFCC issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 ('FRA' for short) on the forest land proposed to be diverted for non-forest purposes read with MoEFCC letter dated 5<sup>th</sup> Feb 2013 wherein MoEFCC issued certain relaxation in respect of linear projects. It is certified that 0.98 hectares of forest land proposed to be diverted in favour of M/s. Power Grid Corporation Of India Ltd for construction of 400KV D/C Quad Tumkur (Vasantanarsapur) to Yelahanka transmission line in Bangalore Urban District falls within jurisdiction of Sonnenahalli Village(s) in Yelahanka Taluk.

It is further certified that

- The complete process for identification and settlement of rights under the FRA has been carried out for the entire 0.98 hectares of forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee (S), Gram Sabha(S), Sub Division Level Committee(S) and the District Level Committee are enclosed as Annexure 1 to Annexure 3.
- The diversion of forest land for facilities managed by the Government as required under Section 3(2) of the FRA have been completed and the Grama Sabhas have given their consent to it.
- The proposal does not involve recognized rights of Primitive Tribal Groups and Pre-Agricultural Communities.

Dear Sir,

Sub: Diversion of 0.98Ha Deemed Forest land under Forest Conservation Act 1980 for construction of 400kV D/C Quad Tumkur (Vasantanarsapura) - Yelahanka Transmission line – **Demand to comply Forest (Stage 1) clearance – REG**

- Ref:
- Online application for forest clearance no: FP/KA/TRANS/42334/2019
  - Stage 1 forest clearance vide F.No.4-KRB1296/2021-BAN/268 Dt 16.07.21
  - Corrigendum to Stage 1 clearance vide F.No.4-KRB1296/2021-BAN/577 Dt 08.09.21
  - DCF Bangalore urban demand for Stage 1 compliance dated 18.01.22
  - File No. KFD/HoFF/A5-4(GFL)/90/2019-FC (E-161164) dated 29.01.22

In-Principal (Stage 1) Forest clearance for the subject line is accorded by the Regional Ministry of Environment, Forest & Climate Change (RMOEFCC), GoI, Bangalore vide ref (ii) and (iii) above. In response a demand was received from DCF, Bangalore urban vide ref (iv) above with a total cost of Rs.32.42lakhs towards NPV, Penal NPV and plantation cost; copy enclosed. The same was uploaded online for your kind concurrence for a total amount of Rs.32.42 lakhs, however vide ref (v) the same was returned seeking a detailed report on violation & revise NPV as per revised rates of MoEFCC, GoI.

**In the letter referred at Sl.no (v) explanation was sought for violation of FCA in the construction of transmission line, following details are submitted for your kind perusal and consideration:**

The subject project 400kV D/C transmission line from Madhugiri, Tumkur District to Yelahanka, Bangalore Urban District, Karnataka was envisaged by Ministry of Power, Govt of India under the Southern Region Grid Strengthening Scheme # 13; in the year 2009 for execution by POWERGRID. Copy of approval at Annexure-1. This project was envisaged to ameliorate the power scenario of southern states and further strengthen the National Grid. This project is crucial to meet the power requirement of Karnataka in general and Bangalore city in particular.

The route alignment for this line was finalized after detailed survey, thereby avoiding forest areas enroute in consultation with local forest officers during the year 2012-13. Subsequently, construction work was commenced, however, the work was stalled from 2014 to December 2017 due to stiff Right of Way problems from the public in Tumkur & Bangalore Urban districts. After initiation of few works like detailed survey and casting few foundations no further activities could be taken up by POWERGRID. Then, with the intervention of state & district administrations the work was re-commenced in 2018 after a gap of 4years.

Completion of this transmission line was essential to cater to the ever-increasing needs of Bangalore. The severe power crisis looming Bangalore city has put tremendous pressure on all the authorities involved; by Government of India (GoI) and Government of Karnataka (GoK). To complete this long pending transmission line several review meetings were held by the Hon'ble Prime Minister's Office with The Chief Secretary, Govt of Karnataka under PRAGATI, copy of project review meeting minutes are enclosed for ready reference at Annexure-2.

