

**DETAIL OF ALTERNATIVE ROUTES OF MORNI**

**Subject:- Widening and strengthening of Panchkula Morni road (MDR-118) from RD 0.00 to 17.70 km.**

There are four major connecting roads to Morni and detail of each road is as under:

1. Jallah Mandhana road - Connects Morni to Panchkula via NH-22 (Kalka Shimla Highway) (Route No.1).
2. The road from Raipur Rani to Morni via Tikkar Tal – Connect to State Highway No.1 (Raipur Rani) area (Route-2).
3. Morni Trilokpur road - Connect Guru Gobind Singh Marg-II and further connect to Raipur Rani (State Highway-1) (Route No.3).
4. The road subject above i.e. Panchkula Morni (MDR-118) road having a total length of 30.90 km ( 13.47 km falls under Khol Hai Raitan wildlife sanctuary) is only route which directly connect Morni to National Highway-7 which serves as a major connecting road for the traffic of Himachal, Haryana to Uttar Pardesh and Uttarakhand. This road (MDR-118) serves as the shortest route for the traffic of NH-7 to Morni and there is no alternate route of same length except this available in the near vicinity of the route.(Route No.4).
