Stage-I Compliance Report – Rajasthan project (FP/RJ/ROAD/37034/2019)

Sl.	Stage-I points	NHAI Compliance
1	Legal Status of the forest land shall remain unchanged.	In Compliance
2	Compensatory afforestation shall be taken up by the Forest Department over 127.5152 ha degraded forest land (Compartment/Khasra No. 1 Village Chak 329.700 RD & 244 RD, Tehsil Lunkaransar, District-Bikaner), (Compartment/Khasra No. I, Village Sonari Meghsinghpura, Tehsil Nohar, District Hanumangarh), (Compartment/Khasra No. 3PPN, Village 3PPN, Tehsil Suratgarh, District-Sriganganagar) at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.	In Compliance as per the approved CA scheme of GoR.
3	The cost of compensatory afforestation at the prevailing wage rate as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.	In Compliance as per the approved CA scheme and demand notes raised by concerned DCF's. CA, NPV, Pillar fixing cost, etc already deposited by NEFT/DD as per Annexure-1 in CAMPA account and respective DCF offices
4	The State Government shall charge the Net Present Value (NPV) for the 63.6807 ha. forest area to be diverted under this proposal from the user agency as per the orders of the Hon'ble Supreme Court of India dated: 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in IA No. 566 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1998-FC (Pt.II) dated: 18.09.2003, as well as letter No. 5-2/2006-FC dated: 03/10/2006 and 5-3/2007-FC dated: 05/02/2009 in this regard.	In Compliance as per the approved CA scheme and demand notes raised by concerned DCF's. CA, NPV, Pillar fixing cost, etc already deposited by NEFT/DD as per Annex-1 in CAMPA account and respective DCF offices

5	Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.	Undertaking Furnished Annexure-2
6	User agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.	In Compliance
7	As far as possible maximum number of trees shall be translocated according to detailed scheme for translocation of suitable plants prepared in consultation with the State Forest Department and the cost for the same shall be borne by the User Agency.	In Compliance
8	Road side plantation shall be done according to a scheme for Road side plantation as per IRC norms prepared in consultation with the State Forest Department and the cost for the same shall be borne by the user Agency.	In Compliance
9	The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.	FRA Certificate of Bikaner (39.9826 Hactare) is Attached herewith and for Hanumangarh and Sri Ganganagar will be submitted at the earliest. (Annexure-7)
10	User agency shall raise strip plantation on both sides and central verge of the road as per the IRC norms.	In Compliance
11	Speed regulating signage will be erected along the road at regular intervals in the Protected Areas/Forest Areas.	In Compliance

बैठक का कार्यवाही विवरण

पर्यावरण वन एवं जलवायु परिवर्तन मंत्रालय, भारत सरकार के पत्र सं. 8बी/राज/06/19/2015/एफ.री/201 दिनांक 2.6.2015 एवं प्रशासनिक सुधार विभाग (अनुभाग-3) राज. जयपुर की आज्ञा क्रमांक: प.6(14)प्रसु/अनु-3/2008(1) दिनांक 14.3.2008 द्वारा अनुसूचित जन जाति और अन्य परम्परागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 एवं एवं नियम 2008 द्वारा गठित उपखण्ड स्तरीय समिति की बैठक आज दिनांक 22.10.2020 को प्रातः 10.30 बजे अधोहस्ताक्षरकर्ता की अध्यक्षता में कार्यालय कक्ष में सम्पन्न हुई। बैठक में निम्नलिखित अधिकारीगण एवं सदस्यगण उपस्थित हुए :-

1. श्री सुनिल छाबड़ा, विकास अधिकारी, पंचायत समिति, बीकानेर
2. श्रीमति सुमन शर्मा तहसीलदार, बीकानेर
3. मंडल वन अधिकारी, बीकानेर
4. श्री बजरंग पुरोहित ग्राम विकास अधिकारी नौरंगदेसर
5. श्री रामनिवास ग्राम सेवक ग्राम विकास अधिकारी खारा

बैठक में अनुसूचित जन जाति और अन्य परम्परागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 एवं एवं नियम 2008 के अन्तर्गत निम्नांकित प्रकरण बैठक में विचारार्थ रखा गया :-

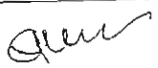

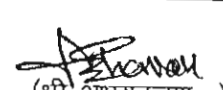

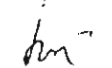

वन भूमि प्रत्यावर्तन वास्ते-भारतमाला परियोजना हेतु बीकानेर जिले में 6/4 लेन किमी 0.300 से 252.500 संगरिया-रासीसर एनएच-754के निर्माण के संबंध में रक्षित वनक्षेत्र के अनुसूचित जनजाति और अन्य परम्परागत वन निवासी (वन अधिकारों के मान्यता) अधिनियम 2006 एवं नियम 2008 के तहत अनापत्ति प्रमाण पत्र जारी करने हेतु भारतमाला परियोजना द्वारा जिला कलक्टर महोदय बीकानेर के समक्ष प्रार्थना पत्र प्रस्तुत किया गया जो पत्रांक एफ. 8-10/राजस्व/वन/प्रत्या./19/2165-66 दिनांक 16.06.2020 द्वारा इस कार्यालय को प्राप्त हुआ।

ग्राम पंचायत नौरंगदेसर के प्रस्ताव सं. 20 दिनांक 20.10.2020 के अनुसार बैठक में वनाधिकार समिति ग्राम पंचायत नौरंगदेसर द्वारा वन भूमि प्रत्यावर्तन के लिए फोरेस्ट राइट एक्ट 2006 के तहत वन भूमि प्रत्यावर्तन वास्ते भारतमाला परियोजना हेतु बीकानेर जिले में 6/4 लेन किमी 00.300 से किमी 252.500 संगरिया-रासीसर निर्माण हेतु अनापत्ति जारी कर सेहमति व्यक्त की है। उक्त भूमि पर किसी भी जनजाति अथवा कृषक समुदायके हित प्रभावित नहीं होते हैं। ग्राम पंचायत नौरंगदेसर की वनाधिकार समिति को कोई आपत्ति नहीं है का प्रमाणपत्र सर्व सम्मति से अनुमोदित किया गया।

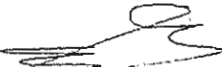

ग्राम पंचायत नापासर के प्रस्ताव सं. 8 दिनांक 20.10.2020 के अनुसार बैठक में वनाधिकार समिति ग्राम पंचायत नापासर द्वारा वन भूमि प्रत्यावर्तन के लिए फोरेस्ट राइट एक्ट 2006 के तहत वन भूमि प्रत्यावर्तन वास्ते भारतमाला परियोजना हेतु बीकानेर जिले में 6/4 लेन किमी 00.300 से किमी 252.500 संगरिया-रासीसर निर्माण हेतु अनापत्ति जारी कर सेहमति व्यक्त की है। उक्त भूमि पर किसी भी जनजाति अथवा कृषक समुदायके हित प्रभावित नहीं होते हैं। ग्राम पंचायत नापासर की वनाधिकार समिति को कोई आपत्ति नहीं है का प्रमाणपत्र सर्व सम्मति से अनुमोदित किया गया।

अतः भारतमाला परियोजना द्वारा बीकानेर जिले में 6/4 लेन किमी 003.00 किमी से 252.00 किमी संगरिया-रासीसर एनएच-754के के निर्माण हेतु सर्वसम्मति से अनापत्ति प्रमाण पत्र जारी करने हेतु नियमानुसार अनुसंज्ञा की जाती है।

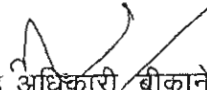

अतः वनाधिकारी समिति की बैठक सर्व सहमति से सम्पूर्ण हुई। उक्त समिति के सदस्यों द्वारा प्रकरणों में कोई आपत्ति नहीं दर्ज करवाई गई। अतः रिपोर्ट श्रीमान जिला कलक्टर महोदय बीकानेर को बाद बैठक के आगामी आवश्यक कार्यवाही हेतु सादर प्रेषित है।

To

The General Manager (Environment-II)
National Highways Authority of India
Ministry of Road Transport and Highways
G-5 & 6, Sector-10, Dwarka
New Delhi - 110 075

Sub: Construction of 6-lane expressway of length 249.195 Km from chainage 3.305 km near 3SBN village, district Kota, Rajasthan to chainage 252.500 near Rasiser village, Bikaner district, Rajasthan under Bharatmala Pariyojana by M/s National Highways Authority of India - **Environmental Clearance regarding.**

Sir,

This has reference to your letter no. 1013/1/2k/Env./603 dated 6th February, 2019 submitting the above proposal online to this Ministry on 6th February, 2019 and subsequent clarifications vide letter dated 14th February, 2019, 19th February, 2019, 29th January, 2019 and 4th April, 2019, for seeking of Environmental Clearance in term of the provisions of the Environment Impact Assessment (EIA) Notification, 2006 under the Environment (Protection) Act, 1986.

2. The above mentioned proposal was considered by the Expert Appraisal Committee (EAC) for Infrastructure, CRZ and other Miscellaneous projects, in its 208th meeting held on 19-20 February, 2019.

3. The project proponent along with the EIA consultant M/s Enviro Infra Solutions Private Limited, Ghaziabad, made a presentation and provided the following information before the Committee:

- (i) The proposal involves the construction of a new 4/6 lane expressway connecting Haryana-Rajasthan Border to Rasiser in Bikaner district, Rajasthan. The proposed alignment is a 249.195 km stretch which lies in North-West region of Rajasthan. The alignment starts from chainage 3.305 km near 3SBN village, district Kota, Rajasthan and terminates on National Highway - 62 at chainage 252.500 near Rasiser village, Bikaner district, Rajasthan.
- (ii) **Land use of the site and around the site up to 10 km radius:** The prominent Land use pattern on 10 km on either side of the project road is

NHAI, PIU, Hanumangarh

predominately agriculture followed by fallow, wastelands, forest and few habitations.

- (iii) **Land Acquisition and Proposed RoW:** The land acquisition for the proposed alignment is approximately 1954 ha, out of which 72.8626 ha is forest land. The proposed RoW of the project is 70 m.
- (iv) **Water bodies, diversion if any:** Total 5 canals, 1 river, 9 drains, 10 Nalahs, 1 dry distributary and 5 ponds will be impacted due to the proposed highway.
- (v) **Waste Management:**
- (a) **Water requirement, source, status of clearance:** The peak water requirement is 16,000 KLD during construction stage and will be extracted from local surface water resources i.e. from nearby canals after getting necessary permission from concerned authority. The work will be executed through contractor and will be furnished at EC compliance stage.
- (b) **Waste water quantity, treatment capacity, detail:** 82 KLD Waste water shall be generated and shall be disposed through soak pits.
- (c) **Recycling / reuse of treated water and disposal:** Waste water shall be disposed through soak pits.
- (d) **Solid Waste Management:** 600 kg/day (approx.) during construction phase and 75 kg/day (approx.) during operation phase. Bio degradable waste shall be disposed through bio composting and other waste through landfill site.
- (e) **Hazardous Waste Management:** The hazardous waste generated during construction period will be disposed off as per applicable rule.
- (vi) **Tree cutting, types, numbers, girth size etc.:** The alignment will involve cutting of around 5200 trees.
- (vii) **Rehabilitation involved if any:** The Project requires approx. 1716.65 ha of land. Total 122 structures are coming in the proposed RoW. The land will be acquired as per procedure laid down in RFCT LARR Act, 2013.
- (viii) **Whether the project is in Critically Polluted area:** No.
- (ix) **If the project involves diversion of forest land, extend of the forest land:** Total 72.8626 ha of forest land is proposed for diversion, considering ROW 70m. The proposal for forest clearance has been submitted online vide Proposal No: FP/RJ/Road/37034/2018 dated 19.01.2019.
- (x) **Waste water generation, treatment and disposal:** Not Applicable.
- (xi) **Rain Water Harvesting:** Rainwater harvesting structures shall be provided near the disposal point of the side drains as prescribed by CGWB guidelines.
- (xii) **National Park/ Wild Life Sanctuary in 10 km radius area and Eco-Sensitive Zone in 10 km radius area:** The proposed alignment does not pass through any Wildlife Sanctuary/National Park and its eco sensitive zone. As per information provided by APCCF and Chief Wildlife Warden, Rajasthan, Jorbeer Conservation Reserve is located within the 10 Km radius of the proposed alignment and covers approximately 25 Km length of the proposed alignment.

(xiii) **Investment/Cost of the project:** INR. 4020 Crores.

(xiv) **Benefits of the project:-**

- The proposed project would act as the prime artery for the economic flow to this region.
- Enhanced connectivity between rural & urban population which will benefit the all sections of the society like general population, small-medium-large scale industries, farmers, businessmen etc.
- Improved access to higher education facilities & modern health facilities.
- Strengthening of both rural & urban economies which in turn will improve economic scenario of the state and country.
- Faster transportation will strengthen tourist development in the area.
- Improved road connectivity helps in better implementation and management of government schemes.
- With improvement in economy, more generation of employment opportunities.

(xv) **Employment potential:** During the construction of the road project around 1200 persons would be employed temporarily for a period of 2 years. However due to construction of toll plazas, approx. 150 persons will be employed on permanent basis. Preference will be given to local people for employment.

