Nodal Officer-cum-APCCF (FCA),
O/o Pr. CCF, H.P. Shimla-1.

Subject: Proposal for seeking prior approval of the Central Government under Section 2 of the Forest (Conservation) Act, 1980 for diversion of 397.8863 ha forest land in favour of SJVN Ltd. for construction of Sunni Dam Hydroelectric Project (382 MW) within the jurisdiction of Shimla, Kotgarh and Karsog Forest Divisions, in District Shimla and Mandi, Himachal Pradesh (ONLINE PROPOSAL NO. FP/HP/HUD/31019/2017) – regarding reply of EDS dated 8th March, 2022.

Respected Sir,

This has reference to your office letter No.: Ft. 48-3705/2017(FCA) dated 26th April, 2022 (Annexure-1) vide which it was intimated that the reply to the observations as raised by GoI submitted by SJVN through DFO, Shimla was incomplete and was silent about point No.(i).

In the above context, it is intimated that the compliance of point No. (ii) & (iii) pertaining to identification of alternate CA site has been submitted through DFO, Shimla vide his office memo No. 11720 dated 30.03.22. Further, the observation in respect of point No. (i) has also been attended. The compliance report in respect of all the observations of MoEF&CC are summarised as below:

Point No.	Observation raised	Compliance
(i)	The State Government has submitted FRA certificate for 359.1753 ha only. Complete Compliance of the FRA, 2006 for whole area proposed for diversion with the Gram Sabha Resolution and SDLC/ DLC report be submitted.	The FRA certificates in respect of entire area ie 397.8863 ha are attached at Annexure-2. Further the complete compliance under FRA-2006 comprising of Gram Sabha resolution (Annexure-V), SDLC/ DLC reports for whole area i.e. 397.8863 ha proposed for diversion are also enclosed at Annexure-3.
(ii)	The State Govt. has reported that the 9 CA sites over which minor issues were pointed out by IRO have been revisited. However as per the kml files submitted, the CA site namely UPF Ghirad Sandrol (15.0 ha) is overlapping/ lying within another CA site of same	<u>Combined reply to Sr. No. (ii) & (iii)</u> Four No. CA sites, 1 st UPF Ghirad Sandrol (15.0 ha), 2 nd DPF Baghat 8 C-2 (20.5 ha), 3 rd DPF Challan (10.0 ha) and 4 th U12 D Dhangar (10.0 ha) totaling to 55.5 ha were having some issues. Accordingly a new single CA site of 55.5 ha in place of above four No. CA sites has been identified in D-216 Bhallon of Range Dharampur, Forest Division Solan. The following documents/ certificates/ undertakings have already been submitted to your good office through DFO,

	proposal i.e. UPF Ghirad (20.0 ha). The revised CA site along with all required documents like kml file, DGPS map, SOI map and site suitability certificate be submitted.	Shimla: a) SOI Map. b) Digital Land Use & Land Cover Map c) Site suitability certificate d) CA Scheme. e) Certificate that no plantation activities have been done in last 10 years.
(iii)	The CA sites DPF Baghat 8 C-2 has Very Dense Forest cover and the sites namely DPF Challan and U12 D Dhangar have MDF as per the DSS analysis. The same may be looked into and suitable CA sites along with site suitability certificate and documents like kml file, DGPS map, SOI map etc. be proposed.	f) Undertaking that State Govt. will carry out adequate soil & Moisture conservation works in the catchment area to get enough recharge of water. These works would be in addition to the plantation proposed to be done under CA. g) Undertaking that CA over degraded forest Govt. land, double in extent, to the forest land being diverted, shall be raised by the State Forest Department at the project cost within three years from the date of grant of Stage - II approval. As far as practicable a mixture of local indigenous species will be planted and monoculture of a species has to be avoided. Further it is also to intimate that the KML file in respect of 55.5 Ha has also been uploaded on e-Greenwatch portal vide GPS ID No 20780 and the copy of the above documents alongwith kml file on CD format is also enclosed at Annexure -4 for ready reference please.

You are requested to furnish the reply/ compliance in respect of EDS Dated 8th March, 2022 (**Annexure-5**) raised by MoEF&CC at an early date for further consideration of grant of FC-II approval please.

Thanking you.

DA : As above.

Yours faithfully.

First of all, appeal filed by Sh. Mohar Singh S/o S/o Sh. Chanku Ram R/o Village Gouncha, Tehsil Nerwa, District Shimla was placed before the committee. Appellant was heard through his Counsel. Order will be issued separately in this case/appeal.

Thereafter, each case was placed before the committee and after detailed discussions, 9 cases from Sr. No. 1 to 9 were approved to be processed under FCA. In the case at Sr. No. 10, report from SDM, Shimla (Urban) is awaited. In the case at Sr. No. 11, Govt. Common Land was involved hence, FRA certificate will be issued by excluding the Govt. Common Land. In the case at Sr. No. 12, there was violation of FRA, 1980, hence it was rejected. The cases at Sr. No. 13 & 14 rejected by DFO owing to the reason that ST/OTFD do not exist in revenue record, will be sent to SIDC concerned for re-examination. In cases at Sr. No. 15 & 16, documents were not complete hence, will be taken in the next meeting.

