OFFICE OF THE DEPUTY COMMISSIONER
DISTRICT KINNAUR AT RECKONG PEO, H.P.

Proceedings of the meeting of the Distt. Level committee constituted under
Schedule Tribes & other Traditional Forest Dwellers (Recognition of Forest Right
Act, FRA) - 2006

A meeting of the Distt. Level Committee (DLC) of Distt. Kinnaur constituted under FRA-2006 was held under the chairmanship of Sh. Gopal Chand IAS Deputy Commissioner Kinnaur at Reckong Peo on 28.11.2019 at 11.00AM. Non-Official members namely Sh. Daulat Ram, Yashveer Singh Negi and Kewal Ram were not present despite proper intimation. However official members were present in the meeting and three cases of forest land diversion duly recommended by sub-Divisional committee was discussed and detailed deliberation was held for issuing certificates.

The first claim regarding diversion of forest land identified in Mohal Rang, FRC Shudarang Area 1-44-70 Hect. Mohal Usaring FRC Barang Area 0-29-60 hect. Mohal Tangling FRC Powari Area 4-92-96 Hect. Mohal Powari FRC Powari Area 0-69-96 Hect. total area measuring 7-37-22 Hect. situated at Teshil Kalpa regarding disposal of application claiming right in additional forest land required by Himachal Pradesh Power Corporation Ltd. for construction of Shongthong Karchham HEP 450 MW was discussed.

The second claim pertaining to land identified in Mohal DPF-C 234 Kashang-I FRC Pangti total area measuring 0-93-48 Hect. situated at Gram Panchayat Pangti Tehsil Kalpa for the construction of Integrated Kashang HEP Stag-II & III by Himachal Pradesh Power Corporation Ltd. was also discussed.

Third claim pertaining to the land identified in Up-Mohal Labrang area measuring 03-14-89 Hect., Centre Government Land (BRO) area measuring 00-07-36 Hect. and Private Land area measuring 00-43-22 Hect. total area measuring 03-65-97 Hect. situated at Gram Panchayat Pooh, Tehsil Pooh for construction of 66 KV transmission line from existing tower No.109 near 22 KV control point to 66/22 KV Pooh by Himachal Pradesh State Electricity Board Ltd. was also discussed.

Scanned with CamScanner

Scanned with CamScanner

District Level Forest Right Committee unanimously recommended the diversion of forest land identified in Mohal Rang, FRC Shudarang Area 1-44-70 Hect. Muhal Usaring FRC Barang Area 0-29-60 hect. Mohal Tanling FRC Powari Area 4-92-96 Hect. Muhal Powari FRC Powari Area 0-69-96 Hect. total area measuring 7-37-22 Hect. situated at Teshil Kalpa in favour of Himachal Pradesh Power Corporation Ltd. and also recommended the diversion of forest land identified in mohal DPF-C 234 Kashang-I FRC Pangi total area measuring 0-93-48 Hect. situated at Gram Panchayat Pangi Tehsil Kalpa in favour of Himachal Pradesh Power Corporation Ltd. Unanimous recommendation regarding diversion of forest land identified in Up-Mohal Labrang area measuring 03-14-89 Hect., Centre Government Land (BKO) area measuring 00-07-86 Hect. and Private Land area measuring 00-43-22 Hect. total area measuring 03-65-97 Hect. situated at Gram Panchayat Pooh, Tehsil Pooh, in favour of Himachal Pradesh State Electricity Board Ltd. was also given by District Level Forest Right Committee.

Dated 10/9/2020

To

The Nodal officer (FCA),
Cum. CCF (FCA), Himachal Pradesh,

Sub:- Withdrawal of FCA proposal submitted vide Proposal No FP/HP/HYD/24171/2019 thereof.

Sir,

This is with reference to the subject cited matter above, undersign has submitted a FCA proposal for diversion of additional Land for diversion in respect of Integrated Kashang HEP Stage II & III. But, due to reduction in requirement of land from 0.9348 ha. to 0.4148 ha, HPPCL has decided to resubmit the revised proposal/case.

It is therefore requested to kindly allow the undersign to withdraw the aforesaid proposal, so as to submit the revised proposal accordingly please.

Thanking you

Yours faithfully,

Sd/- 10/9/2020

Sir,

This has reference to your online Proposal No. IA/HP/RIV/137739/2020 and letter No HPPCL/IKHEP/K-I(Vol-XIX)/2019-20-4626-30 dated 05.03.2020 submitted to the Ministry for Extension of validity of EC to the project cited above.

2. The above referred proposal was considered by the Expert Appraisal Committee (EAC) for River Valley & Hydroelectric projects in its 33rd meeting held on 24.06.2020. The comments and observations of EAC on the project may be seen in the Minutes of the meeting which are available on the web-site of this Ministry.