(xvi) **ToR Details:** The ToR for the project was granted vide letter No.10-53/2018-IA.III dated 12th September, 2018.

(xvii) **Public Hearing:** Public Hearing was conducted at:

- 21st January 2019 at Collector Office, Hanumangarh.
- 25th January 2019 at Atal Seva Kendra Gram Panchayat Thethar, Tehsil Suratgarh, District Sri Ganganagar.
- 31st January 2019 at Collector Office Auditorium, Bikaner.

Major issues raised during the public hearing and response of project proponent are:

S No	Issues raised	Response of PP
1	Give compensation as per rate of Haryana – Punjab and not as per DLC rate or four times the rate of market. Give compensation of remaining land which is left over after acquired land	Land acquisition proceedings and compensation amount will be given as per provisions of Land Acquisition Act 2013
2	Land is divided into pieces due to land acquisition and as result of which irrigation facilities and movement across the remaining land will be affected.	Suitable and proper arrangements will be made for the affected irrigation and movement facilities due to this proposed road project.
3	How sand will be picked up during road construction?	During road construction, sand will be tested at fixed places and after taking permission from concerned authority / officer, sand will be picked up.
4	Plantation being done on both sides of road should include Kejri trees and not	As per Green belt project, Safeda trees are not planted on both sides of

	Safeda trees so that land is not harmed.	the road.
5	Tree cutting should be minimum and misuse of well water should not be done in the construction of road.	Trees other than those that are coming under the proposed project will not be harmed.

(xviii) If any court case pending for violation of the environmental laws: No.

4. The EAC, in its 208th meeting held on 19-20 February, 2019, has recommended the project for grant of Environmental Clearance for the development of the said project, subject to compliance of all generic conditions applicable for such projects, and the additional conditions as mentioned below. As per recommendations of the EAC, the Ministry of Environment, Forest and Climate Change hereby accords Environmental Clearance to the project **'Construction of 6-lane expressway from chainage 3.600 km near 3SBN village, district Kota, Rajasthan to chainage 252.500 near Rasiser village, Bikaner district, Rajasthan under Bharatmala Pariyojana by M/s National Highways Authority of India'**, under the provisions of the EIA Notification, 2006 and subsequent amendments/circulars issued thereon, and subject to the specific and general conditions as under:

PART A - SPECIFIC CONDITIONS

- This Environmental Clearance is subject to outcome of court cases pending against the project proponent at Hon'ble Supreme Court of India / High Court / other courts, if any.
- The recommendations of Cumulative Impact Assessment studies shall be implemented under intimation to the Ministry and its Regional Office concerned.
- The alignment passes from a distance of 8km from Badopal Lake, i.e., Important Bird Area (IBA). Biodiversity conservation plan should be prepared with sufficient fund provision to implement the recommendations in consultation with State Forest Department.
- Waste water to be treated and not to be diverted to the soak pits as the ground water table is shallow and at places there are possibilities of ground water contamination.
- Approval/permission of concerned authority shall be obtained before drawing water from the irrigation canal. State Pollution Control Board (SPCB) concerned shall not issue Consent to operate (CTO) till the project proponent obtains such permission.
- The proponent shall obtain permission from the competent authorities for tree cutting along the proposed alignment.
- A comprehensive plan for afforestation including plantation of minimum

Proposal no.: IA/RJ/NCP/94430/2018

three times of the number of trees required to be cut, by native species, be provided. The IRC Guidelines on Landscaping and Tree Plantation (2009) shall be strictly adhered while carrying out afforestation/plantation for this project.

- (viii) The RoW shall not exceed 70m at any point of the proposed 8-lane alignment, except for the junction improvement at the intersections of the other roads.
- (ix) Fund provisions of Rs. 20.10 Crores (@ 0.5% of the total project cost of Rs. 4020 Crore) shall be provided for Corporate Environment Responsibility (CER) as per the Ministry's O.M. No. 22-65/2017-IA.III dated 1st May, 2018. The expenditure details, as per the plan, shall be submitted to the concerned Regional Office of the Ministry.
- (x) The proposal involves diversion of 72.8626 ha of forest land, for which the proponent shall obtain the Forest Clearance as required under the forest (Conservation) Act, 1980. Project proponent shall submit an undertaking that work on non-forestry land may only be executed upto such point (to be selected by the user agency) on either side of forest land if it is explicitly certified by the user agency that in case approval under the Forest (Conservation) Act, 1980, for diversion of forest land is declined, it is technically feasible to execute the project along an alternate alignment without involving diversion of forest land. Details of all such stretches along with alternate alignment identified to bypass the forest land should be explicitly provided in the proposal seeking approval under the Forest (Conservation) Act, 1980 and the EIA Notification, 2006.
- (xi) Commencement of work in non-forest land will not confer any right on the user agency with regard to grant of approval under the Forest (Conservation) Act, 1980.

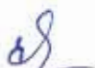

PART – B: GENERAL CONDITIONS

- (i) Responsibility for implementation of EC conditions rests with the project proponent only.
- (ii) The EC will be subject to outcome of ongoing legal proceedings in the court of law, if any.
- (iii) Cut and fill works shall be carried out strictly in accordance with the design drawings proposed at the time of appraisal of the project.
- (iv) The project proponent shall obtain necessary permission from the owning agencies of water bodies/temple/tanks etc., as applicable, before execution of works.
- (v) The project proponent shall obtain necessary permission from the concerned State(s) Irrigation Department(s) before drawing water from the river sources for the purpose of the proposed construction activity.

- (vi) Blasting shall be carried out during fixed hours (preferably during mid-day) or as permitted by the concerned authority. The timing shall be made known to all the people within 1000 m (200 m for pre-splitting) from the blasting site in all directions.
- (vii) The fly ash shall be used for the proposed project to comply with the Fly Ash Notification, 1999, as amended.
- (viii) Rehabilitation of project affected families (PAFs) and payment of compensation to PAFs shall be carried out as per the extant policy of the Central/State Government, as provided under the law. All the Indian Road Congress (IRC) guidelines wherever applicable may be followed.
- (ix) All entry/exit/access points on this highway shall be appropriately designed and preferably frozen to avoid traffic congestion and pollution.
- (x) Rain water harvesting including oil and grease trap shall be provided. Water harvesting structures shall be located at every 500 m along the road. Vertical drain type rainwater harvesting structures shall be set up to minimize surface runoff losses of rainwater.
- (xi) All the recommendations of the EMP shall be complied in both letter and spirit. All the mitigation measures submitted in the EIA report shall be prepared in a matrix format and the compliance for each mitigation plan shall be submitted to MoEF&CC.
- (xii) Green belt development shall be undertaken as suggested in EMP.
- (xiii) Sidewalk shall be provided along the bridges.
- (xiv) The seismic nature of the area shall be taken into account while designing the project.
- (xv) IRC guidelines shall be followed for widening & up-gradation of road.
- (xvi) The drain shall be at least 1 m away from the toe of the embankment of the road adopting IRC guidelines.
- (xvii) Longitudinal drains shall be provided all along the project road to ensure proper drainage of the area. In addition, adequate number of under passes and culverts to act as cross drainage structures shall also be provided.
- (xviii) The solid waste generated shall be used for rehabilitating the borrow areas.
- (xix) For providing safety to the crossing animals and avoid road accidents speed breakers/rumbled strips shall be constructed at the identified locations of the animal movements. Enough hoardings and signages shall also be put up for the public and vehicles convenience.
- (xx) Necessary clearance/approval shall be obtained for extraction of sand from the rivers.
- (xxi) The embankments/slopes and the slopes left after cutting shall be provided with vegetative growth to avoid soil erosion.

- (xxii) The hot mix plant shall be located at least 500 m away from habitation and on the barren land to avoid its adverse impact on the human population.
- (xxiii) For road safety, IRC guidelines in respect of road signages, service roads, bus bays, inter-sections, pedestrian crossings, etc. shall be strictly adhered to.
- (xxiv) The responses/commitments made to the issues raised during public hearing shall be complied in both letter and spirit. A hard copy of the action taken shall be submitted to the MoEF&CC and also to its concerned Regional Office.
- (xxv) Beside fulfilling obligations under Corporate Social Responsibilities as per Company's Act, 2013, the proponent has to adhere to the followings Corporate Environment Responsibilities:
 - (a) The Company shall have a well laid down Environment Policy approved by the Board of Directors.
 - (b) The Environment Policy shall prescribe for standard operating process/ procedures to bring into focus any infringements/ deviation/violation of the environmental or forest norms/ conditions.
 - (c) The hierarchical system or Administrative Order of the company to deal with environmental issues and for ensuring compliance with the environmental clearance conditions shall be furnished.
 - (d) To have proper checks and balances, the company shall have a well laid down system of reporting of non-compliances/ violations of environmental norms to the Board of Directors of the company and/or shareholders or stakeholders at large.
- (xxvi) Appropriate measures must be taken while undertaking digging activities to avoid any likely degradation of water quality.
- (xxvii) Borrow sites for each quarry sites for road construction material and dump sites must be identified keeping in view the following:
 - (a) No excavation or dumping on private property is carried out without written consent of the owner.
 - (b) No excavation or dumping shall be allowed on wetlands, forest areas or other ecologically valuable or sensitive locations.
 - (c) Excavation work shall be done in close consultation with the Soil Conservation and Watershed Development Agencies working in the area, and
 - (d) Construction spoils including bituminous material and other hazardous materials must not be allowed to contaminate water courses and the dump sites for such materials must be secured so that they shall not leach into the ground water.
- (xxviii) As per MoEF&CC's circular no. J-11013/41/2006-IA.II (I) dated 22nd September, 2008, provision shall be made for supply of kerosene or cooking gas and pressure cooker to the labourers, mobile toilets, mobile STP, safe

drinking water, medical health care, Crèche and temporary structures for living during construction phase.

- (xxix) Adequate precautions shall be taken during transportation of the construction material so that it does not affect the environment adversely.
- (xxx) Borrow pits and other scars created during the road construction shall be properly levelled and treated.
- (xxxi) The project proponent will set up separate environmental management cell for effective implementation of the stipulated environmental safeguards under the supervision of a Senior Executive.
- (xxxii) Full support shall be extended to the officers of this MoEF&CC and its Regional Office by the project proponent during inspection of the project for monitoring purposes by furnishing full details and action plan including action taken reports in respect of mitigation measures and other environmental protection activities.
- (xxxiii) MoEF&CC or any other competent authority may stipulate any additional conditions or modify the existing ones, if necessary in the interest of environment and the same shall be complied with.
- (xxxiv) In the event of a change in project profile or change in the implementation agency, a fresh reference shall be made to the MoEF&CC.
- (xxxv) The project proponents shall inform the Regional Office concerned as well as the MoEF&CC, the date of financial closure and final approval of the project by the concerned authorities and the date of start of land development work.
- (xxxvi) The funds earmarked for environmental protection measures shall be kept in separate account and shall not be diverted for other purpose. Year-wise expenditure shall be reported to MoEF&CC and its concerned Regional Office.

5. In addition to above mentioned conditions following general guidelines are to be adhered:

- (i) The above stipulations would be enforced among others under the provisions of Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and control of Pollution) act 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991, EIA Notification, 2006 and its subsequent amendments. All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Civil Aviation Department, the Forest Conservation Act, 1980 and the Wildlife (Protection) Act, 1972 etc. shall be obtained, as applicable by project proponents from the respective competent authorities.
- (ii) Officials from the Regional Office of the Ministry who would be monitoring the implementation of environmental safeguards should be given full cooperation, facilities and documents/data by the project proponents during their inspection.

A complete set of all the documents submitted to MoEF&CC should also be forwarded to its concerned Regional Office.

- (iii) In case of any change(s) in the scope, the project would require a fresh appraisal by the MoEF&CC.
- (iv) The project proponent shall advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded Environmental Clearance and copies of clearance letters are available with the State Pollution Control Board and may also be seen on the website of the Ministry of Environment, Forest and Climate Change at <http://www.envfor.nic.in>. The advertisement shall be made within Seven days from the date of receipt of the Clearance letter and a copy of the same shall be forwarded to the concerned Regional office of the MOEF&CC.
- (v) A copy of the clearance letter shall be sent by the proponent to concerned Panchayat, Zila Parishad/Municipal Corporation, Urban Local Body and the Local NGO, if any, from whom suggestions/ representations, if any, were received while processing the proposal. The clearance letter shall also be put on the website of the company by the proponent.
- (vi) A copy of the environmental clearance letter shall also be displayed on the website of the concerned State Pollution Control Board. The EC letter shall also be displayed at the Regional Office, District Industries centre and Collector's Office/Tehsildar's office for 30 days.
- (vii) The proponent shall upload the status of compliance of the stipulated EC conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of the Ministry, the respective Zonal Offices of CPCB and the SPCB. The criteria pollutant levels namely; PM₁₀, PM_{2.5}, SO₂, NO₂ (ambient levels as well as stack emissions) or critical sectoral parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.
- (viii) The project proponent shall also submit six monthly report on the status of the compliance of stipulated EC Conditions including results of monitored data (both in hard copies as well as by email) to the concerned Regional Offices of MoEF&CC/CPCB/SPCB.
- (ix) The environmental statement for each financial year ending 31st March in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of EC conditions and shall also be sent to the respective Regional Offices of the Ministry/CPCB/SPCB by e-mail.

