| (ii)  | Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of the User Agency.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | The User Agency has deposited an amount of Rs.32,11,300/- into PD accounts of FDOs Bellampally and Chennur towards erecting of Cement Concrete pillars 4' high for demarcation of proposed forest land and extraction of tree growth. |
| (iii) | The State Forest Department shall carry out compensatory afforestation over an extent of 4.8409 ha out of 28.45 ha in Sy.No.67/1 at Venkatapur Villages Mudhole Mandal of Nirmal Division in lieu of proposed diversion of forest land for (7) road projects & (1) Establishment of Eidga in Chincholi RF of Nirmal under PMGSY Scheme in various Divisions and Districts of the Telangana State. The portion of non-forest area out of 59.468 ha, identified for CA purpose for the subject project, shall be demarcated properly to identify the same for monitoring purpose;                                                                                                                                                                                                                                       | The User Agency has deposited an amount totaling to Rs.1,48,53,503/- (towards NPV Rs.30,30,403/- + CA Rs.1,18,23,100/-), against the project FP/TG/ROAD/47266/2020.                                                                   |
| (iv)  | Non forest area and degraded forest land identified for CA purpose and CA scheme shall not be changed without prior approval of the Central Government;                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Agreed to                                                                                                                                                                                                                             |
| (v)   | Entire non-forests land identified for raising compensatory afforestation over an extent of 28.45 ha in Sy.No.67/1 at Venkatapur Village, Mudhole Mandal of Nirmal Division in lieu of proposed diversion of forest land for (7) road projects & (1) Establishment of Eidga in Chincholi RF of Nirmal under PMGSY Scheme in various Divisions and Districts of the Telangana State, shall be transferred and mutated in favour of the State Forest Department and same shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act before Stage-II approval. A copy of the original notification shall be submitted along with the compliance report to this office for information and record; | Notification proposals under Section 4 of Telangana State Forest Act 1967 (Read with Indian Forest Act,1972) will be prepared and submitted.                                                                                          |
| vi    | The PCCF and Nodal Officer (FCA) of the State of Telangana shall instruct all the field level officers to implement the CA scheme in its entirety as per the proposal and no CA amount should be left unspent;                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Will be complied.                                                                                                                                                                                                                     |
| (vii) | The State Government shall charge the Net Present Value of the diverted forest land measuring 4.8409 Ha                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | The User Agency has deposited an amount totaling                                                                                                                                                                                      |

I/271567/2024

|        |                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|--------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|        | from the User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995;                                                                                                                          | to Rs.1,48,53,503/- (towards NPV Rs.30,30,403/- + CA Rs.1,18,23,100/-), against the project FP/TG/ROAD/47266/2020.                                                                                                                                                                                                                                                                                                                                                                                 |
| (viii) | Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect; | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith.                                                                                                                                                                                                                                                                                                                                                                                   |
| (ix)   | Proposed Wildlife Mitigation Plan with financial outlay of ₹150.08 lakhs shall be implemented by the State Forest Department at the cost of the User Agency;                                                                                                                                              | The User Agency has deposited an amount of Rs.1,50,08,000/- towards Wildlife mitigation plan in favour of Forest Bio-diversity Conservation Society of Telangana account No. (UBINDB: 1033): 110310100030284 through Cheque No.028581, Dt.25.08.2022.<br><br>Later the said amount has been transferred to CAMPA account. Credit of the payment has been confirmed by the AIGF (C), GoI, NCAFM & PA, MoEF&CC vide File No.NA-1/61/2020-NA, dt:22.07.2024. A copy of the same is enclosed herewith. |
| (x)    | All the funds received from the User Agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal ( <a href="https://parivesh.nic.in/">https://parivesh.nic.in/</a> );                                                                                                    | The User Agency has deposited an amount totaling to Rs.1,48,53,503/- (towards NPV Rs.30,30,403/- + CA Rs.1,18,23,100/-), against the project FP/TG/ROAD/47266/2020.                                                                                                                                                                                                                                                                                                                                |
| (xi)   | The User Agency shall construct retaining walls and check walls wherever required, by consulting the DFO concerned, at the project cost;                                                                                                                                                                  | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith.                                                                                                                                                                                                                                                                                                                                                                                   |
| (xii)  | Construction of culverts / bridges, if any, over the natural streams/ rivers/ canals shall be done in such a manner that it does not hamper the natural course of                                                                                                                                         | The User Agency has agreed to comply with the condition and furnished an undertaking                                                                                                                                                                                                                                                                                                                                                                                                               |