The meeting ended with vote of thanks to and from the chair..

The detailed discussion and scrutiny of the proposals and documents placed on record mentioned against the following Sub-Divisions were found in order:-

Sr. No.	Name of Sub Division	Number of Proposal
1.	Sadar (Rural) and (Sadar Urban)	38
2.	Karsog	89
3.	Jogindernagar	95
4.	Sundernagar	46
5.	Dharampur	16
	Total	284

Thus keeping in view the recommendation of SDLC and discussion in DLC the claims of ST and other Forest dwellers of 284 muhals are settled and same are found to be nil.

Beside above case submitted by the Education department for the construction of Government High School, Kandhar to Divisional Forest Officer. Suket under section 3(2) of Forest Rights Act, 2006 was also discussed in detailed with Divisional Forest Officer, Suket who has told in the meeting that case under reference does not fulfil either of criteria mentioned in para No. 2nd and 3rd above and rejected the above proposal. Divisional Forest Officer, Sundernagar has also stated during the District Level Committee meeting that section 3(2) of ibid act does not apply in that area where OTFD and ST do not exist. She further opined that both the acts i.e. Forest Conservation Act, 1980 and Forest Rights Act, 2006 are applicable in this case and entire area of Mandi district, but this case do not fall under the purview of section 3 (2) of Forest Rights Act, 2006. This contention of Divisional Forest Officer, Suket that entire Forest Rights Act, 2006 except section 3(2) shall be applicable, does not seem logical.

In this regard, as per clarification dated 14-12-2015 issued by Ministry of Tribal Affairs, Government of India "Development facilities under section 3 (2) can be extended in parallel or independently of the process of recognition of rights under section 3(1) clearances of development project under section 3(2) is subject to the condition that the same is recommended by the gram Sabha. If however needs to be ensured that no rights are affected or any forest dweller is evicted due to diversion of forest land till the recognition and verification process under FRA is complete. Therefore while obtaining recommendation of the Gram Sabha for diversion of forest land under section 3(2), it may also be obtained in writing from the Gram Sabha that no rights under are likely to be affected by such diversion".

As per sub-section (2) of Section 3 of the Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 provides that notwithstanding anything contained in the Forest (Conservation) Act, 1980, the Central Government shall provide for diversion of forest land for certain facilities managed by the Government, as specified in that Section, which involve felling of trees not exceeding seventy-five trees per hectare, provided that such diversion of forest land shall be allowed only if:-

- (i)
- (ii)

The forest land to be diverted for the purposes mentioned in the said sub-section is less than one hectare in each case; and the clearance of such developmental projects shall be subject to the condition that the same is recommended by the Gram Sabha.

Keeping in view the above mentioned facts, the above case for diversion of 0.0485 hectare of forest land in the name of Education department for the construction of Government High School Kandhar has also been approved by the District Level Committee. However, Chairman directed the Addl. District Magistrate to refer the case to the Commissioner, Tribal Development, H.P. for issue necessary direction to the Forest department, Mandi to implement the provision of section 3 (2) of Forest Rights Act, 2006 in letter and spirit

Sub: Proposal for seeking prior approval of the Central Government under Section 2 of the Forest(Conservation) Act,1980 for diversion of 397.8863 ha forest land in favour of SJVN Ltd for the construction of Sunni Dam Hydroelectric Project (382 MW) within the jurisdiction of Shimla, Kotgarh and Karsog Forest Divisions, in District Shimla and Mandi, Himachal Pradesh (ONLINE PROPOSAL NO. FP/HP/HUD/31019/2017)- regarding.

Madam/Sir,

I am directed to refer to the Government of Himachal Pradesh online proposal no. FP/HP/HYD/31019/2017 dated 24.02.2021 on the above mentioned subject forwarding a report on the compliance of conditions stipulated in the Stage-I approval dated 22.12.2021 and to say that examination of the said compliance report in the Ministry revealed following shortcomings:

- i. The State Government has submitted FRA certificate for 359.1753 ha only. Complete Compliance of the FRA, 2006 for whole area proposed for diversion with the Gram Sabha Resolution and SDLC/DLC report be submitted.
- ii. The State Govt has reported that the 9 CA sites over which minor issues were pointed out by IRO have been revisited. However as per the kml files submitted the CA site namely UPF Ghirad Sandrol (15.0 ha) is overlapping/ lying within another CA site of same proposal i.e. UPF Ghirad(20.0 ha). The revised CA site along with all required documents like KML file, DGPS map, SOI map and site suitability certificate be submitted.
- iii. The CA sites DPF Baghat 8 C-2 has Very Dense Forest cover and the sites

namely DPF Challan and U12 D Dhangar have MDF as per the DSS analysis. The same may be looked into and suitable CA sites along with site suitability certificate and documents like KML file, DGPS map, SOI map etc be proposed.

In view of the above, the State Government of Himachal Pradesh is requested to furnish the above mentioned information to this Ministry for further consideration of the proposal for grant of Stage-II approval.

Yours sincerely,

Sd/-