6. This clearance is subject to final order of the Hon'ble Supreme Court of India in the matter of Goa Foundation Vs Union of India in Writ Petition (Civil) No.460 of 2004 as may be applicable to this project.

7. Any appeal against this clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.

8. The Ministry reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provisions of the Environmental (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.

9. This issues with the approval of the Hon'ble MEF&CC.

दिनांक: 02.09.2020

माननीय सचिव(वन),
 विभिन्न विभागों में,
 राजस्थान सरकार, जयपुर,
 राजस्थान।

(Online Proposal No. FP/RJ/Read/27934/2019)

विषय: Diversion of 63.6807 ha. of forest land in favour of National Highways Authority of India P22 Hanumanagarh for construction of approach road for construction of all forms road from Ganganagar to Hanumanagarh in the state of Rajasthan to Rajasthan in the state of Rajasthan from CHQ (300) km to 252.500 km. This is a part of Auratara to Kandla express way under Bharatmala Project.

सन्दर्भ - जापका पत्र सं 140/राज/2020/पाट-1 दिनांक 10.08.2020

संदर्भ

उपरोक्त विषयक माननीय सचिव, वन विभाग, जयपुर की तारीख 13/08/2020 दिनांक 01.07.2020 का आदेश प्राप्त करने का संघ को जिसके द्वारा विभाजित प्रकरण में वन (संख्या) अधिनियम, 1980 की धारा (2) के अन्तर्गत वन संचालन की स्वीकृति दी गई थी।

प्रकरण की दिनांक 25.08.2020 को जयपुर की राष्ट्रीय राजमार्ग सचिवालय (REC) की वेब साईट (REC Agenda Item 49.3-RAJ) माननीय सचिव, वन विभाग, जयपुर को स्वीकृति प्रदान की गई है। संघ को स्वीकृति प्रदान की गई है कि संघ द्वारा उपरोक्त विभाजित परिसर में 63.6807 हे. संपत्ति के प्रशासन एवं संचालन की शर्तों के अन्तर्गत स्वीकृति विभाजित नहीं कर प्रदान करती है -

1. Legal status of the forest land shall remain unchanged.
2. Compensatory afforestation shall be taken up by the Forest Department over 127.5152 ha degraded forest land (Compartment/ Khassas No. 1, Village Chak 329.700 RD & 244 RD, Tehsil Lunkaransar, District Bikaner), (Compartment/ Khassas No. 1, Village Sonari Maghsinghpura, Tehsil Kohar, District Hanumanagarh), (Compartment/ Khassas No. 3PPN, Village 3 PPN, Tehsil Sunargarh, District Singanagarh) at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.
3. The cost of compensatory afforestation at the prevailing wage rates as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.
4. The State Government shall charge the Net Present Value (NPV) for the 63.6807 ha. forest area to be diverted under this proposal from the user agency as per the orders of the Hon'ble Supreme Court of India dated 30/10/2002, 01/08/2008, 26/03/2008, 24/04/2008 and 05/05/2008 in IA No. 585 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1995-FC (FC) dated 18/09/2003, as well as letter No 5-2/2006-FC dated 03/10/2006 and 5/3/2007-FC dated 05/02/2008 in this regard.
5. Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.
6. User agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.
7. As far as possible maximum number of trees shall be translocated according to detailed scheme for translocation of suitable plants prepared in consultation with the State Forest Department and the cost for the same shall be borne by the user Agency.
8. Road side plantation shall be done according to a scheme for Road side plantation as per REC norms prepared in consultation with the State Forest Department and the cost for the same shall be borne by the user Agency.
9. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
10. User agency shall make strip plantation on both sides and central verge of the road as per the REC norms.
11. Speed regulating signage will be erected along the road at regular intervals in the Protected Area Forest Areas.
12. The user agency shall provide suitable under/over pass in Protected Area Forest Area as per recommendations of CWLN/HSWL/FAC/REC.
13. User Agency shall obtain Environmental Clearance as per the provisions of the Environmental Protection Act, 1986, if applicable.
14. The layout plan of the proposal shall not be changed without prior approval of Central Government.
15. No labour camp shall be established on the forest land.
16. Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel.
17. The boundary of the diverted forest land shall be suitably demarcated on ground at the project site, as per the directions of the concerned Divisional Forest Officer.
18. No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
19. The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or its project, whichever is less.
20. The forest land shall not be used for any purpose other than that specified in the project proposal.
21. The forest land proposed to be diverted shall under no circumstances be transferred to any other Agency, department or person without prior approval of Govt. of India.
22. DFO should submit a certificate, certifying that no work has been executed in violation of Forest (Conservation) Act, 1980 in the said proposal.
23. Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the MoEFACC Guideline F No. 11-422017-FC dt 26/11/2018.
24. Before the sanction of this project, user agency must take approval from State Government as per Annex-1 Notification dated 07.01.1992.
25. The Project Proponent (NHAI) must allow free movement of vehicles of the Forest Department on official duty.
26. Any other condition that the Ministry of Environment, Forests & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife.
27. All the funds received from the user agency under the project shall be transferred deposited to CAMPA fund only through e-payment (<https://campanet.nic.in>).
28. The compliance report shall be uploaded on e-proposal portal (<https://campanet.nic.in>).

After receipt of the compliance report from the State Government or fulfillment of the conditions mentioned above, Sanctioning approval of the Central Government, in accordance with Section-2 of the Forest (Conservation) Act, 1980, will be granted.

Times Network launches a spl mental health initiative

Times Network, India's largest digital news platform, has launched a special mental health initiative. The initiative aims to provide mental health support to its users through a dedicated helpline and online resources. The helpline is available 24/7 and is staffed by trained mental health professionals. Online resources include articles, videos, and interactive tools that help users understand mental health issues and seek support. The initiative is a part of Times Network's commitment to social responsibility and its goal to provide quality news and information to its users.

'Sonia unable to handle party affairs, Manmohan lost touch with MPs'

Manmohan Singh's decision to step down as Prime Minister of India has been widely speculated to be a result of his inability to handle party affairs and his loss of touch with the Members of Parliament (MPs). The speculation is based on reports that Manmohan Singh was often absent from the Parliament and that he was not involved in the day-to-day running of the government. It is also reported that Sonia Gandhi, Manmohan Singh's wife, was not able to handle the party affairs and that she was often seen in a state of distress. The speculation is further fueled by the fact that Manmohan Singh's decision to step down was a surprise to many people, including his own cabinet members.

CDS-120 warships in 10R as nations racing to build strategic bases

The Indian Navy is planning to acquire 120 CDS-120 warships in the next 10 years as part of its modernization program. The acquisition is a part of the Indian Navy's strategy to build a blue water navy and to project its power in the Indian Ocean region. The CDS-120 warships are advanced warships that are equipped with state-of-the-art weapons and technology. They are also capable of operating in the littoral zone and are able to perform a wide range of tasks. The acquisition of 120 CDS-120 warships is a significant step towards the Indian Navy's goal of becoming a global power.

Will quit govt if MSP pushed, says Dushyant

Dushyant Singh, a prominent leader of the Bharatiya Janata Party (BJP), has said that he will quit the government if the Minimum Support Price (MSP) is not pushed. Dushyant Singh is a member of the BJP's central executive committee and is known for his strong views on agricultural issues. He has been a vocal critic of the government's policies on MSP and has often threatened to quit the government if his demands are not met. Dushyant Singh's statement is a warning to the government that the BJP is not willing to compromise on the issue of MSP.

Amendment proposed by govt will bring parity between pvt trade areas & APMCs

The government has proposed an amendment to the Agricultural Produce Market Committee (APMC) Act to bring parity between private trade areas and APMCs. The amendment aims to ensure that private trade areas are treated on a par with APMCs in terms of the rules and regulations that govern them. This will help to create a level playing field for all traders and will also help to increase competition in the agricultural market. The amendment is a part of the government's efforts to reform the APMC system and to improve the livelihoods of farmers.

Release of political prisoners part of our demand: Kisan outfit

The Kisan Sabha, a prominent farmers' organization in India, has demanded the release of political prisoners as part of its agenda. The Kisan Sabha has been active in organizing farmers' protests and has been a vocal critic of the government's policies. It has demanded the release of political prisoners who are being held on charges of sedition and other offenses. The Kisan Sabha's demand is a part of its broader campaign for the rights of farmers and for the reform of the political system.

Govt buys 22% more paddy at MSP this season

The government has announced that it will buy 22% more paddy at the Minimum Support Price (MSP) this season. This is a significant increase from the previous season and is a part of the government's efforts to support farmers and to ensure that they receive a fair price for their produce. The government's decision is a result of the increase in the MSP for paddy and is a part of the government's commitment to the welfare of farmers.

NATIONAL CENTRE FOR RADIO ASTRONOMY
The National Centre for Radio Astronomy is a leading research institution in the field of radio astronomy. It is located in Pune, India, and is part of the Indian Institute of Space Science and Technology. The centre is engaged in a wide range of research activities, including the study of the structure and evolution of galaxies, the properties of interstellar dust, and the search for extraterrestrial life. The centre is also involved in the development of new radio astronomy instruments and in the training of students and researchers in the field of radio astronomy.

Ministry of Health and Family Welfare, Government of India
The Ministry of Health and Family Welfare is responsible for the formulation and implementation of health and family welfare policies in India. It is a part of the Government of India and is headed by the Minister of Health and Family Welfare. The ministry is engaged in a wide range of activities, including the provision of health services, the promotion of family planning, and the control of communicable diseases. The ministry is also involved in the development of health infrastructure and in the training of health personnel.

State Bank of India (SBI)
The State Bank of India (SBI) is one of the largest and oldest banks in India. It is a public sector bank and is part of the State Bank Group. The bank is engaged in a wide range of banking activities, including the provision of loans, the acceptance of deposits, and the issue of currency. The bank is also involved in the development of new banking services and in the expansion of its branch network. The bank is known for its commitment to customer service and for its high standards of banking.

FORM-II
(for projects other than linear projects)
Government of- Rajasthan
Office of the District Collector Sri Ganganagar
To WHOWSOEVER IT MAY CONCERN

S.No. 2585Dated 22-01-2021

In compliance of the Ministry of Environment and Forests (MoEF), Government of India's letter No.11- 9/98-FC (pt.) dated 3rd August 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Right) Act, 2006 ('FRA', for short) on the forest land proposed to be diverted for non-forest purposes, it is certified that 21.2752 hectare of forest land proposed to be diverted in favour of Project Director, NHAI, PIU Hanumangarh reg. (name of user agency) for Bharat Mala Project of Sangriya (Near Chautala)-rajar (Near Bikaner) section of NH-EPC mode under Bharatmala Pariyojna (PKG-01 to 09) at Gram Panchayat Thethar & Sardarpura kharta Teh. SURATGARH, Distt. Sri Ganganagar (purpose for diversion of forest land) in Sri Ganganagar district falls within jurisdiction of Relative Gram Panchayat (s) in SURATGARH tehsils Distt. Sri Ganganagar.

It is further certified that :-

- (a) the complete process for identification and settlement of rights under the FRA has been carried out for the entire 21.2752 hectares of forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee(s), Gram Sabha(s), Sub-Division Level Committee(s) and the District Level Committee are enclosed as Annexure-I to Annexure -II
- (b) the proposal for such diversion (with full details of the project and its implications, in vernacular/ local language) have been placed before each concerned Gram Sabha of forest-dwellers, who eligible under the FRA;
- (c) the each of concerned Gram Sabha(s), has certified that all formalities/processes under the FRA have been carried out, and that they have given their consent to the proposed diversion and the compensation and ameliorative measures, if any, having understood the purpose and details of proposed diversion. A copy of certificate issued by the gram sabha of Gram Panchayat (s) is enclosed as annexure -II.
- (d) the discussion and decisions on such proposals had taken place only when there was a quorum of minimum 50% of the members of Gram Sabha present;
- (e) the diversion of forest land for facilities managed by the Government as required under section 3 (2) of the FRA have been completed and the Gram Sabhas have given their consent to it;
- (f) The Purposed does not involve recognised rights of Primitive Tribal Groups' and Pre-Agricultural Communities.

Ends.: As above.