Consequent to thorough review by Chief Secretary, GoK with Deputy Commissioners & POWERGRID, a procedure was evolved wherein revenue department shall do the line survey and submit details of ownership with extent of land affected along the route. Based on this compensation will be released by POWERGRID as per notified rates of DC's. This revenue survey also has not revealed any involvement of forest or deemed forest in the line route.

After erection of towers (30/5 & 31/0) on private non forest lands in Sonnenahalli Village, Bangalore Urban district in Sep'19, and when the project was on the verge of completion, it was informed by forest department that the plantation area (Survey No. 79/P1) between these towers is under notification to become a 'Deemed Forest'. As per RTC this survey number is a revenue / govt. land, copy of RTC is at Annexure-3.

It is pertinent to mention that there are NO towers in this proposed deemed forest, only the transmission line connecting the 2 towers in non-forest land passes above (air space) deemed forest (mid length 213m & row 46m) measuring 0.98Ha, an indicative sketch is enclosed at Annexure-4. *Here, only conductor wire passes above at a height of 10meters; on the fringes of deemed forest / without tree felling / without any construction work causing physical disturbance / damage to / in the deemed forest. Hence, as such no violation of FCA was intended.*

Further, it is submitted that POWERGRID has been obtaining all the clearances with due compliance to all provisions of Forest Conservation, the subject case of violation in AIRSPACE has occurred inadvertently, and as such it to reiterate that due care will be taken to prevent such error of judgement in future projects.

Therefore, we request your good self to kindly condone the above violation in the interest of public purpose of the line and allow us to comply with the Forest (Stage-1) clearance conditions by depositing the applicable charges and get Final (Stage-2) clearance.

Thanking you,

Yours truly,

Sub: Prior Approval of the Government under Section 68 of the Electricity Act, 2003 for System Strengthening in Southern Region-XIII.

Sir,

I am directed to refer to PGCIL's letter no. C/CP/SR-III dated 12.10.2009 on the above subject and to convey the prior approval of the Central Government under sub-section (1) of Section 68 of the Electricity Act, 2003 with the following scope of works for System Strengthening in Southern Region-XIII as agreed by the constituents of Southern Region in 28<sup>th</sup> and 29<sup>th</sup> meetings of the Standing Committee on Power System Planning in Southern Region and subsequently in the 10<sup>th</sup> and 11<sup>th</sup> meetings of Southern Region Power Committee:

- Establishment of new 400/220 kV substation at Madhugiri with 2x500 MVA transformers with provision of establishing a 765 kV substation in future in the same switchyard.
- Gooty-Madhugiri 400 kV D/C line
- Madhugiri-Yelahanka 400 kV D/C Quad line.

The approval is subject to compliance of (a) the requirement of the relevant provisions of the Electricity Act, 2003, as amended from time to time and the rules and regulations framed there under and (b) the rules governing the overhead lines as specified in the Indian Electricity Rules, 1956 till they are substituted by corresponding rules framed under the Electricity Act, 2003.

This approval is also subject to the following conditions:

- The implementing agency will commence construction of the project within 3 years, unless this term is extended by the Ministry of Power.
- Ministry of Power may withdraw the approval before the expiry of the period of 3 years after giving a one-month notice.

Yours faithfully,

**Proceedings of the Meeting chaired by Chief Secretary to Government held on 5-10-2018 at 2.30 PM regarding Transmission projects of Power Grid Corporation of India (PGCIL)**

Members Present: List attached.

