Ref. No. : GGL/Surendranagar/PF-0.0405 Ha/2020/01
Date : 27/11/2020

To
The Deputy Conservator of Forest,
Social Forestry Division,
Surendranagar

Sub: Permission for laying Proposed 125mm Ø MDPE Gas Pipeline Along SH-119(Asphalt Road) (Than-Tarnetar) Road from Peeble Ceramic to Oham Ceramic in Kanpar Village of Taluka-Thangadh, Dist. Surendranagar.

(405 Sq.m. i.e. 0.0405 Ha.)

Dear Sir

Please find enclosed herewith a proposal along with Annexures in Four Copies for granting of No Objection Certificate for laying of 125mm Ø MDPE Gas Pipeline in Protected Forest land as mentioned above.

It may kindly be noted that pipeline will be laid in Along SH-119(Asphalt Road) (Than-Tarnetar) Roads as said herein.

The pipeline will be laid by excavation of a narrow strip trench of 60 cm width and by horizontal directional drilling (HDD) for pushing the casing pipe wherever required. The same strip of the trench will be reinstated to its original condition and the land area in question will not be required to be handed over to the Gujarat Gas Limited for its exclusive use. The Applicant will not have any right other than that of the user. It is also intimated that no structure will be erected on the pipeline route.

The pipeline route proposed is most economical and it is badly necessary to lay Along SH-119(Asphalt Road) (Than-Tarnetar) as stated herein above. It is not possible now any other alternative route except to use the proposed route of pipeline. R&B Division, Surendranagar office has been requested to allow laying pipeline as stated herein above and permission is likely to be received shortly.

It is not possible to get land for laying the pipeline other than the road being used by the Forest Department.

Considering the above you are requested to grant the permission for the above works at the earliest and oblige.
