## GOVERNMENT OF ARUNACHAL PRADESH DEPARTMENT OF ENVIRONMENT, FORESTS & CLIMALE CHANGE ITANAGAR.

No. FOR.13-61/Cons/2021/ 3531-87

Itanagar dated 29 June'2023

To

The Regional Officer, Ministry of Environment, Forest & Climate Change, Integrated Regional Office, Guwahati, 4th Floor, Housefed Building, G.S Road, Rukminigaon, Guwahati-781022

Sub:- Proposal for diversion of 70.214 ha of forest land for construction of 132 KV Transmission Line S/C on D/C tower from Khonsa to Changlang under Comprehensive Scheme for strengethening of transmission and distribution system by Power Department in Tirap & Changlang District of Arunachal Pradesh

Ref:- Your letter F.No. 3-AN A 035/2021-GHY/ dtd. 23.01.2023.

Madam,

With reference to letter cited above, this is to submit compliance report as below of the conditions stipulated therein for favour of your information and necessary action:

## A. Conditions which need to be complied prior to handing over of forest land by the State Forest Department.

Department.		
1	The User Agency shall transfer, the Net Present Value (NPV) of the forest land being diverted under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28/03/2008, 24/04/2008 and 09/05/2008 in Writ Petition (Civil) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal	As per revised rate of MoEF&CC's letter dated 22.03.2022, the amount of Net Present Value of the forest land diverted under this proposal for Rs.7,84,22,017/- has been deposited to National Authority (CAMPA) as per e-challan dated 31.01.2023 and deposited on 04.02.2023 at Annexure-I.
2	into CAMPA account of the State concerned.  The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The scheme may include appropriate for anticipated cost increase for works scheduled for subsequent years;	
3	All the funds received from the User Agency (CA and dwarf plantation cost, NPV etc) under the project shall be transferred/ deposited to Compensatory Afforestation Fund of Arunachal Pradesh State managed by the Ad-hoc CAMPA only through e-portal (https://parivesh.nic.in). Amount deposited through other mode will not	plantation has been deposited to National Authority (CAMPA) as per e-challan dated 31.01.2023 and deposited on 04.02.2023 at Annexure-I.

be accepted as compliance of the Stage-I clearance.  d The compliance report shall be uploaded on eportal (https://parivesh.nic.im/).  The KML files of the area to be diverted, the CA areas, the proposed SMC work, the proposed Catchment Area Treatment area and the WLMP area shall be uploaded on the e-Green watch portal with all requisite details before issuing working permission towards linear projects or submitting compliance report for seeking Stage-II approval, as the case may be compliance report for seeking Stage-II approval, as the case may be compliance report for seeking Stage-II approval, as the case may be compliance report for seeking Stage-II approval, as the case may be demarked on ground at langular forms of the State Ports in Laipulia Forset Division in Chamlang District of Arunachal Pradesh along with GPS coordinate.  The boundary of the diverted forest land, mining lease and safety zone, as applicable, shall be demarked on ground at the project cost, by erceting four feet high reinforced coment concrete pillars, each inscribed with its serial number, distance from the pillar to pillar and GPS co-ordinates as per the directions of the concerned Divisional Forest Officer.  The User Agency shall explore the possibility of successful translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department.  The Charges for felling, logging and transportation of project affected trees should be collected from the User Agency at the rates approved by the State Govt and deposited with the DFO concerned.  The Charges for felling, logging and transportation of project affected trees should be collected from the user Agency at the rates approved by the State Govt and deposited with the DFO concerned.  The User Agency shall restrict the felling of trees the funds on these accounts should, be condition at Annexure-IV.  The User Agency shall restrict the felling of tr		
The compliance report shall be uploaded on e- portal (https://pairvesh.nic.in/).  The KML files of the area to be diverted, the CA areas, the proposed SMC work, the proposed Carchment Area Treatment area and the WLMP area shall be uploaded on the e-Green watch portal with all requisite details before issuing working permission towards linear projects or submitting compliance report for seeking Stage. If approval, as the case may be.  The complete uploading of Part III form for \$2.25 ha proposed diversion area in Khonsa Forest Division on Parivesh Portal.  The Sol India toposheet indicating the identified compensatory afforestation area in Khonsa Range, Kangku of Likball Forest Division in Lower Siang District and 23.98 ha in Namadang Reserved Forest under Changlang Social Forestty Division in Chandang District of Arunachal Pradesh along with GPS coordinate.  The boundary of the diverted forest land, mining lease and safety zone, as applicable, shall be demarcate on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its sertial number, distance from the pillar to pillar and GPS co-ordinates as per the directions of the concerned Divisional Forest Officer.  The User Agency has submitted undertaking for this condition, and to be done after final approval by the State Groyt and deposited with the DPO concerned for utilization immediately following the diversion of forest land,  The Lyer Agency has submitted undertaking for this condition at Annexure-II  The Leapendiure like boundary walls, stone pillars, demarcation charges, cost of damage of trees the funds on these accounts should, be deposited with the DPO concerned.  The User Agency has submitted undertaking for this condition at Annexure-IV.  An amount of Rs.1,98,128/- towards cost of felling, logging and transportation of project affected trees should be collected from the User Agency at the reas approved by the State Govt and deposited with the DPO concerned for utilization immediately following the	olegrapse compliance of the Stage-I	i ii
The KML files of the area to be diverted, the CA areas, the proposed SMC work, the proposed Catchment Area Treatment area and the WLMp area shall be uploaded on the e-Green watch portal with all requisite details before issuing working permission towards linear projects or submitting compliance report for seeking Stage.  If approval, as the case may be.  The complete uploading of Part III form for 58.225 ha proposed diversion area in Khonsa Forest Division on Parivesh Portal.  The Sol India toposheet indicating the identified compensatory afforestation area of 116.45 ha in Likabali Reserved Forest in Laipulia Forest Range, Kangku of Likbali Forest Division in Lower Siang District and 23.98 ha in Namdang Reserved Forest under Changlang Social Forestry Division in Chanlang District of Arunachal Pradesh along with GPS coordinate.  The boundary of the diverted forest land, mining lease and safety zone, as applicable, shall be demarcate on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from the pillar to pillar and GPS co-ordinates as per the directions of the concerned Divisional Forest Officer.  The User Agency shall explore the possibility of tree identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department.  The Charges for felling, logging and transportation of project affected trees shull be collected from the User Agency at the rates approved by the State Govt and deposited with the DFO concerned for utilization immediately following the diversion of forest land.  The cependiture like boundary walls, stone pillars, demarcation charges, cost of damage of trees the funds on these accounts should, be deposited with the DFO concerned.	4 The compliant