बैठक कार्यवाही विवरण

पर्यावरण और वन मंत्रालय (एमओईएफ) के अनुपालन में, भारत सरकार के पत्र संख्या 11-9/98-एफसी (पीटी) ने 3 अगस्त 2009 को दिनांकित किया जिसमें एमओईएफ ने आरंभ करने और प्रक्रिया को पूरा करने के लिए साक्ष्य प्रस्तुत करने पर दिशानिर्देश जारी किए पालना में द्वारा अनुसूचित जनजाति और अन्य परम्परागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 एवं नियम 2008 द्वारा गठित जिला स्तरीय समिति की बैठक आज दिनांक 22.01.2020 को सुबह 10 बजे श्रीमान जिला कलक्टर की अध्यक्षता में कलक्ट्रेट सभागार में सम्पन्न हुई। बैठक में निम्नलिखित अधिकारीगण एवं सदस्यगण उपस्थित हुये जिनकी सूची परशिष्ट-1 पर संलग्न है।

बैठक में अनुसूचित जनजाति और अन्य परम्परागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 एवं नियम 2008 के अन्तर्गत निम्नांकित प्रकरण बैठक में विचारार्थ रखा गया :-

1. जिला स्तरीय वनाधिकार कमेटी से वन क्षेत्र में पड़ने वाली ग्राम पंचायत ठेठार एवं सरदारपुराखर्था सूरतगढ़ की 21.2752 हैक्ट. भूमि संबंधित ग्राम पंचायत की ग्राम सभा में अनुमोदन के आधार पर अनुशंसा के द्वारा इस समिति के समक्ष अनुमोदन हेतु रखा गया है।

अनुशंसा :-

1. अनुसूचित जनजाति एवं अन्य परम्परागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 की धारा 3(1) के अन्तर्गत एवं नियम 2008 के अन्तर्गत उक्त प्रस्तावित वन भूमि पर कोई दावे लम्बित नहीं हैं। अतः बैठक में उपस्थित सभी सदस्यों ने उक्त भूमि पर कोई दावा लम्बित नहीं होने के कारण अनुसूचित जनजाति एवं अन्य (वन अधिकारों की मान्यता) अधिनियम 2006 एवं तत्संबंधी नियम 2008 के अन्तर्गत वन क्षेत्र में पड़ने वाली निम्नांकित भूमि यथा :-

अ. भारतमाला परियोजना लॉट-4/पैकेज-5 के अन्तर्गत इकॉनोमिक कॉरिडोर अमृतसर-जामनगर परियोजना के पथांश संगरिया (जिला-हनुमानगढ़) से बीकानेर के तहत श्रीगंगानगर जिले के सूरतगढ़ तहसील के गांवों की अतिरिक्त भूमि अवाप्ति के क्रम में वन अधिकार अधिनियम 2006 के तहत प्रमाण-पत्र जारी करने के संबंध में ।

उक्त श्रीगंगानगर जिले के गांवों की भूमि अवाप्ति के क्रम में संबंधित ग्राम पंचायत की ग्राम सभा में अनुमोदन एवं उपखण्ड स्तरीय समिति की अनुशंसा के आधार पर सर्वसम्मति से अनुशंसा की जाती है।

The General Manager (Environment-II)
National Highways Authority of India
Ministry of Road Transport and Highways
G-5 & 6, Sector-10, Dwarka
New Delhi - 110 075

Sub: Construction of 6-lane expressway of length 249.195 Km from chainage 3.305 km near 3SBN village, district Kota, Rajasthan to chainage 252.500 near Rasiser village, Bikaner district, Rajasthan under Bharatmala Pariyojana by M/s National Highways Authority of India - **Environmental Clearance regarding.**

Sir,

This has reference to your letter no. 1013/1/2k/Env./603 dated 6th February, 2019 submitting the above proposal online to this Ministry on 6th February, 2019 and subsequent clarifications vide letter dated 14th February, 2019, 19th February, 2019, 29th January, 2019 and 4th April, 2019, for seeking of Environmental Clearance in term of the provisions of the Environment Impact Assessment (EIA) Notification, 2006 under the Environment (Protection) Act, 1986.

2. The above mentioned proposal was considered by the Expert Appraisal Committee (EAC) for Infrastructure, CRZ and other Miscellaneous projects, in its 208th meeting held on 19-20 February, 2019.

3. The project proponent along with the EIA consultant M/s Enviro Infra Solutions Private Limited, Ghaziabad, made a presentation and provided the following information before the Committee:

- (i) The proposal involves the construction of a new 4/6 lane expressway connecting Haryana-Rajasthan Border to Rasiser in Bikaner district, Rajasthan. The proposed alignment is a 249.195 km stretch which lies in North-West region of Rajasthan. The alignment starts from chainage 3.305 km near 3SBN village, district Kota, Rajasthan and terminates on National Highway - 62 at chainage 252.500 near Rasiser village, Bikaner district, Rajasthan.
- (ii) Land use of the site and around the site up to 10 km radius: The prominent Land use pattern on 10 km on either side of the project road is

Proposal no.: IAR/J/NCP/94430/2018

predominately agriculture followed by fallow, wastelands, forest and few habitations.

- (iii) **Land Acquisition and Proposed RoW:** The land acquisition for the proposed alignment is approximately 1954 ha, out of which 72.8626 ha is forest land. The proposed RoW of the project is 70 m.
- (iv) **Water bodies, diversion if any:** Total 5 canals, 1 river, 9 drains, 10 Nalaha, 1 dry distributary and 5 ponds will be impacted due to the proposed highway.
- (v) **Waste Management:**
 - (a) **Water requirement, source, status of clearance:** The peak water requirement is 16,000 KLD during construction stage and will be extracted from local surface water resources i.e. from nearby canals after getting necessary permission from concerned authority. The work will be executed through contractor and will be furnished at EC compliance stage.
 - (b) **Waste water quantity, treatment capacity, detail:** 82 KLD Waste water shall be generated and shall be disposed through soak pits.
 - (c) **Recycling / reuse of treated water and disposal:** Waste water shall be disposed through soak pits.
 - (d) **Solid Waste Management:** 600 kg/day (approx.) during construction phase and 75 kg/day (approx.) during operation phase. Bio degradable waste shall be disposed through bio composting and other waste through landfill site.
 - (e) **Hazardous Waste Management:** The hazardous waste generated during construction period will be disposed off as per applicable rule.
- (vi) **Tree cutting, types, numbers, girth size etc.:** The alignment will involve cutting of around 5200 trees.
- (vii) **Rehabilitation involved if any:** The Project requires approx. 1716.65 ha of land. Total 122 structures are coming in the proposed RoW. The land will be acquired as per procedure laid down in RFCT LARR Act, 2013.
- (viii) **Whether the project is in Critically Polluted area:** No.
- (ix) **If the project involves diversion of forest land, extend of the forest land:** Total 72.8626 ha of forest land is proposed for diversion, considering ROW 70m. The proposal for forest clearance has been submitted online vide Proposal No: FP/RJ/Road/37034/2018 dated 19.01.2019.
- (x) **Waste water generation, treatment and disposal:** Not Applicable.
- (xi) **Rain Water Harvesting:** Rainwater harvesting structures shall be provided near the disposal point of the side drains as prescribed by CGWB guidelines.
- (xii) **National Park/ Wild Life Sanctuary in 10 km radius area and Eco-Sensitive Zone in 10 km radius area:** The proposed alignment does not pass through any Wildlife Sanctuary/National Park and its eco sensitive zone. As per information provided by APCCF and Chief Wildlife Warden, Rajasthan, Jorbeer Conservation Reserve is located within the 10 Km radius of the proposed alignment and covers approximately 25 Km length of the proposed alignment.

(xiii) **Investment/Cost of the project:** INR. 4020 Crores.

(xiv) **Benefits of the project:-**

- The proposed project would act as the prime artery for the economic flow to this region.
- Enhanced connectivity between rural & urban population which will benefit the all sections of the society like general population, small-medium-large scale industries, farmers, businessmen etc.
- Improved access to higher education facilities & modern health facilities.
- Strengthening of both rural & urban economies which in turn will improve economic scenario of the state and country.
- Faster transportation will strengthen tourist development in the area.
- Improved road connectivity helps in better implementation and management of government schemes.
- With improvement in economy, more generation of employment opportunities.

(xv) **Employment potential:** During the construction of the road project around 1200 persons would be employed temporarily for a period of 2 years. However due to construction of toll plazas, approx. 150 persons will be employed on permanent basis. Preference will be given to local people for employment.

(xvi) **ToR Details:** The ToR for the project was granted vide letter No.10-53/2018-IA.III dated 12th September, 2018.

(xvii) **Public Hearing:** Public Hearing was conducted at:

- 21st January 2019 at Collector Office, Hanumangarh.
- 25th January 2019 at Atal Seva Kendra Gram Panchayat Thethar, Tehsil Suratgarh, District Sri Ganganagar.
- 31st January 2019 at Collector Office Auditorium, Bikaner.

Major issues raised during the public hearing and response of project proponent are:

S No	Issues raised	Response of PP
1	Give compensation as per rate of Haryana – Punjab and not as per DLC rate or four times the rate of market. Give compensation of remaining land which is left over after acquired land	Land acquisition proceedings and compensation amount will be given as per provisions of Land Acquisition Act 2013
2	Land is divided into pieces due to land acquisition and as result of which irrigation facilities and movement across the remaining land will be affected.	Suitable and proper arrangements will be made for the affected irrigation and movement facilities due to this proposed road project.
3	How sand will be picked up during road construction?	During road construction, sand will be tested at fixed places and after taking permission from concerned authority / officer, sand will be picked up.
4	Plantation being done on both sides of road should include Kejri trees and not	As per Green belt project, Safeda trees are not planted on both sides of

Proposal no.: IA/RJ/NOP/94430/2018

S No	Issues raised	Response of PP
	Safeda trees so that land is not harmed.	the road.
5	Tree cutting should be minimum and misuse of well water should not be done in the construction of road.	Trees other than those that are coming under the proposed project will not be harmed.

(xviii) If any court case pending for violation of the environmental laws: No.

4. The EAC, in its 208th meeting held on 19-20 February, 2019, has recommended the project for grant of Environmental Clearance for the development of the said project, subject to compliance of all generic conditions applicable for such projects, and the additional conditions as mentioned below. As per recommendations of the EAC, the Ministry of Environment, Forest and Climate Change hereby accords Environmental Clearance to the project 'Construction of 6-lane expressway from chainage 3.600 km near 3SBN village, district Kota, Rajasthan to chainage 252.500 near Rasiser village, Bikaner district, Rajasthan under Bharatmala Pariyojana by M/s National Highways Authority of India', under the provisions of the EIA Notification, 2006 and subsequent amendments/circulars issued thereon, and subject to the specific and general conditions as under:

PART A - SPECIFIC CONDITIONS

- This Environmental Clearance is subject to outcome of court cases pending against the project proponent at Hon'ble Supreme Court of India / High Court / other courts, if any.
- The recommendations of Cumulative Impact Assessment studies shall be implemented under intimation to the Ministry and its Regional Office concerned.
- The alignment passes from a distance of 8km from Badopal Lake, i.e., Important Bird Area (IBA). Biodiversity conservation plan should be prepared with sufficient fund provision to implement the recommendations in consultation with State Forest Department.
- Waste water to be treated and not to be diverted to the soak pits as the ground water table is shallow and at places there are possibilities of ground water contamination.
- Approval/permission of concerned authority shall be obtained before drawing water from the irrigation canal. State Pollution Control Board (SPCB) concerned shall not issue Consent to operate (CTO) till the project proponent obtains such permission.
- The proponent shall obtain permission from the competent authorities for tree cutting along the proposed alignment.
- A comprehensive plan for afforestation including plantation of minimum

Proposal no.: IA/RJ/NCP/94430/2018

- three times of the number of trees required to be cut, by native species, be provided. The IRC Guidelines on Landscaping and Tree Plantation (2009) shall be strictly adhered while carrying out afforestation/plantation for this project.
- (viii) The RoW shall not exceed 70m at any point of the proposed 8-lane alignment, except for the junction improvement at the intersections of the other roads.
 - (ix) Fund provisions of Rs. 20.10 Crores (@ 0.5% of the total project cost of Rs. 4020 Crore) shall be provided for Corporate Environment Responsibility (CER) as per the Ministry's O.M. No. 22-65/2017-IA.III dated 1st May, 2018. The expenditure details, as per the plan, shall be submitted to the concerned Regional Office of the Ministry.
 - (x) The proposal involves diversion of 72.8626 ha of forest land, for which the proponent shall obtain the Forest Clearance as required under the forest (Conservation) Act, 1980. Project proponent shall submit an undertaking that work on non-forestry land may only be executed upto such point (to be selected by the user agency) on either side of forest land if it is explicitly certified by the user agency that in case approval under the Forest (Conservation) Act, 1980, for diversion of forest land is declined, it is technically feasible to execute the project along an alternate alignment without involving diversion of forest land. Details of all such stretches along with alternate alignment identified to bypass the forest land should be explicitly provided in the proposal seeking approval under the Forest (Conservation) Act, 1980 and the EIA Notification, 2006.
 - (xi) Commencement of work in non-forest land will not confer any right on the user agency with regard to grant of approval under the Forest (Conservation) Act, 1980.

PART - B: GENERAL CONDITIONS

- (i) Responsibility for implementation of EC conditions rests with the project proponent only.
- (ii) The EC will be subject to outcome of ongoing legal proceedings in the court of law, if any.
- (iii) Cut and fill works shall be carried out strictly in accordance with the design drawings proposed at the time of appraisal of the project.
- (iv) The project proponent shall obtain necessary permission from the owning agencies of water bodies/temple/tanks etc., as applicable, before execution of works.
- (v) The project proponent shall obtain necessary permission from the concerned State(s) Irrigation Department(s) before drawing water from the river sources for the purpose of the proposed construction activity.