I/271567/2024

|         |                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                  |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
|         | water, does not give rise to water-logging, and also does not hamper movement of wild animals;                                                                                                                                                                                                                                                                                                      | which is enclosed herewith.                                                                                      |
| (xiii)  | Road side cuttings and fillings which require engineering support shall be provided as per the instructions of the District Forest Officer, concerned so as to stabilize the soil.                                                                                                                                                                                                                  | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xiv)   | The dug out material / overburden shall be dumped outside the forest area. Storage of any material shall not be done in the forest area;                                                                                                                                                                                                                                                            | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xv)    | The layout plan of the proposal shall not be changed without the prior approval of the Central Government;                                                                                                                                                                                                                                                                                          | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xvi)   | The State Government shall issue working permission after ensuring all conditions to be complied with for issuing of such working permission as per the Ministry's guidelines and ensuring RoFR certificate for the entire area over an extent of 4.8409 ha. The State Government shall inform regarding working permission accorded, if any as the case may be, to this office for record purpose; | Working permission was accorded to the User Agency vide PCCF's Rc.No.4557/2019/FCA-2, Dt:d: 07.08.2023.          |
| (xvii)  | The User Agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/ tree felling and no labour camp shall be established inside the forest area;                                                                                                                                                                                                    | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xviii) | Felling of trees shall be carried out wherever necessary under the strict supervision of DFO concerned;                                                                                                                                                                                                                                                                                             | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xix)   | Disturbance shall be kept minimum by creating labour camps outside the forest area as far as possible and it shall be the responsibility of the User Agency to ensure that the labourers& staff engaged in execution of work do not destruct nearby forest flora & fauna;                                                                                                                           | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xx)    | The total forest area utilized for the project shall not exceed 4.8409 Ha (width of the carriageway / BT portion of the road shall be restricted to 3 mtrs) and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect;                                                           | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xxi)   | The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government;                                                                                                                                                                                                            | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xxii)  | The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force,                                                                                                                                                                                                                                     | The User Agency has agreed to comply with the condition and furnished an undertaking                             |

|         | as applicable to the project;                                                                                                                                                                                                                                                            | which is enclosed herewith.                                                                                      |
| (xxiii) | Any other conditions that the Central Government or Regional Officer (Central) of Integrated Regional Office, Hyderabad may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency; | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xxiv)  | In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the rules/guidelines issued under FCA, 1980                                                                                                                         | The User Agency has agreed to comply with the condition and furnished an undertaking which is enclosed herewith. |
| (xxv)   | The State Government shall process and submit compliance report on the above conditions through online ( <a href="https://parivesh.nic.in/">https://parivesh.nic.in/</a> );                                                                                                              | Agreed to. The compliance report is being forwarded online through the Ministry's portal.                        |
|         |                                                                                                                                                                                                                                                                                          |                                                                                                                  |

Further, the CCF/FD, KTR, Mancherial has reported that the Stage-I approval has been published in Telugu newspaper (Eenadu) on 24.09.2022 and English newspaper (Deccan Chronicle) on 02.10.2022. Copies of the same are enclosed herewith.

In view of the above, compliance report is submitted herewith in duplicate with a request to process the proposal for final (Stage-II) approval.

Early action is requested.

| xi.   | The User Agency shall construct retaining walls and check walls wherever required. by consulting the DFO concerned, at the project cost;                                                                                                                                                                                                                                                            | Agreed. An undertaking in this regard is submitted herewith                                                                                                                                 | Retaining walls and check walls will be constructed by the User Agency, at sites identified by the District Forest Officer, Mancherial. For which the User Agency has submitted the Undertaking which is enclosed herewith.                                                                                                                                                                                                                                                                                                                                       |  |  |      |             |                           |                       |   |                          |          |         |  |              |                |  |
| xii.  | Construction of culverts / bridges, if any, over the natural streams/ rivers/ canals shall be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals;                                                                                                                                    | Agreed. An undertaking in this regard is submitted herewith                                                                                                                                 | Same will be monitored. The User Agency has also submitted the under taking which is enclosed herewith.                                                                                                                                                                                                                                                                                                                                                                                                                                                           |  |  |      |             |                           |                       |   |                          |          |         |  |              |                |  |
| xiii. | Roadside cuttings and fillings which require engineering support shall be provided as per the instructions of the DFO concerned so as to stabilize the soil;                                                                                                                                                                                                                                        | Agreed. An undertaking in this regard is submitted herewith                                                                                                                                 | Will be executed by User Agency and the same shall be monitored. The User Agency submitted the undertaking which is enclosed herewith.                                                                                                                                                                                                                                                                                                                                                                                                                            |  |  |      |             |                           |                       |   |                          |          |         |  |              |                |  |
| xiv.  | The dug out material / overburden shall be dumped outside the forest area. Storage of any material shall not be done in the forest area;                                                                                                                                                                                                                                                            | Agreed. An undertaking in this regard is submitted herewith                                                                                                                                 | The same shall me monitored. The User Agency has submitted the undertaking which is enclosed herewith.                                                                                                                                                                                                                                                                                                                                                                                                                                                            |  |  |      |             |                           |                       |   |                          |          |         |  |              |                |  |
| xv.   | The layout plan of the proposal shall not be changed without the prior approval of the Central Government;                                                                                                                                                                                                                                                                                          | Agreed. An undertaking in this regard is submitted herewith                                                                                                                                 | Yes, the User Agency has agreed to comply this condition for which under taking is submitted by User Agency which is enclosed herewith.                                                                                                                                                                                                                                                                                                                                                                                                                           |  |  |      |             |                           |                       |   |                          |          |         |  |              |                |  |
| xvi.  | The State Government shall issue working permission after ensuring all conditions to be complied with for issuing of such working permission as per the Ministry's guidelines and ensuring RoFR certificate for the entire area over an extent of 4.8409 ha. The State Government shall inform regarding working permission accorded, if any as the case may be, to this office for record purpose; | Condition pertains to the State Forest Department.                                                                                                                                          | The same will be complied by the State Forest Department.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |  |  |      |             |                           |                       |   |                          |          |         |  |              |                |  |

