Secretariat, Chennai 600 009

C. No. TS3/36408/2014 Dated: 21.09.2022.

Sir,

Sub: Forests - Forest (Conservation) Act, 1980 - Diversion of 5.42 ha of forest land in Magimandalam Reserved Forests of Vellore Forest Division for Construction of 4-Lane Bangalore-Chennai Expressway by the National Highways Authority of India - Stage I approval accorded - Compliance report furnishing off - Regarding.

- Ref: 1. Online application uploaded by the User Agency - Project Director, National Highways Authority of India, Project Implementing Unit - Krishnagiri Proposal No. FP/TN/Road/8238/2014
2. Part-II of Form A uploaded by the District Forest Officer, Vellore Division
3. Principal Chief Conservator of Forests Ref. No. TS3/36408/2014, dated 16.07.2018, 31.08.2018, 26.10.2018 and 03.05.2019 and 15.02.2021
4. Government letter No. 14924/FR.10/2017-10, dated 20.06.2019
5. Government of India letter F. No. 4-TNC043/2019-CHN/478, dated 13.05.2021

\* \* \*

With reference to the letters cited, the Compliance report on Stage I in-Principle approval for diversion of 5.42 ha of forest land in Magimandalam Reserved Forests of Vellore Forest Division for Construction of 4-Lane Bangalore-Chennai Expressway by the National Highways Authority of India is furnished as below.

Condition No.	Conditions stipulated by Government of India	Compliances
1.	Legal status of the diverted forest land shall remain unchanged.	Legal Status will remain unchanged.
2.	Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency.	User Agency has agreed to carry out the work.
3.	The State Forest Department shall carry out Compensatory Afforestation (CA) and its maintenance in the degraded forest area identified over and extent of 10.84 ha in Ammoor RF of Arcot Range in Vellore Division. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.	The User Agency had deposited an amount for Rs.75,22,222/- towards Compensatory Afforestation based on the prevailing wage rate.
4	Approved CA area and CA scheme shall not be changed without prior approval of the Central Government	CA area and CA scheme will not be changed.
5	The State Forest Department shall charge the Net Present Value of the diverted forest land measuring 5.42 ha from the User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos. 826 in 566 with related IA's in Writ Petition (Civil) No.202/1995.	The User Agency deposited Rs.43,52,260/- towards Net Present value of 5.42 ha area as per the orders of the Hon'ble Supreme Court of India.

Condition No.	Conditions stipulated by Government of India	Compliances
6	Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. User Agency shall furnish an undertaking to this effect.	Undertaking to pay the additional amount of any demanded in future has been furnished by the user agency.
7	The funds received from the User Agency towards Compensatory Afforestation and Net Present Value and any money received in compliance of the conditions stipulated by the Government of India under this project shall Compulsorily be deposited in to the designated CAMPA account only through online	Online challan generated and payment also made by the user agency for Rs. 1,68,96,111/- towards the following on 05.07.2022.. a) CA scheme – Rs. 75,22,222/- b) NPV – Rs. 43,52,260/- Raising Red sanders plantation – Rs. 2,21,629/- d) Wildlife mitigation plan – Rs. 48,00,000/- Total - Rs. 1,68,96,111/- Copy of the online payment challan is enclosed.
8	The user agency shall get the wildlife mitigation plan approved by any competent person/agency and the same should be approved by the Chief Wildlife Warden and implemented at the cost of user agency.	Wildlife mitigation plan submitted by the user agency and the same has been approved vide PCCF & CWLW, Chennai vide ref. No. 31706/2021/WL5 dt.05.05.2022. The User Agency deposited for Rs.48,00,000/- towards Wild life mitigation plan.

Condi tion No.	Conditions stipulated by Government of India	Compliances
9	Underneath passages at appropriate places may be constructed as per the O.M. No. 13-1/2019-PE dated 12-02-2021 on "Minutes of the Meeting (held on 07.01.2021) on preventive measures on death of wild animals due to linear infrastructures that are passing through wildlife habitats" issued by the MoEFCC, New Delhi to ensure safe movement of wildlife and to minimize the wildlife accidents	The District Forest Officer, Vellore reported that as per the guidelines Structural Measures has proposed underpass of 5 mt height and 25 mt width (5*25). Underpass is provided at the Chainage 171+730 Km which are the most probable locations of wild animals movement. The same has been approved by the PCCF & CWLW.
10	Warning signs about the animal movement are to be displayed at vintage places and speed regulations shall be imposed, based on the wildlife population in consultation with the Chief Wildlife Warden of the State	User Agency has agreed and will be displayed locations of warning signs above the animal crossings as per the guidance issued by CWLW/State Forest Dept.
11	The State Forest Department shall carryout translocation of trees wherever feasible at the cost of the User Agency	Under taken furnished by the User agency.
12	The User Agency shall strictly comply with the conditions recommended by the Hon'ble Supreme Court of India and the Central Empowered Committee (CEC)	Under taken furnished by the User agency.
13	State Forest Department shall plant equal number of red sanders trees to	The User Agency deposited Rs.2,21,629/- towards Raising of

Condition No.	Conditions stipulated by Government of India	Compliances
	be felled in the nearby forest area at the cost of the User Agency	Red sanders plantation in the nearby forest area with 10 year maintenance
14	The UA shall seek prior approval of GoI. for any change in layout plan, if any	Under taken furnished by the User agency.
15	The User Agency shall construct retaining walls and check walls wherever required, by consulting the DFO concerned, at the project cost	Under taken furnished by the User agency.
16	Construction of culverts/ bridges, if any, over the natural streams/ rivers/ canals shall be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals	Under taken furnished by the User agency.
17	Mitigation measures to prevent soil erosion may be carried out by the User Agency in consultation with the DFO concerned	Under taken furnished by the User agency.
18	State Government shall follow due procedure before issuing working permission for the project required, if any	Under taken furnished by the User agency. Conditions will be followed
19	Roadside cuttings and fillings which require engineering support shall be provided as per the instructions of the DFO concerned so as to stabilize the soil	Under taken furnished by the User agency.