- (vi) Blasting shall be carried out during fixed hours (preferably during mid-day) or as permitted by the concerned authority. The timing shall be made known to all the people within 1000 m (200 m for pre-splitting) from the blasting site in all directions.
- (vii) The fly ash shall be used for the proposed project to comply with the Fly Ash Notification, 1999, as amended.
- (viii) Rehabilitation of project affected families (PAFs) and payment of compensation to PAFs shall be carried out as per the extant policy of the Central/State Government, as provided under the law. All the Indian Road Congress (IRC) guidelines wherever applicable may be followed.
- (ix) All entry/exit/access points on this highway shall be appropriately designed and preferably frozen to avoid traffic congestion and pollution.
- (x) Rain water harvesting including oil and grease trap shall be provided. Water harvesting structures shall be located at every 500 m along the road. Vertical drain type rainwater harvesting structures shall be set up to minimize surface runoff losses of rainwater.
- (xi) All the recommendations of the EMP shall be complied in both letter and spirit. All the mitigation measures submitted in the EIA report shall be prepared in a matrix format and the compliance for each mitigation plan shall be submitted to MoEF&CC.
- (xii) Green belt development shall be undertaken as suggested in EMP.
- (xiii) Sidewalk shall be provided along the bridges.
- (xiv) The seismic nature of the area shall be taken into account while designing the project.
- (xv) IRC guidelines shall be followed for widening & up-gradation of road.
- (xvi) The drain shall be at least 1 m away from the toe of the embankment of the road adopting IRC guidelines.
- (xvii) Longitudinal drains shall be provided all along the project road to ensure proper drainage of the area. In addition, adequate number of under passes and culverts to act as cross drainage structures shall also be provided.
- (xviii) The solid waste generated shall be used for rehabilitating the borrow areas.
- (xix) For providing safety to the crossing animals and avoid road accidents speed breakers/rumbled strips shall be constructed at the identified locations of the animal movements. Enough hoardings and signages shall also be put up for the public and vehicles convenience.
- (xx) Necessary clearance/approval shall be obtained for extraction of sand from the rivers.
- (xxi) The embankments/slopes and the slopes left after cutting shall be provided with vegetative growth to avoid soil erosion.

- (xxii) The hot mix plant shall be located at least 500 m away from habitation and on the barren land to avoid its adverse impact on the human population.
- (xxiii) For road safety, IRC guidelines in respect of road signages, service roads, bus bays, inter-sections, pedestrian crossings, etc. shall be strictly adhered to.
- (xxiv) The responses/commitments made to the issues raised during public hearing shall be complied in both letter and spirit. A hard copy of the action taken shall be submitted to the MoEF&CC and also to its concerned Regional Office.
- (xxv) Beside fulfilling obligations under Corporate Social Responsibilities as per Company's Act, 2013, the proponent has to adhere to the followings Corporate Environment Responsibilities:
- The Company shall have a well laid down Environment Policy approved by the Board of Directors.
 - The Environment Policy shall prescribe for standard operating process/ procedures to bring into focus any infringements/ deviation/violation of the environmental or forest norms/ conditions.
 - The hierarchical system or Administrative Order of the company to deal with environmental issues and for ensuring compliance with the environmental clearance conditions shall be furnished.
 - To have proper checks and balances, the company shall have a well laid down system of reporting of non-compliances/ violations of environmental norms to the Board of Directors of the company and/or shareholders or stakeholders at large.
- (xxvi) Appropriate measures must be taken while undertaking digging activities to avoid any likely degradation of water quality.
- (xxvii) Borrow sites for each quarry sites for road construction material and dump sites must be identified keeping in view the following:
- No excavation or dumping on private property is carried out without written consent of the owner.
 - No excavation or dumping shall be allowed on wetlands, forest areas or other ecologically valuable or sensitive locations.
 - Excavation work shall be done in close consultation with the Soil Conservation and Watershed Development Agencies working in the area, and
 - Construction spoils including bituminous material and other hazardous materials must not be allowed to contaminate water courses and the dump sites for such materials must be secured so that they shall not leach into the ground water.
- (xxviii) As per MoEF&CC's circular no. J-11013/41/2006-IA.II (I) dated 22nd September, 2008, provision shall be made for supply of kerosene or cooking gas and pressure cooker to the labourers, mobile toilets, mobile STP, safe

drinking water, medical health care, Crèche and temporary structures for living during construction phase.

- (xxix) Adequate precautions shall be taken during transportation of the construction material so that it does not affect the environment adversely.
- (xxx) Borrow pits and other scars created during the road construction shall be properly levelled and treated.
- (xxxi) The project proponent will set up separate environmental management cell for effective implementation of the stipulated environmental safeguards under the supervision of a Senior Executive.
- (xxxii) Full support shall be extended to the officers of this MoEF&CC and its Regional Office by the project proponent during inspection of the project for monitoring purposes by furnishing full details and action plan including action taken reports in respect of mitigation measures and other environmental protection activities.
- (xxxiii) MoEF&CC or any other competent authority may stipulate any additional conditions or modify the existing ones, if necessary in the interest of environment and the same shall be complied with.
- (xxxiv) In the event of a change in project profile or change in the implementation agency, a fresh reference shall be made to the MoEF&CC.
- (xxxv) The project proponents shall inform the Regional Office concerned as well as the MoEF&CC, the date of financial closure and final approval of the project by the concerned authorities and the date of start of land development work.
- (xxxvi) The funds earmarked for environmental protection measures shall be kept in separate account and shall not be diverted for other purpose. Year-wise expenditure shall be reported to MoEF&CC and its concerned Regional Office.

5. In addition to above mentioned conditions following general guidelines are to be adhered:

- (i) The above stipulations would be enforced among others under the provisions of Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and control of Pollution) act 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991, EIA Notification, 2006 and its subsequent amendments. All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Civil Aviation Department, the Forest Conservation Act, 1980 and the Wildlife (Protection) Act, 1972 etc. shall be obtained, as applicable by project proponents from the respective competent authorities.
- (ii) Officials from the Regional Office of the Ministry who would be monitoring the implementation of environmental safeguards should be given full cooperation, facilities and documents/data by the project proponents during their inspection.

A complete set of all the documents submitted to MoEF&CC should also be forwarded to its concerned Regional Office.

- (iii) In case of any change(s) in the scope, the project would require a fresh appraisal by the MoEF&CC.
- (iv) The project proponent shall advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded Environmental Clearance and copies of clearance letters are available with the State Pollution Control Board and may also be seen on the website of the Ministry of Environment, Forest and Climate Change at <http://www.envfor.nic.in>. The advertisement shall be made within Seven days from the date of receipt of the Clearance letter and a copy of the same shall be forwarded to the concerned Regional office of the MOEF&CC.
- (v) A copy of the clearance letter shall be sent by the proponent to concerned Panchayat, Zila Parishad/Municipal Corporation, Urban Local Body and the Local NGO, if any, from whom suggestions/ representations, if any, were received while processing the proposal. The clearance letter shall also be put on the website of the company by the proponent.
- (vi) A copy of the environmental clearance letter shall also be displayed on the website of the concerned State Pollution Control Board. The EC letter shall also be displayed at the Regional Office, District Industries centre and Collector's Office/Tehsildar's office for 30 days.
- (vii) The proponent shall upload the status of compliance of the stipulated EC conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of the Ministry, the respective Zonal Offices of CPCB and the SPCB. The criteria pollutant levels namely; PM₁₀, PM_{2.5}, SO₂, NO₂ (ambient levels as well as stack emissions) or critical sectoral parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.
- (viii) The project proponent shall also submit six monthly report on the status of the compliance of stipulated EC Conditions including results of monitored data (both in hard copies as well as by email) to the concerned Regional Offices of MoEF&CC/CPCB/SPCB.
- (ix) The environmental statement for each financial year ending 31st March in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of EC conditions and shall also be sent to the respective Regional Offices of the Ministry/CPCB/SPCB by e-mail.

6. This clearance is subject to final order of the Hon'ble Supreme Court of India in the matter of Goa Foundation Vs Union of India in Writ Petition (Civil) No.460 of 2004 as may be applicable to this project.

7. Any appeal against this clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.

8. The Ministry reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provisions of the Environmental (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.

9. This issues with the approval of the Hon'ble MEF&CC.

श्रीमान् सम्भागीय मुख्य वन संरक्षक
बीकनेर

विषय :- Diversion of 63.6807 Ha. of forest land in favour of National Highway Authority of India PIU Hanumangarh for Construction of Approach road for Construction of 4/6 Lane road from Choutala in Sirsa District in the State of Haryana to Rasisar in Bikaner in the State of Rajasthan from CH (0.300) km to 252.300 km this is part of Amritsar to Kandla express way under Bhartmala priyojana.

संदर्भ :- भारत सरकार पर्यावरण वन एवं जलवायु परिवर्तन मंत्रालय क्षेत्रीय कार्यालय (मध्य) लखनऊ का पत्रांक 854 दिनांक 02.09.2020

महोदय,

उपरोक्त विषयान्तर्गत संदर्भित पत्र के क्रम में निवेदन है कि आलौच्य प्रकरण में जारी सैद्धांतिक स्वीकृति की बिन्दुवार पालना रिपोर्ट 4 प्रतियों में निम्नानुसार प्रेषित है :-

Stage-I Compliance Report – Rajasthan project (FP/RJ/ROAD/37034/2019)

Sl.	Stage-I points	NHAI/User Agency Compliance
1	Legal Status of the forest land shall remain unchanged.	In Compliance
2	Compensatory afforestation shall be taken up by the Forest Department over 127.5152 ha degraded forest land (Compartment/Khasra No. 1 Village Chak 329.700 RD & 244 RD, Tehsil Lunkaransar, District-Bikaner), (Compartment/Khasra No. 1, Village Sonari Meghsinghpura, Tehsil Nohar, District Hanumangarh), (Compartment/Khasra No. 3PPN, Village 3PPN, Tehsil Suratgarh, District-Sriganganagar) at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.	In Compliance as per the approved CA scheme of GoR.
3	The cost of compensatory afforestation at the prevailing wage rate as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.	In Compliance as per the approved CA scheme and demand notes raised by concerned DCF's CA, NPV, Pillar fixing cost, etc already deposited by NEFT/DD as per Annexure-I in CAMPA account and respective DCF offices

4	The State Government shall charge the Net Present Value (NPV) for the 63.6807 ha. forest area to be diverted under this proposal from the user agency as per the orders of the Hon'ble Supreme Court of India dated: 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in IA No. 566 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1998-FC (Pt.II) dated: 18.09.2003, as well as letter No. 5-2/2006-FC dated: 03/10/2006 and 5-3/2007-FC dated: 05/02/2009 in this regard.	In Compliance as per the approved CA scheme and demand notes raised by concerned DCF's. CA, NPV, Pillar fixing cost, etc already deposited by NEFT/DD as per Annexure-1 in CAMPA account and respective DCF offices
5	Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.	Undertaking Furnished Annexure-2
6	User agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.	In Compliance
7	As far as possible maximum number of trees shall be translocated according to detailed scheme for translocation of suitable plants prepared in consultation with the State Forest Department and the cost for the same shall be borne by the User Agency.	In Compliance
8	Road side plantation shall be done according to a scheme for Road side plantation as per IRC norms prepared in consultation with the State Forest Department and the cost for the same shall be borne by the user Agency.	In Compliance
9	The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.	In Compliance. All the FRA Certificates of Bikaner, Hanumangarhand Sriganganagar districts are Attached herewith. (Annexure-7)
10	User agency shall raise strip plantation on both sides and central verge of the road as per the IRC norms.	In Compliance
11	Speed regulating signage will be erected along the road at regular intervals in the Protected Areas/Forest Areas.	In Compliance
12	The user agency shall provide suitable under/over pass in Protected Area/Forest Area as per recommendations of	In Compliance as per norms if required

	CWLW/NBWL/FAC/REC.	
13	User Agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.	In Compliance, EC received and attached Annexure-3
14	The layout plan of the proposal shall not be changed without prior approval of Central Government.	In Compliance
15	No labour camp shall be established on the forest land.	In Compliance
16	Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source or alternate fuel.	In Compliance
17	The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer.	In Compliance
18	No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.	In Compliance
19	The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.	In Compliance
20	The forest land shall not be used for any purpose other than that specified in the project proposal.	In Compliance
21	The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or person without prior approval of Govt. of India.	In Compliance
22	DFO should submit a certificate, certifying that no work has been executed in violation of Forest (Conservation) Act, 1980 in the said proposal.	Compliance Enclosed

Stage-I Compliance Report – Rajasthan project (FP/RJ/ROAD/37034/2019)

Sl.	Stage-I points	NHAI/User Agency Compliance
1	Legal Status of the forest land shall remain unchanged.	In Compliance
2	Compensatory afforestation shall be taken up by the Forest Department over 127.5152 ha degraded forest land (Compartment/Khasra No. 1 Village Chak 329.700 RD & 244 RD, Tehsil Lunkaransar, District-Bikaner), (Compartment/Khasra No. 1, Village Sonari Meghsinghpura, Tehsil Nohar, District Hanumangarh), (Compartment/Khasra No. 3PPN, Village 3PPN, Tehsil Suratgarh, District-Sriganganagar) at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.	In Compliance as per the approved CA scheme of GoR.
3	The cost of compensatory afforestation at the prevailing wage rate as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.	In Compliance as per the approved CA scheme and demand notes raised by concerned DCF's. CA, NPV, Pillar fixing cost, etc already deposited by NEFT/DD as per Annexure-1 in CAMPA account and respective DCF offices
4	The State Government shall charge the Net Present Value (NPV) for the 63.6807 ha. forest area to be diverted under this proposal from the user agency as per the orders of the Hon'ble Supreme Court of India dated: 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in IA No. 566 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1998-FC (Pt.II) dated: 18.09.2003, as well as letter No. 5-2/2006-FC dated: 03/10/2006 and 5-3/2007-FC dated: 05/02/2009 in this regard.	In Compliance as per the approved CA scheme and demand notes raised by concerned DCF's. CA, NPV, Pillar fixing cost, etc already deposited by NEFT/DD as per Annexure-1 in CAMPA account and respective DCF offices
5	Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.	Undertaking Furnished Annexure-2