|        |                                                                                                                                                                                                                                                                                                                                           |                                                             |                                                                                                                                         |
|--------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| xvii.  | The User Agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/ tree felling and no labour camp shall be established inside the forest area;                                                                                                                                          | Agreed. An undertaking in this regard is submitted herewith | Yes, the User Agency has agreed to comply this condition for which under taking is submitted by User Agency which is enclosed herewith. |
| xviii. | Felling of trees shall be carried out wherever necessary under the strict supervision of DFO concerned;                                                                                                                                                                                                                                   | Agreed. An undertaking in this regard is submitted herewith | Same will be monitored. The User Agency has also submitted the under taking which is enclosed herewith.                                 |
| xix.   | Disturbance shall be kept minimum by creating labour camps outside the forest area as far as possible and it shall be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;                                                                | Agreed. An undertaking in this regard is submitted herewith | Yes, the User Agency has agreed to comply this condition for which under taking is submitted by User Agency which is enclosed herewith. |
| xx.    | The total forest area utilized for the project shall not exceed 4.8409 Ha (width of the carriageway / BT portion of the road shall be restricted to 3 mtrs) and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect; | Agreed. An undertaking in this regard is submitted herewith | Yes, the User Agency has agreed to comply this condition for which under taking is submitted by User Agency which is enclosed herewith. |
| xxi.   | The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government;                                                                                                                                                  | Agreed. An undertaking in this regard is submitted herewith | Yes, the User Agency has agreed to comply this condition for which under taking is submitted by User Agency which is enclosed herewith. |
| xxii.  | The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project;                                                                                                                                             | Agreed. An undertaking in this regard is submitted herewith | Yes, the User Agency has agreed to comply this condition for which under taking is submitted by User Agency which is enclosed herewith. |
| xxiii. | Any other conditions that the Central Government or Regional Officer (Central) of Integrated Regional Office, Hyderabad may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;                                                  | Agreed. An undertaking in this regard is submitted herewith | Yes, the User Agency has agreed to comply this condition for which under taking is submitted by User Agency which is enclosed herewith. |

|       |                                                                                                                                                                             |                                                             |                                                                                                                                         |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| xxiv. | In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the rules/guidelines issued under FCA, 1980;           | Agreed. An undertaking in this regard is submitted herewith | Yes, the User Agency has agreed to comply this condition for which under taking is submitted by User Agency which is enclosed herewith. |
| xxv.  | The State Government shall process and submit compliance report on the above conditions through online ( <a href="https://parivesh.nic.in/">https://parivesh.nic.in/</a> ); | Not pertains to UA                                          | It will be complied by the State Forest Department.                                                                                     |

Further it is reported that, the User Agency has submitted the copies of paper clippings showing Stage-I forest clearance published in the verbatim in two widely circulated daily newspapers, i.e., one in vernacular language (Enadu Telugu) on 24.09.2022 and the other one in English (Deccan Chronicle) on 02.10.2022 for the subject proposal i.e., Diversion of **4.8409 Ha** (**4.0977 Ha** in Chennur Division and **0.7432 Ha** in Bellampally Division) of forest land for improvement of existing road to BT Standard from 6/600 to 8/800 km on RF Laxmipur to Baddampally of Vemanpally Mandal (including construction of two bridges) Chennur RF of Chennur and Bellampally Forest Divisions of Mancheri District in favour of District Panchayath Raj Engineer (PIU) Mancheri and the same are enclosed here with for kind perusal. That, the User Agency has also enclosed the UTR / bank challan generated while making the payments of the Compensatory levies in to the Telangana State CAMPA Account, BIOSOT Account and CA-PD Account of Forest Divisional Officer, Chennur and Bellampally.

Hence, I am submitting herewith the above condition wise compliance report together with all the connected documents and undertakings in (04) sets for further necessary action.

This is submitted for favour of kind information and necessary action.

Yours faithfully,

Encl: (As above)