1. Chief Secretary welcomed the officers present and also the officers participating through Video Conference. CS informed that in future all District officers will participate in the meeting through Video Conference. The progress from the last meeting held on 22-9-2018 was reviewed.
2. CS expressed concern that even after the survey for identification of the affected land owners is completed, the survey reports are not being approved by the concerned Tahlsidars and sent to PGCIL for payment of compensation. DCs to issue instructions that the approved survey reports have to be sent to PGCIL as expeditiously as possible.
3. Chief Secretary directed the DC's to ensure that the Surveyors allotted for the work of PGCIL should not be allotted regular work till the PGCIL work is completed.
4. Dharmapuri – Somanahalli 400 kV line :-
  - Tower erection in 2 locations in Mantapa village has been completed on 4-10-2018. Stringing is required to be done. There is a dispute between 2 land owners regarding the route to be taken for stringing. DC, Bengaluru Urban to hold a meeting with the concerned land owners and decide, if there has to be any deviation. If no consensus between the land owners is achieved, then the stringing work in the present route should be taken up after one week and completed in four days. Police to provide necessary support.
  - The survey report of Thammanayakanahalli, 2.5 kms has been received. However, there is dispute reg. ownership in 1 km stretch. DC informed fresh phodi has to be done as per the

existing land conditions. Then this will take about 20 days. CS directed, DC to allow PGCIL to do the stringing pending phodi and identification of land owners for payment of compensation. PGCIL to deposit the amount with DC who will make the payment after identification of affected land owners.

- PGCIL to take up erection of 2 towers in Tharalu village in Bengaluru South Taluk from 6-10-2018. DC, Bengaluru Urban and SP, Ramanagara to provide necessary support.
- ED, PGCIL assured that with the support of Police and Revenue, the work can be completed by the end of November 2018.

5. Madhugiri –Yelahanka 400 kV line :

- Out of 18 villages in Bengaluru Rural district, corridor survey is completed in 3 villages. DC, Bengaluru Rural assured that In another 4 villages, the survey will be completed by 6<sup>th</sup> and in 9 villages in another 1 week. The entire survey will be completed by 26-10-2018 and reports sent to PGCIL.
- DIn Tumkur district, survey has been completed and reports are yet to be sent to PGCIL. DC, Tumkur assured that the reports will be submitted by 6-10-2018.
- In Bengaluru Urban district, survey of 6 kms has to be completed. DC, Bengaluru Urban informed that surveyors have been deployed and the work will be completed before 26-10-2018.
- ED, PGCIL assured that the work will be completed by the end of December 2018, if the support given by DC and Police continues.

6. Madhugiri (Tumkur) –Dharmapuri 765 kV line (Via-Bengaluru Rural / Chickballapur / Ramanagara ) :

- The entire erection and stringing work has been completed. Final sag work and installing spacers is going on.

*mm*

- In Hoskote taluk, Nandagudi hobli, the land owners are obstructing the work mainly due to internal disputes. DC, Bengaluru Rural assured that necessary support from the Police will be provided.
- In Doddaballapur taluk, in Gantiganahalli village, the land owners are obstructing the work of putting spacers. Only one day's work is remaining. DC, Bengaluru Rural assured that necessary support will be provided by the Police to complete the work.
- In Kolala hobli in Koratagere taluk, Tumkur district a few land owners are not allowing for cutting of the trees though the compensation has been paid and the original trees cut. Now some trees have grown and farmers are demanding compensation again. SP, Tumkur to support for removal of the tree growth.
- ED, PGCIL assured that the work will be completed by 12<sup>th</sup> October 2018. SP and DC Bengaluru Rural and Tumkur to provide necessary support so that the work can be completed and commissioned by 12<sup>th</sup> October 2018.

7. Madhugiri – Dharmapuri 765 kV line (Via-Tumkur and Ramanagara) :

- The work in Bellavai village of Tumkur taluk has been completed. In Kallipalya village, work is being executed with Police protection. SP, Tumkur to provide continuous support to complete the work.
- ED, PGCIL assured that the work will be completed by 20<sup>th</sup> October 2018 and commissioned by 15<sup>th</sup> November 2018.

8. Kadapa – Madhugiri 400 kV Transmission Line

- The work is pending in only Tumkur taluk. Foundation work in 3 locations and erection in 6 locations is under progress. PGCIL requested for continuous support from Police and District administration for taking up the

*mm*

remaining 16 locations. CS directed, SP and DC, Tumkur to provide necessary support.