Condition No.	Conditions stipulated by Government of India	Compliances
20	The dugout material / overburden shall be dumped outside the forest area. Storage of any material shall not be done in the forest area proposed	User agency has agreed the condition
21	No labour camp shall be established inside the forest area; Disturbance shall be kept minimum by creating labour camps outside the forest area as far as possible and it shall be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna	User agency has agreed & No labour camp will be established
22	Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel	Under taken furnished by the User agency.
23	No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work	Under taken furnished by the User agency.
24	The total forest area utilized for the project shall not exceed 5.42 ha and the forest area diverted shall not be used for any purpose other than	Under taken furnished by the User agency.

- 7 -

Condition No.	Conditions stipulated by Government of India	Compliances
	those shown in the diversion proposal. User Agency shall furnish an undertaking to this effect	
25	The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government	Under taken furnished by the User agency.
26	The User Agency shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines and court orders for the time being in force, as applicable to the project	Under taken furnished by the User agency.
27	Any other conditions that the Central Government or Regional Officer (Central) of Integrated Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency	Under taken furnished by the User agency.
28	In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the provisions made under rules / guidelines issued under FCA, 1980	Under taken furnished by the User agency.

c. J.  
Compliance report furnished by the User agency along with connected undertakings/ documents and report of District Forest Officer, Vellore Division is enclosed herewith.

Since the conditions stipulated in the Government of India letter 5<sup>th</sup> cited above have been fulfilled by the User Agency, I request that Government of India may be addressed for the issue of Stage - II final approval of Government of India for the diversion of 5.42 ha of forest land in Magimandalam Reserved Forests of Vellore Forest Division for Construction of 4-Lane Bangalore-Chennai Expressway in favour of the Project Director, PIU-Krishnagiri, National Highways Authority of India, Krishnagiri for a period of 30 years.

Encl.: As stated above.

Yours faithfully

Sir,

With reference to above subject, the Government of India, MoEF&CC, Chennai vide reference 1<sup>st</sup> cited has accorded in-principle approval (Stage-I Clearance) under Section '2' of Forest (Conservation) Act, 1980 for diversion of 5.42 Ha of forest land in Mahimandalam Reserved Forest of Vellore Forest Division for construction of 4-lane Bangalore - Chennai Expressway by the NHAI. The proposed Expressway is a new Greenfield alignment and will be fully access controlled.

2. The Divisional Forest Officer, Vellore vide letter 2<sup>nd</sup> cited above has sought the compliance report for the conditions mentioned vide letter No. C.No. 3075/2016/D1 dated 07.06.2022. Accordingly, the compliance report for the conditions imposed by Forest Department are as follows;

*[Signature]*  
[Contd... 2]

## National Highways Authority of India

S. No	Conditions	Compliances
1	Legal status of the diverted forest land shall remain unchanged	Agreed.
2	Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency	Agreed and the same will be carried out.
3	The State Forest Department shall carry out Compensatory Afforestation and its maintenance (CA) in the degraded forest area identified over an extent of 10.84 ha in Ammoor RF of Arcot Range in Vellore Division at the cost of user agency.	The Budgetary provision of Rs. 75,22,222/- towards Compensatory Afforestation for an area of 10.84 ha has been paid. Details of payment made is enclosed as <b>{Annexure - I}</b> .
4	Approved CA area and CA scheme shall not be changed without prior approval of the Central Government	Agreed and the same will not be changed.
5	The State Forest Department shall charge the Net Present Value of the diverted forest land measuring 5.42ha from the User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995	The Budgetary provision of Rs. 43,52,260/- towards Net Present Value of 5.42 ha has been paid as per the orders of the Hon'ble Supreme Court of India. Details of payment made is enclosed as <b>{Annexure - I}</b> .

National Highways Authority of India

6	Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Forest Department from the User Agency. User Agency shall furnish an undertaking to this effect	Agreed and any revision in NPV of Forest land after revision of the same by the Hon'ble supreme court of India in future will be paid.
7	The following amount as detailed below has to be deposited separately, in the account of Tamil Nadu State CAMPA by generating challan through the website of Ministry of Environment, Forests and climate change(NPV, CA, Raising Red sanders and Wildlife Mitigation Plan)	Challan has been generated in the Parivesh portal for making payment of NPV, CA, Raising Red sanders and Wildlife Mitigation Plan for a total amount of Rs. 1,68,96,111/- in favour of TAMILNADU STATE CAMPA. Details of payment made is enclosed as {Annexure - I}.
8	The user agency shall act accordingly to the approved wildlife mitigation plan vide Principal Chief Conservator of Forests and Chief Wildlife Warden (FAC), Chennai ref.No.WL5/31706/2021 dated 05.05.2022 and implemented at the cost of the User Agency	Agreed and will be complied accordingly.

[Contd... 4]

9	Underneath passages at appropriate places accordingly to the approved wildlife mitigation plan vide Principal Chief Conservator of Forests and Chief Wildlife Warden (FAC), Chennai ref.No.WL5/31706/2021 dated 05.05.2022 may be constructed as per the O.M. No. 13-1/2019-PE dated 12-02-2021 on "Minutes of the Meeting (held on 07.01.2021) on preventive measures on death of wild animals due to linear infrastructures that are passing through wildlife habitats" issued by the MoEFCC, New Delhi to ensure safe movement of wildlife and to minimize the wildlife accidents	As per the guidelines Structural Measures has proposed underpass of 5mt height and 25mt Width (5*25).
