- 3. MoEF&CC Integrated Regional Office Letter no. F.No. 4-KRC1227/2020-BAN dt 20th January 2022.

Sir.

With reference to above proposal and letter mentioned, it is to state that the RVNL has submitted the proposal of diversion of 120.875Ha of land for the construction of Railway doubling of Castlerock to Kulem in state of Goa. Further, two more proposals were submitted in Goa by RVNL for doubling in the section of Kulem and Madgaon. Integrated Regional Office of MoEF & CC, vide its letter mentioned as reference 3, has written that it has found two shortcomings in the proposal of Karnataka i.e., non-payment of differential Compensatory Afforestation and non-enclosure of annexures to FRA compliance certificate and hence will consider all three proposals along with the compliance submitted by Government of Karnataka of the proposal submitted for the portion in Karnataka.

In view of the above, it is to say that RVNL has already paid the differential amount of Compensatory Afforestation for Karnataka portion and further, the annexures of FRA certificate for Karnataka portion has also been submitted by the user agency. Subsequently, concerned CCF, i.e., CCF Sirsi has forwarded the proposal to PCCF Karnataka who has further forwarded to the Additional Chief Secretary of Karnataka. The proposal from ACS Forest has also been submitted to the Regional office for Stage 2 clearance. Copy of the letter from CCF, Sirsi, PCCF Karnataka and Under Secretary of Forest, Ecology and Environment Department (Forest-c) along with the confirmation of differential payment status of Rs. 24,15,000/- and a copy of annexure of FRA certificate is enclosed herewith for your ready reference. In view of the above, it is requested to further process the proposal to IRO of MoEF & CC.

Thanking you,

Yours faithfully