नकल ग्राम सभा प्रस्ताव दिनांक 2.10.2020

प्रस्ताव संख्या - 01

भारत माला परियोजना के प्रतिनिधि श्री लालता प्रसाद ने आज ग्राम पंचायत में उपस्थित होकर एक आवेदन पत्र प्रस्तुत किया कि भारत माला सड़क के प्रस्तावित निर्माण हेतु वन भूमि नियमानुसार अधिग्रहित की जा रही है। जिसमें आपकी ग्राम पंचायत के राजस्व ग्राम 9 जेडडब्ल्यूडी व 2 सीएस की वन भूमि जो कि नहर किनारे है वो वांछित है इसलिए FRA अधिनियम 2006 के अन्तर्गत बैठक में प्रस्ताव लिया जावे कि कोई आवासी एससी / एसटी एवं परम्परागत परिवार प्रभावित न हो इसलिए उक्त प्रसंग में आज दिनांक 02.10.2020 के ग्राम पंचायत जाखड़ावाली ग्राम सभा के अनुसार मैं पत्र जारी किया जाता है कि इस ग्राम पंचायत परिक्षेत्र में कोई एससी / एसटी आदिवासी परिवार एवं वनवासी परम्परागत कोई निवास नहीं करता है। अगर भारत माला परियोजना प्रोजेक्ट में आती है तो ग्राम पंचायत को कोई आपत्ति नहीं है।

उक्त प्रस्ताव सर्व सम्पत्ति से पारित किया गया।

बैठक का कार्यावाही विवरण

पर्यावरण वन एवं जलवायु परिवर्तन मंत्रालय भारत सरकार के पत्र संख्या 8वीं/राज/06/ 19/ 2015/एफ सी/201 दिनांक 02.06.2015 एवं प्रशासनिक सुधार विभाग (अनुभाग-3) राज. जयपुर की आज्ञा क्रमांक 5.6(14)प्रसु/अनु/-3/2008(1) दिनांक 14.03.08 द्वारा अनुसूचित जन जाति और अन्य परम्परागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 एवं नियम 2008 द्वारा गठित उपखण्ड स्तरीय समिति की बैठक आज दिनांक 02.12.2020 को प्रातः 11.00 बजे अधोहस्ताक्षरकर्ता के अध्यक्षता में कार्यालय कक्ष में सम्पन्न हुई। बैठक में निम्नलिखित अधिकारीगण एवं सदस्यगण उपस्थित हुए :-

1. विकास अधिकारी पंचायत समिति संगरिया
2. क्षेत्रीय वन अधिकारी संगरिया
3. ग्राम विकास अधिकारी फतेहपुर, पंचायत समिति संगरिया

बैठक में अनुसूचित जनजाति और अन्य परम्परागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 एवं 2008 के अन्तर्गत निम्नांकित प्रकरण बैठक में विचारार्थ रखा गया।

वन भूमि प्रत्यावर्तन वास्ते-भारतमाला परियोजना हेतु हनुमानगढ़ जिले में 6/4 लेन किमी. 00.300 से 252.500 संगरिया-रासीसर एनएच-754K निर्माण के सम्बन्ध में रक्षित वनक्षेत्र के अनुसूचित जनजाति और अन्य परम्परागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 अधिनियम एवं नियम 2008 के तहत अनापत्ति प्रमाण पत्र जारी करने हेतु भारतमाला परियोजना द्वारा जिला कलक्टर महोदय हनुमानगढ़ के समक्ष प्रार्थना पत्र प्रस्तुत किया गया जो पत्रांक एफ 12(12)(330)राजस/ 19/2968 दिनांक 05.12.019 द्वारा इन कार्यालय को प्राप्त हुआ।

ग्राम पंचायत फतेहपुर की बैठक दिनांक 07.09.2020 के प्रस्ताव संख्या 02 के अनुसार बैठक में वनाधिकार समिति ग्राम पंचायत फतेहपुर द्वारा वन भूमि प्रत्यावर्तन के लिए फॉरेस्ट राइट एक्ट 2006 के तहत विषय वन भूमि प्रत्यावर्तन वास्ते-भारतमाला परियोजना हेतु हनुमानगढ़ जिले में 6/4 लेन किमी. 00.300 से किमी. 252.500 संगरिया-रासीसर एनएच-754K निर्माण हेतु अनापत्ति जारी कर सहमति व्यक्त कि है। उक्त भूमि पर किसी भी जनजाती अथवा कृषक समुदाय के हित प्रभावित नहीं होते है। ग्राम पंचायत फतेहपुर कि वनाधिकार समिति को कोई आपत्ति नहीं है का प्रमाण पत्र निजवाने का प्रस्ताव सर्व सम्मति से अनुमोदित किया गया। अतः भारतमाला परियोजना द्वारा हनुमानगढ़ जिले में 6/4 लेन किमी. 00.300 से किमी. 252.500 संगरिया-रासीसर एनएच-754K के निर्माण हेतु सर्वसम्मति से अनापत्ति प्रमाण पत्र जारी करने हेतु नियमानुसार अनुशंका की जाती है।

नकल ग्राम सभा प्रस्ताव दिनांक 2.10.2020

प्रस्ताव संख्या - 01

भारत माला परियोजना के प्रतिनिधि श्री लालता प्रसाद ने आज ग्राम पंचायत में उपस्थित होकर एक आवेदन पत्र प्रस्तुत किया कि भारत माला सड़क के प्रस्तावित निर्माण हेतु वन भूमि नियमानुसार अधिग्रहित की जा रही है । जिसमें आपकी ग्राम पंचायत के राजस्व ग्राम 9 जेडडब्ल्यूडी व 2 सीएस की वन भूमि जो कि नहर किनारे है वो वांछित है इसलिए FRA अधिनियम 2006 के अन्तर्गत बैठक में प्रस्ताव लिया जावे कि कोई आवासी एससी / एसटी एवं परम्परागत परिवार प्रभावित न हो इसलिए उक्त प्रसंग में आज दिनांक 02.10.2020 के ग्राम पंचायत जाखड़ावाली ग्राम सभा के अनुसार मैं पत्र जारी किया जाता है कि इस ग्राम पंचायत परिक्षेत्र में कोई एससी / एसटी आदिवासी परिवार एवं वनवासी परम्परागत कोई निवास नहीं करता है। अगर भारत माला परियोजना प्रयोजेक्ट में आती है तो ग्राम पंचायत को कोई आपत्ति नहीं है।

उक्त प्रस्ताव सर्व सम्पत्ति से पारित किया गया ।

ग्राम सभा दिनांक 02/10/2020 के प्र.स.

क्रमांक

4 की उम्मावत उतिलिपि

दिनांक 02/10/2020

विषय :

आज की ग्राम सभा बैठक का आयोजन सरपंच श्री रोशन लाल दादिया की अध्यक्षता में की गई जिसमें भारतमाला घोषणा हेतु अनापति उम्मावत प्राप्त हुआ है जिसको ग्राम सभा में लोगों के समक्ष रखकर ग्राम सभा 357 का रखवा वन विभाग की भूमि वाले उस रकबा अनुसूचित जनजाति अधिनियम 2006 के नियम 2008 एवं संबोधित अधिनियम 2012 के अन्तर्गत प्रस्तावित वन भूमि से अनुसूचित जनजाति एवं अन्य परम्परागत वन निवासी (वन अधिकारों की भाज्यता) अधिनियम 2006 नियम 2008 एवं संबोधित अधिनियम के अन्तर्गत किसी भी व्यक्ति को अधिकांश जमीन नहीं दिया जाता है उस भूमि पर मोटे पट्टे वन क्षेत्र है व वन क्षेत्र की भूमि है ना ही कोई व्यक्ति निवास कर रहा है।

इस विचार विमर्श उस प्रस्ताव स्वीकृति से अनुमोदन किया जा रहा है कि उस रकबा 357 में भारतमाला घोषणा करने पर ग्राम पंचायत 06 BHM (धोरेवाला) द्वारा ग्राम सभा में अनुमोदन किया जाता है कि वर्तमान में किसी प्रकार का अनापति नहीं है ना ही कोई अनापति क्षेत्र सम्मान्य/अनुसूचित जनजाति एवं परम्परागत निवासी क्षेत्र प्रस्तावित करता है उस प्रस्तावों के संबंध में ग्राम पंचायत 06 BHM (धोरेवाला) पं.स. पीलीबंगा के द्वारा ग्राम सभा में अनुमोदन का अनुशासन सहित भीमजी जी के अधिनियम करने वाली उचित है।

F.No. 10-53/2018-IA.III
Government of India
Ministry of Environment, Forest and Climate Change
(Impact Assessment Division)

Indira Paryavaran Bhawan,
Jor Bagh Road, Ali Ganj
New Delhi - 110 003

Dated: 18th April, 2019

To

The General Manager (Environment-II)
National Highways Authority of India
Ministry of Road Transport and Highways
G-5 & 6, Sector-10, Dwarka
New Delhi - 110 075

Sub: Construction of 6-lane expressway of length 249.195 Km from chainage 3.305 km near 3SBN village, district Kota, Rajasthan to chainage 252.500 near Rasiser village, Bikaner district, Rajasthan under Bharatmala Pariyojana by M/s National Highways Authority of India - **Environmental Clearance** regarding.

Sir,

This has reference to your letter no. 1013/1/2k/Env./603 dated 6th February, 2019 submitting the above proposal online to this Ministry on 6th February, 2019 and subsequent clarifications vide letter dated 14th February, 2019, 19th February, 2019, 29th January, 2019 and 4th April, 2019, for seeking of Environmental Clearance in term of the provisions of the Environment Impact Assessment (EIA) Notification, 2006 under the Environment (Protection) Act, 1986.

2. The above mentioned proposal was considered by the Expert Appraisal Committee (EAC) for Infrastructure, CRZ and other Miscellaneous projects, in its 208th meeting held on 19-20 February, 2019.

3. The project proponent along with the EIA consultant M/s Enviro Infra Solutions Private Limited, Ghaziabad, made a presentation and provided the following information before the Committee:

- (i) The proposal involves the construction of a new 4/6 lane expressway connecting Haryana-Rajasthan Border to Rasiser in Bikaner district, Rajasthan. The proposed alignment is a 249.195 km stretch which lies in North-West region of Rajasthan. The alignment starts from chainage 3.305 km near 3SBN village, district Kota, Rajasthan and terminates on National Highway - 62 at chainage 252.500 near Rasiser village, Bikaner district, Rajasthan.
- (ii) **Land use of the site and around the site up to 10 km radius:** The prominent Land use pattern on 10 km on either side of the project road is

Proposal no.: IA/RJ/NCP/94430/2018

NHAI, PIU, Hanumangarh

predominately agriculture followed by fallow, wastelands, forest and few habitations.

- (iii) **Land Acquisition and Proposed RoW:** The land acquisition for the proposed alignment is approximately 1954 ha, out of which 72.8626 ha is forest land. The proposed RoW of the project is 70 m.
- (iv) **Water bodies, diversion if any:** Total 5 canals, 1 river, 9 drains, 10 Nalahs, 1 dry distributary and 5 ponds will be impacted due to the proposed highway.
- (v) **Waste Management:**
 - (a) **Water requirement, source, status of clearance:** The peak water requirement is 16,000 KLD during construction stage and will be extracted from local surface water resources i.e. from nearby canals after getting necessary permission from concerned authority. The work will be executed through contractor and will be furnished at EC compliance stage.
 - (b) **Waste water quantity, treatment capacity, detail:** 82 KLD Waste water shall be generated and shall be disposed through soak pits.
 - (c) **Recycling / reuse of treated water and disposal:** Waste water shall be disposed through soak pits.
 - (d) **Solid Waste Management:** 600 kg/day (approx.) during construction phase and 75 kg/day (approx.) during operation phase. Bio degradable waste shall be disposed through bio composting and other waste through landfill site.
 - (e) **Hazardous Waste Management:** The hazardous waste generated during construction period will be disposed off as per applicable rule.
- (vi) **Tree cutting, types, numbers, girth size etc.:** The alignment will involve cutting of around 5200 trees.
- (vii) **Rehabilitation involved if any:** The Project requires approx. 1716.65 ha of land. Total 122 structures are coming in the proposed RoW. The land will be acquired as per procedure laid down in RFCT LARR Act, 2013.
- (viii) **Whether the project is in Critically Polluted area:** No.
- (ix) **If the project involves diversion of forest land, extend of the forest land:** Total 72.8626 ha of forest land is proposed for diversion, considering ROW 70m. The proposal for forest clearance has been submitted online vide Proposal No: FP/RJ/Road/37034/2018 dated 19.01.2019.
- (x) **Waste water generation, treatment and disposal:** Not Applicable.
- (xi) **Rain Water Harvesting:** Rainwater harvesting structures shall be provided near the disposal point of the side drains as prescribed by CGWB guidelines.
- (xii) **National Park/ Wild Life Sanctuary in 10 km radius area and Eco-Sensitive Zone in 10 km radius area:** The proposed alignment does not pass through any Wildlife Sanctuary/National Park and its eco sensitive zone. As per information provided by APCCF and Chief Wildlife Warden, Rajasthan, Jorbeer Conservation Reserve is located within the 10 Km radius of the proposed alignment and covers approximately 25 Km length of the proposed alignment.