- PGCIL informed that there is delay in stringing as BESCOM has not been providing 11 kv shut down. CS directed, D(T), BESCOM to coordinate the PGCIL and provide the shut downs as required by the PGCIL.
- PGCIL assured that necessary support, 4 kms will be completed in October and the remaining 6 kms by end of November and the line will be commissioned by end of November, 2018.

#### 9. Pavagada – Devanahalli 400 KV Transmission Line

- Compensation order has been issued by DC on 26-09-2018.
- Police protection may be required for commencement of work. PGCIL will start the work from 10-10-2018. CS directed DC, Chickballapur to provide necessary support from the Police.
- In Tumkur district, the line passes through solar park lease lands. Out of 18 locations, 4 locations are cleared. DC, Tumkur to finish the survey and identify the land owners, so that PGCIL can pay the compensation. Wherever compensation has been paid, work should be allowed to be done by PGCIL.
- The work in Bengaluru Rural district will be taken up after Chickballapur district. DC, Bengaluru Rural to identify the necessary surveyors required for this work.

#### 10. 400 KV – Mysuru-Hiriyur Double Circuit Line:

- The line passes through Chitradurga, Tumkur, Hassan, Mysore and Mandya districts. So support is required from the district administration in all the districts.
- In Chitradurga district 6 surveyors have been deployed. AC, Chitradurga informed that survey for 9 kms has been completed. He assured that the entire survey will be completed within 3 weeks. CS has directed that the survey work should be done on priority and the reports sent to PGCIL immediately.

- 1444
- In Hassan district, the line passes through 64 villages. DC informed that 10 surveyors have been allotted. The survey in 31 villages have been completed. The survey in Arasikere taluk will be completed by 16<sup>th</sup> October. The survey in entire Hassan district will be completed in 10 days and sent to PGCIL.
  - In Mandya district, out of 8 villages, survey has been completed in 6 villages. ADC, Mandya assured that 4 surveyors have been allotted for this work and the survey will be completed by 10<sup>th</sup> October 2018.
  - In Mysore district, only 5km survey is remaining in Mysore taluk. AC, Mysore informed that there is opposition and therefore survey has not been taken up. CS directed that DC Mysore should hold a meeting with the land owners and thereafter provide necessary support to the PGCIL to complete the work.
  - CS directed that the survey work has to be finished in all the Districts before 16<sup>th</sup> of October. The work in disputed area in Mysore district should be taken up immediately after Dasara. CS directed that Forest dept. to expedite the assessment.
  - Necessary support and police protection has to be given in these districts for execution of the work.

#### 11. Issues relating to KPTCL :

- Dy. Commissioner, Bengaluru Urban informed that the compensation for the approach roads has been finalized.
- The Govt. Order for providing alternate land for Huskur sub-station has been issued on 5-10-2018.
- For the Inter National Airport Vidyanagar line, DC, Bengaluru Urban requested time from CS to hold a further meeting with the land owners. He assured that he will resolve the issue in another week's time.
- The transmission line work at EPIP is progressing with the support of Police. DC has written to Police Commissioner to provide necessary protection for the work. Additional

Commissioner of Police promised to give necessary support.  
Police Commissioner and DC to ensure continuous support.

- Somanahalli – Malur line

KPTCL has issued Notice to the India International School to deposit the amount or the work will be taken up and amount recovered as arrears of land revenue.

Prepared estimate for the deviation of line with an estimated cost of 8.5 crores. It was unanimously decided after discussion that notice to be issued to the land owner, so that the work can be taken up under deposit contribution work as the land owner is not willing to work under self execution basis. If the land owner does not deposit the money then the work should be taken up by KPTCL and the amount recovered as arrears of land revenue.

12. Next meeting to be held to review the progress will be held on 27-10-2018 at 2.30 p.m. at Chambers of CS. Officers of all Districts to attend through Video Conference.

