

RECOMMENDATION

The project is for the purpose of carrying out building stone quarrying passing through Reserve Forest of Bantwal Range, of Mangalore Forest Division in favour of Mervyn M. Goveas, Falnir Gardens, Kankanady post Near Indira Hospital, Mangaluru. The proposed project area is identified at the edge of the reserve forest and approximately 4.600 km by air from the Karinjeshwar temple and the national park is 26.500 km by air from the project area, In the view of the objections received from Karnataka cashew development corporation, the above proposal may not be recommended under Forest (Conservation) Act 1980.

Deputy Conservator of Forests,
Mangaluru Division, Mangaluru.
