To

The Dy. Conservator of Forests,
Monitoring & Evaluation,
Office of the Principal Chief Conservator of Forests,
"Goa Van Bhawan", Forest Department,
Altinho, Panaji – Goa.

Sub : "Request for grant of Final Approval (Stage-II) Clearance for diversion of 0.2884 ha Forest Land for "Design and Construction of bridge connecting Keri to Tiracol over river Tiracol including approaches in Tiracol Village of Pernem Taluka."

Ref.: 1) Letter No. GSIDC/Engg/Works/854/3942 dated 12th October 2021
2) MOEF & CC letter no. 4-GOB1053/2015-BAN/818 dated 13th October 2021
3) Letter no.6-829-2021-22-FD/4053 dated 21st October 2021

Sir,

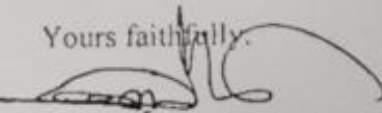

Vide letter cited at reference (3) above, this office is requested to submit an "Undertaking" as stated in the letter dated 13th October 2021 of MOEF&CC for onward submission to the Ministry.

The project is completed to the extent of 40% and hence there is no scope for identification and execution of the balance part of the bridge on any other alternate alignment for bypassing the forest land. In view of the said fact, this office is not in a position to submit such Undertaking at this stage.

Further, as regards to the petition before the Hon'ble High Court, no stay order is in force and hence it is requested to consider Stage-II approval in larger public interest.

Thanking You,

Yours faithfully,

(Harish Adcoñkar)
Managing Director