Dated the 16<sup>th</sup> July, 2021

To

The Additional Chief Secretary to Government of Karnataka,  
Forest, Ecology & Environment Department,  
M.S. Building, Dr. Ambedkar Veedhi,  
Bangalore – 560 001.

Subject: Diversion of 0.98 ha. of forest land in Sy.No. 79/P1 of Sonnehalli village, Hesaragghatta Hobli, Bengaluru North (Additional) Taluk, Bengaluru Urban District for construction of 400 KV D/C Quad Tumkur (Vasantapura) to Yelahanka Transmission Line in Bengaluru Urban District (and Forest Division) in favour of Chief Manager, Power Grid Corporation of India Limited Southern Region Transmission System (SRTS) -II Regional Headquarters, Singanayakanahalli, Yelahanka Hobli Bengaluru -regd.

Sir,

I am directed to refer to the State Government's letter No.FEE22FLL2021 (e) dated 01/06/2021 seeking prior approval of the Central Government under Section '2' of the Forest (Conservation) Act, 1980 for the above project. In this regard, the area proposed for diversion was inspected on 05.07.2021 by the official of this office and it was noticed that stringing operations are already carried out in this area in an approximate length of 200 mtr. in violation of the Forest (Conservation) Act, 1980.

After careful examination of the proposal of the State Government, **in-principle approval /Stage-I clearance** of the Central Government is hereby granted for diversion of 0.98 ha. of forest land in Sy.No. 79/P1 of Sonnehalli village, Hesaragghatta Hobli, Bengaluru North (Additional) Taluk, Bengaluru Urban District for construction of 400 KV D/C Quad Tumkur (Vasantapura) to Yelahanka Transmission Line in Bengaluru Urban District (and Forest Division) in favour of Chief Manager, Power Grid Corporation of India Limited Southern Region Transmission System (SRTS)-II Regional Headquarters, Singanayakanahalli, Yelahanka Hobli, Bengaluru subject to the following conditions:-

**A: Conditions which need to be complied prior to handing over of forest land by the State Forest Department.**

1. The User Agency shall transfer online, the Net Present Value (NPV) of the forest land being diverted (0.391 ha) under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC

dated 05.02. 2009. The requisite funds shall be transferred through online portal into CAMPA account of the Karnataka.

2. Cost of raising plantation (including ten years maintenance) of ten times number of trees to be felled shall be realized from user agency towards compensatory afforestation.
3. Location of the area (map with DGPS coordinates) identified for raising the plantations shall be furnished along with compliance report.
4. The User Agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.
5. Since the User Agency has violated the provisions of F(C) Act, 1980, penalty for violation shall be realized from User Agency as specified under para 1.21 (ii) (a) & (b) of the Comprehensive Guidelines issued by Ministry vide letter No.5-2/2017-FC dated 28/03/2019.
6. State Government will initiate disciplinary action against the official concerned for not being able to prevent use of forest land for non-forestry purpose without prior approval of Government of India.
7. User agency responsible for violation shall be prosecuted under local Act of the State for unauthorized use of forest land without the permission of State authority.
8. All the funds received from the user agency under the project shall be transferred/deposited in CAMPA account only through e-portal (<https://parivesh.nic.in/>). Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance.
9. The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).
10. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
11. The boundary of the diverted forest land shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS co-ordinates.
12. Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of Forest (Conservation) Act, 1980 as issued by this Ministry's letter No. 5-2/2017-FC dated 28.03.2019.

**B: Conditions which need to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form**

of undertaking shall be submitted prior to Stage-II approval:

1. Legal status of the diverted forest land shall remain unchanged.
2. At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
3. Tree felling shall be restricted to the barest minimum possible and under confirmation from the local forest officials.
4. The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.
5. The forest land shall not be used for any purpose other than that specified in the project proposal.
6. The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government.
7. No damage to the flora and fauna of the adjoining area shall be caused.
