THE HINDU

CLIPPING No: 9

**TELANGANA STATE POWER GENERATION CORPORATION LIMITED**

VIDYUT SOUDHA - HYDERABAD - 500 082

**NOTICE**

Government of India, MoEF & CC, Regional Office (SEZ), Chennai vide letter F.No.4-TSB/163/2019-CHN/1876, Dt.03.12.2019 conveyed In-Principle (Stage-I) approval under Section 2 of Forest (Conservation) Act, 1980, for diversion of 0.578Ha of forest area in Manuguru Forest Division under Bhadradi Kothagudem District, for laying of MS pipe line from Intake well cum pump house at Ramanujavaram(V), Manuguru(M), Bhadradi Kothagudem District to Raw Water Reservoir at Bhadradi Thermal Power Station(4x270MW) from River Godavari in favour of TSGENCO, subject to the following conditions.

1. Legal status of the diverted forest land shall remain unchanged.
2. Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meter by the user agency in consultation with the DFO concerned at the project cost before the stage II approval.
3. The Compensatory Afforestation (CA) shall be raised and maintained by the State Forest Department over 0.60Ha of degraded forest land identified in Compt No 801/Aswapuram RF and Range, Manuguru Division, at the cost of the user Agency.
4. Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government.
5. The State Government shall charge the Net Present Value of the diverted forest land measuring 0.578 ha from User Agency as per the orders of the Hon'ble Supreme Court dated :23.03.2008 and 09.05.2008 in IANos.826 in 566 with related IAs in Writ Petition (Civil) No.202/1995.
6. Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency. The User Agency shall furnish an undertaking to this effect.
7. All the funds received from the User Agency under the project shall be transferred/ deposited to CAMPA funds only through e-portal (<https://parivesh.nic.in/>).
8. The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).
9. The State Forest Department shall carry out translocation of the trees wherever feasible, at the cost of the User Agency.
10. The muck generated in the earth cutting if any, will be disposed off at designated dumping sites and in no case the muck/debris will be disposed off in the forest areas.
11. Tree felling in the proposed forest area shall be carried out wherever necessary, with the prior permission of the Divisional Forest Officer concerned.
12. The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government.
13. The layout plan of the proposal shall not be changed without the prior approval of the Central Government.
14. Disturbance shall be kept minimum by creating labour campus outside the forest area as far as possible and it shall be the responsibility of the User Agency to ensure that the labourers & Staff engaged in execution of work do not destruct nearby forest flora & Fauna.
15. The pipeline shall be laid down 1.5 meter below the ground and after laying down of pipe line, the ground will be leveled.
16. No additional or new path will be constructed inside the forest area for the transportation of construction material for execution of the project work.
17. The total forest area utilized for the project shall not exceed 0.578 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect.
18. The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations, Court Orders and Guidelines, for the time being in force, as applicable to the project.
19. Any other conditions that the Central Government of DDG (Central) Regional office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency.
20. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the provisions under rules/guidelines framed under FCA, 1980.
