From

To

Subrat Mohapatra, I.F.S.,
Principal Chief Conservator of Forests,
(Head of Forest Force)
Forest Head Quarters building,
Guindy – Valachery Main Road,
Guindy - Chennai - 32.

The Additional Chief Secretary to
Government,
Environment, Climate Change and
Forests Department,
Secretariat, Chennai 9.

Ref. No. TS4/9178/2022, Dated: 15.07.2023.

Madam,

Sub: Forests - Forest (Conservation) Act, 1980 – Dindigul Circle / Karur Division - Proposal for diversion of forest land of 0.874 ha for construction of foot bridges for collector well 4&5 and MV Panel room for Collector well 5 and construction of headworks under Combined Water Supply Scheme to 8 Town Panchayats, 2452 Rural Habitations, 3 Municipalities in Sivaganga District across Maruthur North Reserved Forest – Online proposal submission by the User Agency ie.TWAD Board, Kulithalai - Stage-I approval accorded – Compliance report furnishing - Regarding.

- Ref: 1. Online application uploaded by the User Agency – Assistant Engineer, TWAD Board, Kulithalai dt. 29.03.2022. (FP/TN/Water/153702/2022)
- 2.Principal Chief Conservator of Forests Ref.No:TS4/9178/2022 dated: 28.04.2022.
- 3.Revised Online application uploaded by the User Agency on 26.04.2022.
- 4.Government of India Stage – I approval F.No.4-TNB103/2023-CHN/705, dt.13.06.2023
5. District Forest Officer, Karur Ref.No1312/2022/D, dt.15.07.2023.

&&&&

I wish to state that in the Government letter 4th cited, Stage-I in-Principle approval has been accorded for diversion of 0.874 ha of forest land in Maruthur North RF for

construction of foot bridges for collector well 4&5 and MV Panel room for Collector well 5 and construction of headworks under Combined Water Supply Scheme to 8 Town Panchayats, 2452 Rural Habitations, 3 Municipalities in Sivaganga District under proposal No.FP/TN/Water/153702/2022. The compliance report of Stage-I in-principal approval is furnished as follows.

Sl. No.	Compliance stipulated by Government of India	Compliance of conditions/ reply
1.	The legal status of forest land shall remain unchanged	The User Agency has given an undertaking that the legal status of forest land shall remain unchanged.
2.	The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters from the amount realized from the User Agency	The User Agency has given an undertaking that to erect 4 feet height cement concrete pillars duly numbered at an interval of 20 meters both sides in the diverted area at their cost after handing over of the 0.874 Ha land.
3.	As proposed the State Forest Department shall carryout Compensatory Afforestation (CA) over 47 ha of DFL area identified in D.Edaiyapatty Bit-III RF , Karur Range at the cost of the User Agency	District Forest Officer has given an undertaking that the Compensatory Afforestation (CA) work will be carried out over 47 ha of DFL area identified in D.Edaiyapatty Bit-III RF , Karur Range at the cost of the User Agency
4.	CA shall be raised in the vacant areas / less than 0.4 density areas within the 47 ha of DFL area identified in D.Edaiyapatty Bit-III RF , Karur Range in a concentrated area rather than planting sparsely in the entire 47 ha and accordingly demarcation and proper signage to be placed. Considering portion of	District Forest Officer has given an undertaking that the CA shall be raised in the vacant areas / less than 0.4 density areas within the 47 ha of DFL area identified in D.Edaiyapatty Bit-III RF , Karur Range in a concentrated area rather than planting sparsely in the entire 47 ha and accordingly demarcation and proper