3. Project Proponent (PP) informed that Integrated Kashang Hydroelectric Project is located in Kinnaur district of Himachal Pradesh and is owned by HPPCL, Shimla. Integrated Kashang Hydroelectric Project is envisaged as run of the river type hydroelectric project with no open reservoir or water impoundment within the river banks. It will use water from two tributaries of Satluj namely Kashand and Kerang khads. Kashang Hydro-Electric Project (HEP) was earlier envisaged as a run of the river type scheme on Kashang Khad - a tributary of Satluj river in Distt Kinnaur (HP) to generate 66 MW of power in an underground powerhouse located on right bank of Satluj river. This scheme had been accorded Environmental Clearance by Ministry of Environment & Forest (MoEF) vide its letter No. I/2011/13/2002-IAZ dated 15.11.2002 and Forest Clearance vide No. 8-8/2001 -FC dated 23rd June 2004). Kerang Khad is located adjacent to Kashang Khad and a scheme was envisaged to harness its hydropower potential. During studies, it was observed that this scheme can be integrated with Kashang Hydro Electric Project, thus Reservoir, Penstock, Powerhouse and allied structures can be integrated to avoid large scale damage to forests, environment and pressure on common lands besides

reducing quantum of excavation and use of materials. Thus, Integrated Kashang HEP [(Stage I: 65 MW; Stage III: 130 MW; Stage IV: 48 MW) (Total:243 MW)] has been conceived by optimizing the civil structures with lesser environmental impacts.

4. PP informed that the project is being executed by Himachal Pradesh Power Corporation Ltd, a unit owned jointly by Government of HP and HP State Electricity Board Ltd. This scheme was accorded Environmental Clearance by the Ministry of Environment & Forests (MoEF), GoI vide letter No. J-12011/81/2007-1A) dated 16.04.2010. In Principle approval for the diversion of forest land for construction of Integrated Kashang, Stage-II & III (130 MW) Hydro Electric project in favour of Himachal Pradesh Power Corporation Ltd. (HPPCL) in Kinnaur district of HP has already been accorded vide letter No. F No. 9HPC 366/09-CHA dated 14-06-2011, after following the due procedure vested in Forest (Conservation) Act, 1980.

5. PP informed that Stage-I, has been completed/commissioned in the September, 2016 however work on other Stages could not be taken up due to pending litigation by the local inhabitants in the Hon'ble NGT, which is now disposed of by the Hon'ble Court on 17.01.2018. Physical progress could be achieved till date is 30%. Total land requirement for the project is 88.54 ha, out of which 61.89 ha is forestland (Stage I: 18.71 ha ; Stage II and III: 17.68 ha; Stage IV: 25.50 ha).

6. EAC in the 33rd meeting held on 24.06.2020 noted that present application submitted to the Ministry is for extension of Validity of Environmental Clearance dated 16.04.2010. EAC deliberated on the information as presented and submitted to the Ministry for extension of validity of Environmental Clearance. EAC after detailed deliberation on the information submitted by the PP and representation received, recommended that extension of validity in the instant case is not required and environmental conditions as stipulated in the Environmental Clearance letter dated 16.04.2010 shall be followed in *toto* during construction of balance work and operation phase to safeguard the environment.

7. EAC also took note on the representation received vide dated 13.05.2020 from the residents of the affected areas, residents of different parts of the Kinnaur and other Social and environment organization, etc and opined that Multi-Disciplinary Committee (MDC) should be constituted to oversee the implementation of various environmental safeguards proposed in EIA/EMP. EAC further observed that in case all these stages are integrated then the project should be treated as single project and approval of the DPR should be taken from Central Electricity Authority (CEA) for integrated project however, this has not been done. PP has to approach CEA to resolve this issue.

8. Recommendations of EAC to the instant project regarding Environmental Clearance validity extension are under examination in the Ministry. Environmental Clearance was granted to the project on 16.04.2010 and as per the extant regulatory provisions for River Valley and Hydroelectric Projects, validity of existing Environmental Clearance dated 16.04.2010 can be extended maximum of 13 years. **Ministry therefore hereby extends the validity of Environmental Clearance dated 16.04.2020 till 15.04.2023** and environmental conditions as stipulated in the Environmental Clearance letter dated 16.04.2010 shall be followed in *toto* to safeguard the environment.

9. Further, you are also advised to constitute Multi-Disciplinary Committee (MDC) to oversee the implementation of various environmental safeguards proposed in EIA/EMP and also submit the following to the Ministry at the earliest:

- i. In case of forest land is required for Stage IV, Forest Clearance be obtained as per the Forest (Conservation) Act 1980 before commencement of Stage IV work.
 - ii. Details of pending litigations and Order dated 17.1.2018 by the Hon'ble NGT.
 - iii. Point wise reply to the concern raised in the representation received by the EAC members (**enclosed**).
 - iv. Multi-Disciplinary Committee (MDC) shall include experts from Ecology, Forestry, Wildlife, Sociology, Soil Conservation, Fisheries, NGO, etc. to oversee implementation of various environmental safeguards proposed in EIA/EMP report during construction of the project.
 - v. Undertaking by way of affidavit that there is no change in the project configuration including project location and physical progress which has been done so far is in accordance with Environmental Clearance dated 16.04.2010.
 - vi. Wildlife Conservation Plan for Schedule I Species (as per Indian Wildlife Protection Act-1972) spotted recently, if any, in the project area shall be prepared in consultation with concerned Chief Wildlife warden.
10. This issues with approval of the Competent Authority.

Yours faithfully,

(Dr. Mohit Saxena)
