**Compliance:-**The RCCF, Rourkela Circle has reported that an area of 183.610 Ac. or 74.304 ha of land has been leased out by the IDCO in favour of M/s JSW Utkal Steel Ltd. vide registered lease deed No.11031800324 dated 23.06.2018 as per Hal record. The leased out area of 183.610 Ac. or 74.304 ha comes under Non-forest category as per Hal record. But subsequently, it was ascertained by the User Agency from the Tahasildar, Barbil vide Letter No. 4737 dated 23.10.2018 of Tahasildar Barbil that out of 74.304 ha of leased out land, 20.269 ha is found to be recorded as forest as on 25.10.1980 (Sabik Forest).

As per the Hal record, published during the year 1982-83 all the lands stood recorded as non-forest land. As per letter No.4822 dated 12.02.2015 of the Chief Secretary, Government of Odisha inter alia states that "if any entry in the RoR is altered in subsequent RoR, the later has to be presumed to be correct until it is proved by evidence to be incorrect, but the previous entry can be admissible as evidence of facts existing at the time such entry was made. In case required for a project, the status of land classified as 'forest' on 25.10.1980 is to be diverted for non-forest use after obtaining prior approval of Central Government as per provision of the FC Act." All lease deeds between M/s Crackers India Alloys Ltd and IDCO were executed much prior to the notification dated 12.02.2015. The land while under possession of M/s Crackers India Alloys Ltd, M/s JSW Utkal steel ltd. proposed to set up a Grinding and Desliming(Beneficiation) plant at the same location and having reached a consensus among both the Parties, approached IDCO to allow the transfer of the land from M/s Crackers India Alloys Ltd, to M/s JSW Utkal Steel

1166

ltd. The IDCO vide their letter No.12878 dated 21.06.2018 permitted the transfer these patches of land for the balance period of lease (Copy enclosed as **Annexure- VIII**). Thus, this is not a new/fresh lease as referred under Section-2 of the FC Act. but transfer of already leased out land from one Project Proponent to another Project Proponent for the balance period. Further, no work on ground has been started by JSW USL as reported by the DFO, Keonjhar.
