Rajagopal said it was easier to engage with the Congress. "The Congress party did some things to give voice to the poor people in terms of policies...the land acquisition Act...The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act...the Forest Rights Act... When Syeda Haqueem was a member of the Planning Commission, I remember they opened a separate window for voluntary organisations to deal with the Planning Commission," he said.

He added: "So when a call is made for the people to work together, it is not to work together to solve the problems of the people who are working with the poor".

India awaits Russia evidence on IS man, may send NIA team

"Formerly" share evidence on the suspected Islamic State (IS) terrorist who was reportedly planning to carry out a suicide attack against a "representative of ruling circles of India", alleged over the contacts on Prophet Muhammad earlier this year. Sources said that once this evidence is received, the case will likely be given to the National Investigation Agency (NIA) which may send a team to Russia.

Russia's Federal Security Service (FSB) had on Monday announced the detention of 11 suspects, identified as Masharipov, Azamov and 9 others, as well as an Uzbek national.

"Information has been furnished by Russian authorities in Tashkent that a case will be registered on the matter after some evidence comes through formal channels. Since the FSB has the mandate to protect

Russian to interrogate the suspect, said a home ministry official.

Meanwhile, the central security establishment is probing alleged IS networks in India, which was supposed to provide logistical support to Azamov's father, he admitted in India. In a video of his confession released by the government on Monday, Azamov said: "I am convinced to be given this opportunity."

While this has been interpreted as a likely reference to suspended BJP spokesperson Nupur Sharma's remarks on Prophet during a TV debate May, sources in the Indian security establishment said it was known if she was the target.

According to FSB, the sus-

act by self-detonation against one of the representatives of the ruling circles of India," said the suspect was recruited as a suicide bomber by the IS "in period from April to June 2015 while in the territory of the Republic of Turkey."

In the FSB video, the suspect said that he swore allegiance to the IS Emirate April this year and underwent special training for which he flew to Russia.

Following Sharma's remarks, the IS had, in June, threatened to launch a series of attacks in India. The Al Qaeda Foundation, the mouthpiece of the Islamic State Khorasan Province (ISKP), had released a bulletin stating that India was a target of the terror group following Sharma's "apology".

Unhinged "suicide bombs" hit Delhi, Mumbai, Uttar Pradesh and Gujarat over the issue.