Sl. No.	Compliance stipulated by Government of India	Compliance of conditions/ reply
	boundary of the proposed DFL area surrounded by human habitation, protection against the biotic interferences and grazing shall be ensured.	signage will be placed. Considering portion of boundary of the proposed DFL area surrounded by human habitation, protection against the biotic interferences and grazing shall be ensured.
5.	The degraded forest land identified for CA and the approved CA scheme shall not be changed without prior approval of the Central Government and the State Forest Department shall ensure that the amount realized from the User Agency towards CA should not be left unspent	<p>The District Forest Officer has given an undertaking that the degraded forest land identified for CA and the approved CA scheme shall not be changed without prior approval of the Central Government and ensure that the amount realized from the User Agency towards CA should not be left unspent.</p> <p>The User Agency has paid the cost of Rs.99,44,164/- for raising and maintenance of CA as proposed by the Forest Department.</p> <p>The UTR No. is BKIDH 23168513728, Dated 17.06.2023</p>
6.	The State Government shall charge the Net Present Value of the diverted forest land measuring 0.874 ha from the User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995 and Ministry's guideline No. 5-3/2011-FC(Vol-I) dated 06.01.2022 and	The User Agency has paid the Net Present Value of the diverted forest land at the rate stipulated by the Ministry of Environment and Forest from time to time, as per the orders of the Hon'ble Supreme Court Order dated 28.03.2008 and 09.05.2008 in IA Nos. 826 in 566 with related IA's in Writ Petition (Civil) No.202/1995 and ministry's guideline No.5-3/201-Fc

Sl. No.	Compliance stipulated by Government of India	Compliance of conditions/ reply
	clarification issued vide letter dated 19.01.2022 and 22.03.2022	<p>(Vol-I) Dated.19.01.2022 and 22.03.2022.The NPV of the proposed forest area to be diverted (0.874 Ha.) has been calculated as follows:</p> <p>Dense Forest-Eco Class IV – 1 Ha = Rs.8,61,390/-</p> <p>Proposed land area = 0.8744 Ha,</p> <p>= 0.874 x 8,61,390</p> <p>= Rs.752854.86(or)Rs.7,52,855/-</p> <p>The UTR No. is BKIDH 23168513728., Dated 17.06.2023</p>
7.	The project involves felling of 942 trees, however, the DFO reported density of the area as 'Zero', Hence, the DFO shall realize correct NPV as per the actual density and eco class.	<p>The area of diversion of 0.874 ha, the density of Forest recorded as 0 and Eco class 4. But for 0.874 ha of area, 942 numbers of trees need to be felled (including younger plants). Hence, the demand has been raised for Net Present Value for Eco class 4 Dense Forest category as per the Government of India revised guidelines Dated: 06.01.2022.</p> <p>Dense Forest-Eco Class IV – 1 Ha = Rs.8,61,390/-</p> <p>Proposed land area = 0.8744 Ha,</p> <p>= 0.874 x 8,61,390</p> <p>= Rs.752854.86 (or) Rs.7,52,855/-</p>
8.	Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble	The User Agency has given an undertaking to pay the additional amount of the Net Present Value which will be fixed as per the guidelines of

Sl. No.	Compliance stipulated by Government of India	Compliance of conditions/ reply
	Supreme Court of India in future, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.	Hon'ble Supreme Court of India as fixed by Forest Department in future.
9.	All the funds received from the User Agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal (https://parivesh.nic.in/)	The User Agency has paid the NPV and Compensatory Afforestation through e-portal in to the CAMPA account and the User Agency has given an undertaking that any amount regarding this project will be paid through e-portal (https://parivesh.nic.in/) only.
10.	Issuance of FC approval is not overriding the Hon'ble Court/ Tribunal, Water Authority's orders in force. Hence, the State Government shall ensure to obtain prior approval of the competent authority if any, to draw the water from river Cauvery	On behalf of State Government, the User Agency i.e. TWAD Board has given an undertaking to ensure that prior approval will be obtained from the competent authority if any, to draw the water from river Cauvery
11.	Proposed components i.e. staff quarters and office buildings have not been allowed. Hence, the State Government may direct the User Agency to take up the same in revenue land. Trees standing in the proposed Staff quarters and office building area shall not be felled.	The District Forest Officer has given an undertaking that proposed components i.e. staff quarters and office buildings will not be allowed inside the Reserved Forest area. The User Agency also submitted the necessary undertaking in this regard.