(xiii) **Investment/Cost of the project:** INR. 4020 Crores.

(xiv) **Benefits of the project:-**

- The proposed project would act as the prime artery for the economic flow to this region.
- Enhanced connectivity between rural & urban population which will benefit the all sections of the society like general population, small-medium-large scale industries, farmers, businessmen etc.
- Improved access to higher education facilities & modern health facilities.
- Strengthening of both rural & urban economies which in turn will improve economic scenario of the state and country.
- Faster transportation will strengthen tourist development in the area.
- Improved road connectivity helps in better implementation and management of government schemes.
- With improvement in economy, more generation of employment opportunities.

(xv) **Employment potential:** During the construction of the road project, around 1200 persons would be employed temporarily for a period of 2 years. However due to construction of toll plazas, approx. 150 persons will be employed on permanent basis. Preference will be given to local people for employment.

(xvi) **ToR Details:** The ToR for the project was granted vide letter No.10-53/2018-IA.III dated 12th September, 2018.

(xvii) **Public Hearing:** Public Hearing was conducted at:

- 21st January 2019 at Collector Office, Hanumangarh.
- 25th January 2019 at Atal Seva Kendra Gram Panchayat Thethar, Tehsil Suratgarh, District Sri Ganganagar.
- 31st January 2019 at Collector Office Auditorium, Bikaner.

Major issues raised during the public hearing and response of project proponent are:

S No	Issues raised	Response of PP
1	Give compensation as per rate of Haryana – Punjab and not as per DLC rate or four times the rate of market. Give compensation of remaining land which is left over after acquired land	Land acquisition proceedings and compensation amount will be given as per provisions of Land Acquisition Act 2013
2	Land is divided into pieces due to land acquisition and as result of which irrigation facilities and movement across the remaining land will be affected.	Suitable and proper arrangements will be made for the affected irrigation and movement facilities due to this proposed road project.
3	How sand will be picked up during road construction?	During road construction, sand will be tested at fixed places and after taking permission from concerned authority / officer, sand will be picked up.
4	Plantation being done on both sides of road should include Kejri trees and not	As per Green belt project, Safeda trees are not planted on both sides of

Proposal no.: IA/RJ/NCP/94430/2018

S No	Issues raised	Response of PP
	Safeda trees so that land is not harmed.	the road.
5	Tree cutting should be minimum and misuse of well water should not be done in the construction of road.	Trees other than those that are coming under the proposed project will not be harmed.

(xviii) If any court case pending for violation of the environmental laws: No.

4. The EAC, in its 208th meeting held on 19-20 February, 2019, has recommended the project for grant of Environmental Clearance for the development of the said project, subject to compliance of all generic conditions applicable for such projects, and the additional conditions as mentioned below. As per recommendations of the EAC, the Ministry of Environment, Forest and Climate Change hereby accords Environmental Clearance to the project '**Construction of 6-lane expressway from chainage 3.600 km near 3SBN village, district Kota, Rajasthan to chainage 252.500 near Rasiser village, Bikaner district, Rajasthan under Bharatmala Pariyojana by M/s National Highways Authority of India**', under the provisions of the EIA Notification, 2006 and subsequent amendments/circulars issued thereon, and subject to the specific and general conditions as under:

PART A - SPECIFIC CONDITIONS

- This Environmental Clearance is subject to outcome of court cases pending against the project proponent at Hon'ble Supreme Court of India / High Court / other courts, if any.
- The recommendations of Cumulative Impact Assessment studies shall be implemented under intimation to the Ministry and its Regional Office concerned.
- The alignment passes from a distance of 8km from Badopal Lake, i.e., Important Bird Area (IBA). Biodiversity conservation plan should be prepared with sufficient fund provision to implement the recommendations in consultation with State Forest Department.
- Waste water to be treated and not to be diverted to the soak pits as the ground water table is shallow and at places there are possibilities of ground water contamination.
- Approval/permission of concerned authority shall be obtained before drawing water from the irrigation canal. State Pollution Control Board (SPCB) concerned shall not issue Consent to operate (CTO) till the project proponent obtains such permission.
- The proponent shall obtain permission from the competent authorities for tree cutting along the proposed alignment.
- A comprehensive plan for afforestation including plantation of minimum

Proposal no.: IA/RJ/NCP/94430/2018

REK

three times of the number of trees required to be cut, by native species, be provided. The IRC Guidelines on Landscaping and Tree Plantation (2009) shall be strictly adhered while carrying out afforestation/plantation for this project.

- (viii) The RoW shall not exceed 70m at any point of the proposed 8-lane alignment, except for the junction improvement at the intersections of the other roads.
- (ix) Fund provisions of Rs. 20.10 Crores (@ 0.5% of the total project cost of Rs. 4020 Crore) shall be provided for Corporate Environment Responsibility (CER) as per the Ministry's O.M. No. 22-65/2017-IA.III dated 1st May, 2018. The expenditure details, as per the plan, shall be submitted to the concerned Regional Office of the Ministry.
- (x) The proposal involves diversion of 72.8626 ha of forest land, for which the proponent shall obtain the Forest Clearance as required under the forest (Conservation) Act, 1980. Project proponent shall submit an undertaking that work on non-forestry land may only be executed upto such point (to be selected by the user agency) on either side of forest land if it is explicitly certified by the user agency that in case approval under the Forest (Conservation) Act, 1980, for diversion of forest land is declined, it is technically feasible to execute the project along an alternate alignment without involving diversion of forest land. Details of all such stretches along with alternate alignment identified to bypass the forest land should be explicitly provided in the proposal seeking approval under the Forest (Conservation) Act, 1980 and the EIA Notification, 2006.
- (xi) Commencement of work in non-forest land will not confer any right on the user agency with regard to grant of approval under the Forest (Conservation) Act, 1980.

PART – B: GENERAL CONDITIONS

- (i) Responsibility for implementation of EC conditions rests with the project proponent only.
- (ii) The EC will be subject to outcome of ongoing legal proceedings in the court of law, if any.
- (iii) Cut and fill works shall be carried out strictly in accordance with the design drawings proposed at the time of appraisal of the project.
- (iv) The project proponent shall obtain necessary permission from the owning agencies of water bodies/temple/tanks etc., as applicable, before execution of works.
- (v) The project proponent shall obtain necessary permission from the concerned State(s) Irrigation Department(s) before drawing water from the river sources for the purpose of the proposed construction activity.

- (vi) Blasting shall be carried out during fixed hours (preferably during mid-day) or as permitted by the concerned authority. The timing shall be made known to all the people within 1000 m (200 m for pre-splitting) from the blasting site in all directions.
- (vii) The fly ash shall be used for the proposed project to comply with the Fly Ash Notification, 1999, as amended.
- (viii) Rehabilitation of project affected families (PAFs) and payment of compensation to PAFs shall be carried out as per the extant policy of the Central/State Government, as provided under the law. All the Indian Road Congress (IRC) guidelines wherever applicable may be followed.
- (ix) All entry/exit/access points on this highway shall be appropriately designed and preferably frozen to avoid traffic congestion and pollution.
- (x) Rain water harvesting including oil and grease trap shall be provided. Water harvesting structures shall be located at every 500 m along the road. Vertical drain type rainwater harvesting structures shall be set up to minimize surface runoff losses of rainwater.
- (xi) All the recommendations of the EMP shall be complied in both letter and spirit. All the mitigation measures submitted in the EIA report shall be prepared in a matrix format and the compliance for each mitigation plan shall be submitted to MoEF&CC.
- (xii) Green belt development shall be undertaken as suggested in EMP.
- (xiii) Sidewalk shall be provided along the bridges.
- (xiv) The seismic nature of the area shall be taken into account while designing the project.
- (xv) IRC guidelines shall be followed for widening & up-gradation of road.
- (xvi) The drain shall be at least 1 m away from the toe of the embankment of the road adopting IRC guidelines.
- (xvii) Longitudinal drains shall be provided all along the project road to ensure proper drainage of the area. In addition, adequate number of under passes and culverts to act as cross drainage structures shall also be provided.
- (xviii) The solid waste generated shall be used for rehabilitating the borrow areas.
- (xix) For providing safety to the crossing animals and avoid road accidents speed breakers/rumpled strips shall be constructed at the identified locations of the animal movements. Enough hoardings and signages shall also be put up for the public and vehicles convenience.
- (xx) Necessary clearance/approval shall be obtained for extraction of sand from rivers.
- (xxi) The embankments/slopes and the slopes left after cutting shall be provided with vegetative growth to avoid soil erosion.

परियोजना निदेशक/Project Director
भारतवा. प.का.ई. हनुमानगढ़/
NHAI, PIU-Hanumangarh

- (xxii) The hot mix plant shall be located at least 500 m away from habitation and on the barren land to avoid its adverse impact on the human population.
- (xxiii) For road safety, IRC guidelines in respect of road signages, service roads, bus bays, inter-sections, pedestrian crossings, etc. shall be strictly adhered to.
- (xxiv) The responses/commitments made to the issues raised during public hearing shall be complied in both letter and spirit. A hard copy of the action taken shall be submitted to the MoEF&CC and also to its concerned Regional Office.
- (xxv) Beside fulfilling obligations under Corporate Social Responsibilities as per Company's Act, 2013, the proponent has to adhere to the followings Corporate Environment Responsibilities:
 - (a) The Company shall have a well laid down Environment Policy approved by the Board of Directors.
 - (b) The Environment Policy shall prescribe for standard operating process/ procedures to bring into focus any infringements/ deviation/violation of the environmental or forest norms/ conditions.
 - (c) The hierarchical system or Administrative Order of the company to deal with environmental issues and for ensuring compliance with the environmental clearance conditions shall be furnished.
 - (d) To have proper checks and balances, the company shall have a well laid down system of reporting of non-compliances/ violations of environmental norms to the Board of Directors of the company and/or shareholders or stakeholders at large.
- (xxvi) Appropriate measures must be taken while undertaking digging activities to avoid any likely degradation of water quality.
- (xxvii) Borrow sites for each quarry sites for road construction material and dump sites must be identified keeping in view the following:
 - (a) No excavation or dumping on private property is carried out without written consent of the owner.
 - (b) No excavation or dumping shall be allowed on wetlands, forest areas or other ecologically valuable or sensitive locations.
 - (c) Excavation work shall be done in close consultation with the Soil Conservation and Watershed Development Agencies working in the area, and
 - (d) Construction spoils including bituminous material and other hazardous materials must not be allowed to contaminate water courses and the dump sites for such materials must be secured so that they shall not leach into the ground water.
- (xxviii) As per MoEF&CC's circular no. J-11013/41/2006-IA.II (I) dated 22nd September, 2008, provision shall be made for supply of kerosene or cooking gas and pressure cooker to the labourers, mobile toilets, mobile STP, safe,

Proposal no.: IA/RJ/NCP/94430/2018

drinking water, medical health care, Crèche and temporary structures for living during construction phase.

- (xxix) Adequate precautions shall be taken during transportation of the construction material so that it does not affect the environment adversely.
- (xxx) Borrow pits and other scars created during the road construction shall be properly levelled and treated.
- (xxxi) The project proponent will set up separate environmental management cell for effective implementation of the stipulated environmental safeguards under the supervision of a Senior Executive.
- (xxxii) Full support shall be extended to the officers of this MoEF&CC and its Regional Office by the project proponent during inspection of the project for monitoring purposes by furnishing full details and action plan including action taken reports in respect of mitigation measures and other environmental protection activities.
- (xxxiii) MoEF&CC or any other competent authority may stipulate any additional conditions or modify the existing ones, if necessary in the interest of environment and the same shall be complied with.
- (xxxiv) In the event of a change in project profile or change in the implementation agency, a fresh reference shall be made to the MoEF&CC.
- (xxxv) The project proponents shall inform the Regional Office concerned as well as the MoEF&CC, the date of financial closure and final approval of the project by the concerned authorities and the date of start of land development work.
- (xxxvi) The funds earmarked for environmental protection measures shall be kept in separate account and shall not be diverted for other purpose. Year-wise expenditure shall be reported to MoEF&CC and its concerned Regional Office.

5. In addition to above mentioned conditions following general guidelines are to be adhered:

- (i) The above stipulations would be enforced among others under the provisions of Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and control of Pollution) act 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991, EIA Notification, 2006 and its subsequent amendments. All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Civil Aviation Department, the Forest Conservation Act, 1980 and the Wildlife (Protection) Act, 1972 etc. shall be obtained, as applicable by project proponents from the respective competent authorities.
- (ii) Officials from the Regional Office of the Ministry who would be monitoring the implementation of environmental safeguards should be given full cooperation, facilities and documents/data by the project proponents during their inspection.

