3) DFO, Chittoor West Lr. 1672(2)/2016/TO, dated 06.08.2021

With reference to letter 2nd cited, wherein DFO, Chittoor West requested to submit compliance to PCCF, Guntur letter 3rd cited. The compliance is herewith furnished for further action in this regard: -

Condition No. (x)	Condition stipulated by Gol in the Stage-I approval: The UA shall construct retaining walls and check walls wherever required by consulting the DFO concerned at the project cost
	Compliance submitted by DFO The CCFs, WLM Circle, Tirupati and Ananthapuramu submitted undertaking furnished by the UA to comply with the condition. The above reply does not serve any purpose since the work already completed and the Circle Heads should report whether the UA constructed retaining walls and check walls wherever required at the project cost.
	Compliance/Information by PIU It is to inform that DFO West Division, Chittoor vide Lr. No. 1672/2017/TO, dated 21.07.2018 has requested to leave/construct under pass ways for the elephants at 6 locations under the Supervision of Forest Range Officer Palamaner. For this NHAI has constructed 3 No's of Elephant Underpasses in the Mogili Reserve Forest Area (RF) and at other locations the road works has been already taken up and finished. (NH Chainage : Km 188+765, Km 190+628 & Km 191+667)

	With regard to retaining walls and check walls, this office has not received any requisition from Forest Department. Therefore, the road works has been executed in accordance with the Contract Agreement.																																																															
Condition No. (xi)	Condition stipulated by Gol in the Stage-I approval: The construction of culverts / bridges, if any, over the natural streams/rivers/canals should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging and also does not water-logging and also hamper movement of wild animals.																																																															
	Compliance submitted by DFO The CCFs, WLM Circle, Tirupati and Ananthapuramu submitted undertaking furnished by the UA to comply with the condition. The undertaking at this stage does not serve any purpose. Compliance of the condition should be reported, since the work was already completed																																																															
	Compliance/Information by PIU It is to submit that, except at mentioned locations at Condition (X), this office has not received any requisition for construction of Culverts/bridges etc. However, as per the Contract Agreement NHAI has constructed / widened the following Cross Drainage structures to facilitate the natural flow without any interruption.