Sl. No.	Compliance stipulated by Government of India	Compliance of conditions/ reply
12.	In case electricity supply required for the project, if the electricity line passes through Forest area permission under FCA, 1980 for such portion of forest area need to be obtained accordingly	The User Agency and District Forest Officer have given an undertaking that the electricity supply for the project will not be allowed through Forest area and electricity supply if needed and the electric line has to pass through Forest area, separate permission under Forest (Conservation) Act, 1980 will be obtained.
13.	It is noticed that the State Government has already accorded approval for the proposal No.FP/Water/ 144597/ 2021 dated 14.07.2021 and now submitted the instant proposal for remaining part of the project, hence, splitting the proposal for the same project is not correct, hence, the State Government is hereby advised to consider the project holistically and should submit proposal in its entirety instead of splitting them, in future.	An Undertaking has been given that proposal will be submitted holistically and in its entirety without splitting in future. The User Agency has given an undertaking will ensures that in future for any project, splitting of proposals will be avoided.
14.	The layout plan of the proposal shall not be changed without the prior approval of the Central Government	The User Agency has given an undertaking that the layout plan of the proposal shall not be changed without the prior approval of the Central Government.
15.	The User Agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling	The User Agency has given an undertaking to provide alternate fuel to labourers working at the site to avoid damage to tree felling.

Sl. No.	Compliance stipulated by Government of India	Compliance of conditions/ reply
16.	Disturbance shall be kept minimal by creating labour camps outside the forest area as far as possible and it will be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna.	The User Agency has given an undertaking that no labour camps will be created inside the Forest areas and also that the labourers & staff engaged in execution of work will not destroy nearby forest flora & fauna.
17.	Tree felling shall be carried out wherever required under the strict supervision of DFO concerned.	The District Forest Officer has given an Undertaking that tree felling will be strictly monitored.
18.	The total forest area utilized for the project shall not exceed 0.874 ha (staff quarters, office building, approach road, transmission line shall not be carried out in the forest area) and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal.	The User Agency has given an undertaking that the total forest area utilized for the project shall not exceed 0.874 ha (staff quarters, office building, approach road, transmission line shall not be carried out in the forest area) and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal.
19.	The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government.	The District Forest Officer and User Agency have given an undertaking that forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government.
20.	The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules,	The District Forest Officer and User Agency have given an undertaking to ensure the compliance of provisions of

Sl. No.	Compliance stipulated by Government of India	Compliance of conditions/ reply
	Regulations and Guidelines, for the time being in force, as applicable to the transmission line projects	all Acts, Rules, Regulations and Guidelines, for the time being in force as applicable.
21.	Any other conditions that the Central Government or Regional Officer (Central) of Integrated Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency	The User Agency has given an undertaking that they would comply with any other conditions that the Central Government or Regional Officer (Central) of Integrated Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area.
22.	In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the rules / guidelines issued under FCA, 1980	The User Agency has given an undertaking that in the event of failure to comply with any of the above conditions, the User Agency is liable for penal action as per the rules / guidelines issued under FCA, 1980.
23.	The State Government shall process and submit compliance report on the above conditions through online (https://parivesh.nic.in/).	The compliance report has been uploaded in web portal (https://parivesh.nic.in/).

Compliance report furnished by the User agency along with connected undertakings / documents and report of District Forest Officer, Karur Division are enclosed herewith.

Since the conditions stipulated in the Stage I approval vide Government letter 4th cited have been fulfilled by the User Agency, I request that compliance report may be forwarded to the Regional Office, Government of India for obtaining Stage - II approval for the diversion of 0.874 ha of forest land for construction of foot bridges for collector well 4&5 and MV Panel room for Collector well 5 and construction of headworks under

Encl.: As stated above.
