The letter regarding this proposal has been received by this office as per the reference dates. We have informed the concerned office that a detailed inquiry regarding the proposal needs to be conducted since the land falls in to the Forest Department Jurisdictions. It was requested that the site be inspected and a clear report be submitted to this office. Both the Tehsildar of Palus and the Tehsildar of Kadegaon were informed to submit their reports. According to the Tehsildar Palus' letter No. jamin/Kavi/714/2024 dated 8/7/2024, the minutes of the Gram Sabha and the updated 7/12 extracts for Gat No. 119 have been included in the case. However, since the Forest Rights Committee is not constituted at the taluka level, the minutes of its meeting have not been submitted. Additionally, according to Tehsildar Kadegaon's letter No. Zamin/Kavi/324/2024 dated 5/7/2024, a report along with a Panchnama has been submitted to this office. Upon reviewing the said report, the following facts have been observed:

The proposal to construct railings and black stone steps from Zari Parshwanath Digambar Jain Temple to Giri Parshwanath Temple, covering Mauje Kundal and Kumbhargaon Gat No. 119 and Gat No. 127 respectively, has been submitted by the National President of the Bharatvarshiya Digambar Jain Pilgrimage Committee, Mumbai. Following an inspection of the area by the concerned officers, it was found that there are no expected encroachments by Scheduled Tribes or other traditional forest dwellers in the area. Based on the reports from Tehsildar Palus and Tehsildar Kadegaon, it has been confirmed that there are no objections to proceed with the proposed construction. Appropriate actions can now be taken in line with the applicant's request.