- A complete set of all the documents submitted to MoEF&CC should also be forwarded to its concerned Regional Office.
- (iii) In case of any change(s) in the scope, the project would require a fresh appraisal by the MoEF&CC.
 - (iv) The project proponent shall advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded Environmental Clearance and copies of clearance letters are available with the State Pollution Control Board and may also be seen on the website of the Ministry of Environment, Forest and Climate Change at <http://www.envfor.nic.in>. The advertisement shall be made within Seven days from the date of receipt of the Clearance letter and a copy of the same shall be forwarded to the concerned Regional office of the MOEF&CC.
 - (v) A copy of the clearance letter shall be sent by the proponent to concerned Panchayat, Zila Parishad/Municipal Corporation, Urban Local Body and the Local NGO, if any, from whom suggestions/ representations, if any, were received while processing the proposal. The clearance letter shall also be put on the website of the company by the proponent.
 - (vi) A copy of the environmental clearance letter shall also be displayed on the website of the concerned State Pollution Control Board. The EC letter shall also be displayed at the Regional Office, District Industries centre and Collector's Office/Tehsildar's office for 30 days.
 - (vii) The proponent shall upload the status of compliance of the stipulated EC conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of the Ministry, the respective Zonal Offices of CPCB and the SPCB. The criteria pollutant levels namely; PM₁₀, PM_{2.5}, SO₂, NO₂ (ambient levels as well as stack emissions) or critical sectoral parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.
 - (viii) The project proponent shall also submit six monthly report on the status of the compliance of stipulated EC Conditions including results of monitored data (both in hard copies as well as by email) to the concerned Regional Offices of MoEF&CC/CPCB/SPCB.
 - (ix) The environmental statement for each financial year ending 31st March in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of EC conditions and shall also be sent to the respective Regional Offices of the Ministry/CPCB/SPCB by e-mail.

6. This clearance is subject to final order of the Hon'ble Supreme Court of India in the matter of Goa Foundation Vs Union of India in Writ Petition (Civil) No.460 of 2004 as may be applicable to this project.

7. Any appeal against this clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.

8. The Ministry reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provisions of the Environmental (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.

9. This issues with the approval of the Hon'ble MEF&CC.

Times Network launches a spl mental health initiative

ACT NOW

Mental health issues have been a topic of discussion for some time. However, it is only in the last few years that the topic has gained significant attention. The Times Network has launched a special mental health initiative to raise awareness and provide support to those in need.

The initiative is called 'ACT NOW' and is aimed at providing a platform for people to share their experiences and seek help. It includes a helpline, a website, and a series of workshops and seminars.

The helpline is available 24/7 and is staffed by trained professionals. The website provides a wealth of information on mental health issues, including symptoms, treatments, and support groups. The workshops and seminars are designed to educate the public on mental health and provide a safe space for people to talk about their experiences.

The Times Network is committed to promoting mental health and supporting those who are struggling. We believe that everyone has the right to live a healthy and happy life, and we are dedicated to helping people achieve that goal.

Sonia unable to handle party affairs, Manmohan lost touch with MPs

EXTENT OF AN OUTCAST

The Congress party is facing a crisis of leadership. Sonia Gandhi, who has been the face of the party for over a decade, is unable to handle party affairs. Manmohan Singh, who has been the Prime Minister for over a decade, has lost touch with the MPs.

The party is in a state of disarray. There is a lack of direction and a sense of uncertainty. The MPs are frustrated and the public is confused. The party needs a new leader and a new direction.

The Congress party has been the dominant force in Indian politics for over a century. It has led the country through some of its most difficult times. However, it is now facing a challenge that it has never before. It needs to adapt to the changing times and to the changing needs of the people.

The Congress party is a family. It is a family of people who have worked together for over a century. It is a family that has achieved many great things. But it is a family that is now in need of a new leader and a new direction.

The Congress party is a family that is proud of its history and its achievements. It is a family that is proud of its values and its principles. But it is a family that is now in need of a new leader and a new direction.

CDS 120 warships in IOR as nations racing to build strategic base

The Indian Navy is currently conducting a large-scale exercise in the Indian Ocean Region (IOR). The exercise involves 120 warships and is the largest of its kind in the region. The exercise is aimed at demonstrating the Navy's capabilities and its readiness to respond to any threat.

The Indian Navy is one of the most powerful navies in the world. It has a long history of service and has played a key role in the development of the country. The Navy is now facing a new challenge. It needs to be able to operate in a more complex and contested environment.

The Indian Navy is a family. It is a family of people who have worked together for over a century. It is a family that has achieved many great things. But it is a family that is now in need of a new leader and a new direction.

The Indian Navy is a family that is proud of its history and its achievements. It is a family that is proud of its values and its principles. But it is a family that is now in need of a new leader and a new direction.

Will quit govt if MSP removed, says Dushyant

Dushyant Singh, a prominent leader of the Congress party, has threatened to quit the government if the Minimum Support Price (MSP) is removed. He said that the MSP is a lifeline for farmers and that its removal would be a disaster for the country.

The MSP is a government guarantee that farmers will receive a certain price for their crops. It is a key part of the government's policy to support farmers and to ensure food security. The MSP has been a controversial issue for many years, with some people arguing that it is a subsidy and others arguing that it is a necessary part of the government's policy.

Dushyant Singh is a member of the Congress party and is a vocal supporter of the MSP. He has been a member of the government for many years and has been involved in many of the government's policies. He is now threatening to quit the government if the MSP is removed.

The government has not yet responded to Dushyant Singh's threat. It is a difficult issue and one that will require a lot of discussion and debate. The government needs to find a way to support farmers and to ensure food security while also addressing the concerns of the public.

Amendment proposed by govt will bring parity between pvt trade areas & APMCs

The government has proposed an amendment to the Agricultural Produce Market Committee (APMC) Act. The amendment is aimed at bringing parity between private trade areas and APMCs. It will allow private trade areas to operate on the same terms as APMCs.

The APMC is a government-owned organization that regulates the sale of agricultural produce. It is a key part of the government's policy to support farmers and to ensure food security. The APMC has been a controversial issue for many years, with some people arguing that it is a monopoly and others arguing that it is a necessary part of the government's policy.

The amendment will allow private trade areas to operate on the same terms as APMCs. This will mean that private trade areas will be able to sell agricultural produce at the same prices as APMCs. This will be a significant change and will have a major impact on the agricultural sector.

The government has said that the amendment is necessary to ensure that all farmers have access to the same market. It is a key part of the government's policy to support farmers and to ensure food security. The amendment will be passed by the government in the near future.

NATIONAL CENTRE FOR RADIO ASTRONOMY

The National Centre for Radio Astronomy (NCRA) is a research organization that is dedicated to the study of radio astronomy. It is one of the largest and most advanced radio astronomy facilities in the world.

Radio astronomy is the study of the universe using radio waves. It is a branch of astronomy that has been around for over a century. It has played a key role in the development of our understanding of the universe.

The NCRA is a research organization that is dedicated to the study of radio astronomy. It is one of the largest and most advanced radio astronomy facilities in the world. It has a long history of research and has played a key role in the development of our understanding of the universe.

The NCRA is a research organization that is dedicated to the study of radio astronomy. It is one of the largest and most advanced radio astronomy facilities in the world. It has a long history of research and has played a key role in the development of our understanding of the universe.

Release of political prisoners part of our demand: Kisan outfit

The Kisan Sabha, a prominent organization representing farmers, has demanded the release of political prisoners. It said that the release of political prisoners is a key part of the government's policy to support farmers and to ensure food security.

The Kisan Sabha is a prominent organization that represents farmers. It has a long history of service and has played a key role in the development of the country. The Kisan Sabha is now facing a new challenge. It needs to be able to operate in a more complex and contested environment.

The Kisan Sabha is a family. It is a family of people who have worked together for over a century. It is a family that has achieved many great things. But it is a family that is now in need of a new leader and a new direction.

The Kisan Sabha is a family that is proud of its history and its achievements. It is a family that is proud of its values and its principles. But it is a family that is now in need of a new leader and a new direction.

Govt buys 22% more paddy at MSP this season

The government has announced that it will buy 22% more paddy at the Minimum Support Price (MSP) this season. This is a significant increase and will be a major boost for farmers.

The MSP is a government guarantee that farmers will receive a certain price for their crops. It is a key part of the government's policy to support farmers and to ensure food security. The MSP has been a controversial issue for many years, with some people arguing that it is a subsidy and others arguing that it is a necessary part of the government's policy.

The government has said that the increase in the MSP is necessary to ensure that all farmers have access to the same market. It is a key part of the government's policy to support farmers and to ensure food security. The increase will be implemented in the near future.

GOVT OF INDIA

The Government of India is a federal republic. It is a country that has a long history and a rich culture. It is a country that is proud of its values and its principles.

The Government of India is a family. It is a family of people who have worked together for over a century. It is a family that has achieved many great things. But it is a family that is now in need of a new leader and a new direction.

The Government of India is a family that is proud of its history and its achievements. It is a family that is proud of its values and its principles. But it is a family that is now in need of a new leader and a new direction.

सन्दर्भ:- आपका पत्रांक पं. 1(40)वन/2020 पार्ट-I दिनांक 10.08.2020

महोदय,

उपरोक्त विषयक शासन सचिव, वन विभाग, जयपुर के पत्रांक प.1(40)वन/2020 दिनांक 01.07.2020 का आशय ग्रहण करने का कष्ट करें जिसके द्वारा विषयकित प्रकरण में वन (संरक्षण) अधिनियम, 1980 की धारा (2) के अन्तर्गत भारत सरकार की स्वीकृति माँगी थी।

प्रकरण को दिनांक 25.08.2020 को आहूत की गयी क्षेत्रीय सशक्त समिति (REC) की बैठक में (REC Agenda item 49.3-RAJ) शामिल किया गया था, बैठक में प्रकरण को स्वीकृति प्रदान की गयी है। क्षेत्रीय सशक्त समिति की स्वीकृति उपरान्त मुझे आपको यह सूचित करने का निर्देश हुआ है कि केन्द्र सरकार उपरोक्त विषयकित परियोजना हेतु 63.6807 हे० वनभूमि के प्रत्यावर्तन एवं 9096 वृक्षों के पातन की सैद्धान्तिक स्वीकृति निम्नलिखित शर्तों पर प्रदान करती है:-

1. Legal status of the forest land shall remain unchanged.
2. Compensatory afforestation shall be taken up by the Forest Department over 127.5152 ha degraded forest land (Compartment/ Khasra No.1, Village Chak 329.700 RD & 244 RD, Tehsil Lunkaransar, District-Bikaner), (Compartment/ Khasra No.1, Village Sonari Meghsinghpura, Tehsil Nohar, District Hanumangarh), (Compartment/ Khasra No .3PPN, Village 3 PPN, Tehsil Suratgarh, District Sriganaganagar) at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.
3. The cost of compensatory afforestation at the prevailing wage rates as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.
4. The State Government shall charge the Net Present Value (NPV) for the 63.6807 ha. forest area to be diverted under this proposal from the user agency as per the orders of the Hon'ble Supreme Court of India dated 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in IA No. 566 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1998-FC (Pt.II) dated 18/09/2003, as well as letter No 5-2/2006-FC dated 03/10/2006 and 5/3/2007-FC dated 05/02/2009 in this regard.
5. Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.
6. User agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.
7. As far as possible maximum number of trees shall be translocated according to detailed scheme for translocation of suitable plants prepared in consultation with the State Forest Department and the cost for the same shall be borne by the user Agency.
8. Road side plantation shall be done according to a scheme for Road side plantation as per IRC norms prepared in consultation with the State Forest Department and the cost for the same shall be borne by the user Agency.
9. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
10. User agency shall raise strip plantation on both sides and central verge of the road as per the IRC norms.
11. Speed regulating signage will be erected along the road at regular intervals in the Protected Areas/ forest Areas.
12. The user agency shall provide suitable under/over pass in Protected Area/Forest Area as per recommendations of CWLW/NBWL/FAC/REC.
13. User Agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.
14. The layout plan of the proposal shall not be changed without prior approval of Central Government.
15. No labour camp shall be established on the forest land.
16. Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel.
17. The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer.
18. No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
19. The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.
20. The forest land shall not be used for any purpose other than that specified in the project proposal.
21. The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or person without prior approval of Govt. of India.
22. DFO should submit a certificate, certifying that no work has been executed in violation of Forest (Conservation) Act, 1980 in the said proposal.
23. Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the MoEF&CC Guideline F. No. 11-42/2017-FC dt 29/01/2018.
24. Before the sanction of this project, user agency must take approval from State Government as per Aravali Notification dated 07.05.1992.
25. The Project Proponent (NHAI) must allow free movement of vehicles of the Forest Department on official duty.
26. Any other condition that the Ministry of Environment, Forests & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife.
27. All the funds received from the user agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal (<https://parivesh.nic.in/>).
28. The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).

After receipt of the compliance report from the State Government on fulfillment of the conditions mentioned above, final/stage-II approval of the Central Government, in accordance with Section-2 of the Forest (Conservation) Act, 1980, will be accorded.
